Honors to Varney Soldiers Kind Words Backed by Gifts

The second annual banquet to the returned soldiers of the Varney district was held in the Orange Hall on Tuesday evening, when a record crowd assembled to do honor to the boys and justice to the splendid supper provided by the Red Cross society of which Mrs. J. W. Blyth has been the capable and untiring president since its inception over four yrs. ago.

Pastor Falkingham was in his happiest humor and made an ideal chairman. He had an excellent program on hand, consisting of choruses by the Varney massed choir, a fine duet, by Misses Florence and Jeanette Kerr a splendid solo by Miss Katie Kerr, a humorous recitation by Mrs. (Rev.) Cole which convulsed the house, a recitation reading, by editor Irwin entitled "My Dudine" by Service, a term which he kindly explained was not the feminine of "dude" and short addresses by Revs. Cole and Whaley. It fell to Rev. Mr. McEwen to make the speech of the evening which he did in his usual effective manner.

The chairman then called to the platform Messrs Murray Hoy, Cecil Blyth and Eigna Wilton. Miss Katie Kerr read the most appropriate address and Misses Blyth, Kerr and Wilton, without disorder or delay presented each soldier with a leather club-bag. On behalf of the heroes Mr. Hoy in a happy and felicitous vein expressed their gratitude for the clubbing and the banquet and also for the many kind tokens received from Varney while they were carrying on "over there."

A most enjoyable and profitable evening was brought to a close by the singing of "O Canada."

Mr. Jas. Mack was made chairman of the evening and calling the two soldier boys forward, they were addressed and each presented with a ten dollar gold piece. The address read by the present teacher, Miss Edith Edge, set forth in glowing terms the high esteem in which the boys were held by all in the section. The boys replied gratefully, thanking them for their kindness at this time of home-coming and also for kind remembrances while overseas.

Barn and Valuable Farm Stock Consumed in Flames

From some unknown cause, fire broke in the fine barn of Mr. Hugh Firth, 6th con., Gleneg, last Monday evening, and when first noticed about 11.30 p. m. it was a seething mass of flames. A small party was on in the house at the time, and the last man to arrive at 11 o'clock had put his horse in the barn with the aid of a flashlight.

It was with difficulty Mr. Firth had three horses rescued, but the barn fell in but no other stock could be saved. Five horses belonging to neighbors perished in the blaze, Mr. Firth lost 17 head of cattle, 15 pigs, some hens, his seed grain and hay, and many of his implements, so upon him the loss falls very heavily.

Willing hands kept the roof of the residence covered with wet blankets and thus prevented the destruction of his home as well. All will sympathize with Mr. Firth, brother of Wm of town in his serious misfortune.
