Sergt. Arch. McKinnon Honored

Friday evening, April 4th, a large concourse of friends and neighbors gathered at the home of Mr and Mrs Hugh McKinnon to welcome home their son Sergt. Archie McKinnon of the Cameron Highlanders. Archie spent over three years as a soldier and saw more than two years of trench life, passing through many severe battles without a scratch. He feels hale and hearty and dressed in his military uniform. He is a fine specimen of the Highlander race.

After spending a couple of hours in social chat etc., Reeve Nichol of Glenelg called the meeting to order

and began a very lengthy program of addresses and songs. Short speeches were given by Messrs Arch. McKinnon, Jno. Weir, Robbie Paton, Frank Kellie, Malcolm Melness and others. Mrs. Gertrude Melness of Priceville who sang a beautiful solo deserves special mention in the musical line, it being very much appreciated by all.

Sgt. Arch. McKinnon was then called on and the following address read by Thos. McDougall. At the proper moment Arch. J. McDonald presented him with a purse containing \$24

Archie replied briefly thanking his many friends for their kindness shown him here and while at the front. He also thanked the Red Cross Societies in the surrounding districts for boxes of "cass" tobacco, and so forth that he received. He extended a highland welcome to all, putting it in his own words "here is the house and the floor, hop to it." After the program the ladies who were always ready at the right time served lunch

The balance of the night till the wee sma' hours were spent in games and tripping the light fantastic to the music of the South Line and Gravel road orchestra.

Following is the address: To our Honored Guest: Sergt. Arch. McKinnon:

We are assembled here on this joyous occasion to rejoice with you and your family, whom you so nobly and honorably represented in your coming and we are taking this opportunity of paying you a tribute and an informal welcome to home and friends.

We recognize in the fact that, at the Country's call you responded, going forward with a determination to assist in saving our Empire from destruction and pillage of the barbarity of the cruel Huns. Words are inadequate to express the high honor in which we uphold you for your heroism and stability in fighting for a grand and noble cause. We know you did your part that we might enjoy the freedom and liberty in our fair domain that we have so long cherished.

Our anxiety for your safety and preservation was a means of exciting us to a very high tension and now the reaction has come. The scene is now changed and we greet those who are coming home in health and strength.

Our earnest prayers are that God may pour out on you His richest blessing and may He guide and direct you along the pathway of life and success may crown anew efforts in whatever walk of life you may pursue and when life is ended, may He say to you "Well done good and faithful servant, enter into the joy of thy Lord."

In bringing this our address to a close we ask you to accept this purse as a mere recognition of your valued service rendered to our King and Country.

Signed on behalf of your friends: Frank Reiley, John Nichol, Angus McMillan, Arch J. McDonald

### SWINTON PARK

On Thursday night a crowd of friends invaded the home of Mr and Mrs A. B. McDonald to join them in welcoming home their soldier son John C. McDonald. Their many friends rejoiced with them in his return and also rejoiced that his mother a sister had been restored to health.

Mr Gordon Geddes was voted to the chair and we may just remark that it was an apt choice and Mr Geddes performed his duties well. His remarks were of a felicitous nature in wishing well to Pte. McDonald and also his wife. The program was good Mr Wm. Ramage favoring with a couple of rousing patriotic solos, the Glee Club—Mr and Miss Lethian, Mr and Misses Ramage and Mr Dan Campbell, Priceville, sang very appropriate selections. Mr Thos. McDougall furnished instrumental music accompanied by Miss Florence Ramage. Miss Ramage also gave an instrumental solo Messrs Ramage, Lethian, Weir and others gave short speeches. Mr Lethian also gave a recitation. Miss Esther McLean of Priceville gave a recitation and a song.

A presentation of a purse and an address was made Mrs McCormack read the address and Mr Chas. Ferguson made the presentation. Mr McDonald thanked all very much for the welcome and presentation and referred very tenderly to the great grief that is so near to their hearts even in the gladness of his return.

Following is the address: To Pte John L. McDonald: Dear Friend,— We, your friends and neighbors of the immediate locality surrounding your home, have assembled here to night to welcome you, a soldier boy, back to Canada, our Homeland, and we wish you to accept hearty good wishes of welcome on thy return to home and loved ones.

When the time came for you to don thaki—to have the privilege of fighting for God and Right—you did so with the express purpose of helping to destroy military autocracy and in place giving to the world Freedom and Justice. Although you hadn't the privilege of getting into the front line trenches we know that you were ready and anxious to go where duty demanded you.

As a result of the spirit of sacrifice manifested by our soldiers, we all home enjoy justice and civil liberty, for which our good old flag stands and has stood for centuries. As a means of showing you our appreciation

# Help the Y.M.C.A. Finish its Work For Soldiers

Help the "Y" Construct the Manhood that will Re-construct Canada

ALL the world now knows that the Red Triangle of the Y.M.C.A. was the "Sign of Friendship" to thousands of your brothers, sons, nephews, cousins and neighbours' boys in the last four and a half years. Wherever the Canadian Soldiers went, the "Good old 'Y'" went too. And now it is coming back home with them!

The Y.M.C.A. will keep its chain of Service unbroken till the end.

For the support which has made possible the war work of the Y.M.C.A. we thank you. Your money has been well expended. We have rendered full account.

We ask now your continued sympathy and support for Red Triangle Service for our Soldiers during demobilization, and for Y.M.C.A. work for Canada generally during the Reconstruction period. The Annual Red Triangle campaign will be held throughout Canada May 5th to 9th, 1919. The objective is \$1,100,000.

### For Our Men Returning

For the soldiers and their dependents, returning from Overseas, we have provided as follows:—

1. A Red Triangle man on board every ship when it leaves Great Britain, with a full equipment of games, gramophones and records, magic lantern, literature and writing materials. Where possible, also a piano or an organ. Lectures, concerts, sing songs, instruction re Government repatriation plans, and Sunday services.
2. Red Triangle comforts and facilities for the men on arrival at Halifax, St. John, Quebec and Montreal, including coffee stalls, with free drinks, free eatables, cigarettes, candies, etc.
3. Red Triangle men on every troop train to provide regularly free drinks, eatables and cigarettes, organize games and sing songs, and furnish information.
4. Red Triangle free canteen service, information bureau, etc., at each of the 22 Dispersal centres in Canada.
5. Red Triangle Clubs in the principal cities of Canada in the shape of large Y.M.C.A. hostels to furnish bed and board at low rates and to be a rendezvous for soldiers.
6. Seventy-five Secretaries to superintend Red Triangle service in Military Hospitals, Camps and Barracks throughout Canada.
7. Tickets entitling soldiers to full Y.M.C.A. privileges for six months at any local Y.M.C.A. furnished.

In addition to our work for the returning soldiers, we have to maintain the Red Triangle service to the full for the soldiers in Siberia, as well as the work of special secretaries in Northern Russia, Palestine and Poland.

### For Canada's Manhood

The Reconstruction program of the Y. M. C. A. includes the following vitally important developments:—

1. An increased service to 300,000 teen-age boys in the Dominion—the development of Canadian Standard Efficiency training; Bible Study groups; summer camps; conferences; service for High School boys, for working boys, in the towns and cities; for boys on the farm and for boys everywhere, who have lacked opportunity for mental, moral, physical or social development.
2. Inauguration of Y.M.C.A. work in the country, and the smaller towns and villages lacking Association buildings and equipment, on a plan of county organizations. This will include the establishment of Red Triangle centres for social, recreational and educational work among boys and men, in co-operation with the churches.
3. The promotion of Y.M.C.A. work among Canada's army of workers in industrial plants, both in Y.M.C.A. buildings and in the factory buildings, organizing the social spirit among the industrial workers of our cities by meetings, entertainments, games and sports.
4. The establishment of the Red Triangle in isolated districts where lumbermen, miners and other workers hold the front trenches of industry.
5. Besides these main fields of increased activity for 1919, we have to provide for enlarged work among railway men, college students and for our campaign to encourage physical and sex education. Under all our work we place the fundamental foundation of manly Christianity.

### Y.W.C.A.

For the wives and children Overseas, dependent upon Canadian soldiers, and for Y.W.C.A. work in Canada generally, a sum of \$175,000 from the Red Triangle Fund will be set aside for the Dominion Council of the Y.W.C.A., which is caring for the soldiers' women folk, and their little ones on the long journey from Liverpool to Canada, and is also extending its work for Canadian girls.

For their sake also be generous when you make your contribution.

FOR the sake of our victorious soldiers and their dependents, and the happiness of their home-coming; for the sake of our future citizens, our teen-age boys; for the sake of rural life in Canada; for the sake of the social betterment of the toilers in factory and workshop; for the sake of lonely men and boys in our mines and forests; for the sake of Christian Society and Canadian manhood—we appeal to you. Give us your contribution, little or big. Be as generous as you can.

Hand your contribution to the canvasser when he calls, or if you live where it is difficult for him to call, send it by check, money order or registered letter to the National Treasurer, Red Triangle Campaign, 120 Bay Street, Toronto.

### Please Note:

We are not asking for money to carry on our work Overseas, with the Army in Great Britain, France or Belgium. That work will continue at its maximum for some months, financially provided for by the liquidation of our assets Overseas, and will not terminate till the last man has sailed for home.
