The Public Meeting held last Friday, 4th inst., to consider the question of presenting some token of appreciation to our returned soldiers. The meeting was well represented from all parts of the township. Geo Lathan, reeve, acted as chairman and David Allan, clerk, was Secretary. The members of council first addressed the meeting after which the questions were discussed with the result that it was decided to erect in the village of Holstein a monument as a Memorial in honor of our fallen heroes and also to have inscribed thereon the names of all the boys who went overseas. It was also decided to present to all returned soldiers also to the relatives of those who do not return a suitable medal as a token of appreciation. The matter was left in the hands of the council to carry out.

### Mr Harold Baird Honored

The home of Mr and Mrs Chas. Hunt on the 12th was the scene of a happy gathering last Friday evening when they opened their home to the members of the I. O. F. and their friends to do honor to one of their members, Mr Harold Baird, who has recently returned home from overseas. The evening was spent in games, gramophone selections, violin music and dancing. During the evening the company were called to order and Mr Chas Hunt opened with a few well chosen words addressed to Harold after which he read the following address, Miss Helena Calder at the right moment presenting a beautiful emblem ring of the order of which he is a member.

Following is the address:

Mr Harold Baird:  
Dear Brother,—

We desire on this happy occasion to extend to you the hand of welcome and to receive you once more to our circle. We feel grateful to Providence who has allowed you to return to us once again from amidst the awful danger and carnage of France to Flanders, where so many of our brave boys who have done their bit are lying. We ask you to accept this ring of the Independent Order of Foresters as a token of our good will and thankfulness that our Circle is not broken.

Signed on behalf of the Foresters Helena Calder, Chas. W. Hunt.

Mr Baird made a suitable reply to the address. The company thanked their host for the good time. Everybody had a good time.

On Friday night there will be a welcome and presentations to our returned soldiers given in the Hall. Bring a basket and be on hand.

Rev. Mr Lovegrove will take for his Subject next Sunday morning "Spring Time." The text "The time of the singing birds has come." Plan to be at church in the morning.

### Spr. Jas. Barbour Honored

On Friday evening last, the home of Mr and Mrs Robt. Barbour, 2nd Con. Egremont, was enlivened by the presence of a large number of neighbors and friends, to welcome home their nephew Spr. James Barbour who has just returned from overseas. Mr Jas. Mack acted as chairman. A good program was rendered by local talent consisting of solos, instrumental music, readings, recitations, etc., all of which was enjoyed. At an appropriate time the following address was read by Miss Edith Edge, presenting Spr. Barbour with a club bag and socks after which he replied thanking all for the royal treatment accorded him, the boxes sent and the backing up he had received while at the front after which lunch was served. The young people then enjoyed themselves with music and games, after which all went home pleased to have another of our brave young Canadians with us again.

### Dear Mr Jim Barbour:

We, your friends and neighbors have assembled here to night to bid you welcome home from the arena of the Great World's War.

Never, before in the history of the world have so many nations and such extensive armies been engaged in such a deadly struggle and never before have the engines and weapons of war been so extensive and so extremely repulsive as they have been in this war and we feel that we must thank God for the boys who are returning.

When the great crisis for men arose you were one of the brave and noble young men who freely offered yourself sacrificing your own interests to serve your country and fight for the good of humanity. You did your bit nobly and we thank the God who raleth the battle and giveth the victory that you have been spared to return to us.

We do not feel that you can ever be repaid in this world for the great work done but we would like you to know that we do appreciate what you have done and in token of our gratitude we would ask you to accept this club bag and socks and we do hope and pray that you may never again be called upon to fight in war but that your civil and spiritual warfare may alike be blessed by Victory.

Signed on behalf of Red Cross Workers.

## An Open Letter

### To Soldiers Returning From Overseas Service

Do you feel that you are going to be under a handicap when you re-enter civilian life? Are you fully prepared to take up your former occupation or start a new one? Have you the knowledge of business affairs that is necessary if you are to compete successfully with your fellows—in any line of occupation?

At no time in the past have there been the great opportunities for the young man in manufacturing, mercantile life, agriculture, etc., as there will be in the coming re-construction period in Canada. Business during your absence overseas reached a new and higher standard of activity, and it has never before been so necessary to be thoroughly trained in business methods; to be able to transact business successfully and to have the necessary confidence in your own ability to secure you from fraud or imposition.

A special training along these lines is necessary to fit you for business life, and it may be obtained within a short space of time—a Business Course at the Northern Business College, Owen Sound, Ont., which has been arranged with a view to giving young people a broad and practical insight into modern methods of commercial activity. It is possible within a few months to put yourself in possession of a fund of special knowledge that will enable you to get in on the "ground floor" of Canada's re-constructive period, to face life with the utmost confidence, and which will be of the greatest assistance to you, no matter what line of endeavor you intend to follow.

There are no Entrance examinations and you are not debarred in case you have neglected your early education. In fact there is a special Preparatory Course where public school subjects may be taken up. The instruction is largely individual so that very rapid advancement can be made. The Principal is a Chartered Accountant and supervises all instruction.

It is expected that Capt. G. D. Fleming will be demobilized in time to return to the staff for the Spring term.

Spring Term opens Tuesday April 22nd in Business, Preparatory, Short-hand and Typewriting Departments. It is your opportunity.

Catalogue free on request. Send for the booklet, "The Road to To-morrow"
