"Lest We Forget"

Last year somebody thought of planting trees for the boys who are not coming home. While memorials costing precious money are dunning on their laboured way to definite decision, let this service everybody can do be done NOW. Plant balsam and pine to keep their memory ever green; plant flowering trees and shrubs that every spring that brings the poppies out on those far away graves may wait the sweetness of our boys' memory in at our windows; plant trees for timber and reforest our waste lands and plant trees of goodly fruits that cold and hunger may not come again to those they loved and left trusting them to our protection. Plant above all the maple whose leaves they wore on their caps. They wrote with their life-blood across Europe "The Maple Leaf Forever."

—Gen. Currie says all Canadians will be home by the middle of July.

—The allied forces in northern Russia, long hard pressed, have now taken the offensive.

—A Conference is to be held in South Africa next year of all returned soldiers' organizations within the British Empire, at which there will be fraternal delegates from all allied countries. South Africa is chosen as the most central point of the Empire for all concerned.

—The remains of Edith Cavell are being brought to London and Westminster Abbey this week. They are conveyed on a gun-carriage, covered with the Union Jack and all honors paid to the remains. A long route for the cortege has been arranged to allow the public to pay last respects. Troops will precede and follow the hearse and the Belgian army will be represented. The body is well preserved and features quite recognizable.

DORNOCH SUBURBS

Our local auctioneer Mr Chas. Shewell performed the clerical operation of extracting the sum of \$1300.00 from the wallets of the neighborhood (which is in the main Scotch) at Mrs John Stewart's sale on Tuesday, April 29th.

Mrs John Stewart has rented her homestead to Mr D. Flanagan who will use it for pasture purposes, and her pasture farm to Mr Angus McArthur of the Garafra near Durham.

Mr Asket Allen who has Mr Robt. Hay's farm has turned over the s.d on nearly all its arable fields. Mr Jos. Patterson is very busy working single-har-ded the farm where he lives and Mr Dan Wade's in addition. By such means is taken away from among us the reproach of waste land. Some of the returned men are being preselected with watches. It is quite in order so to honor those who had a hand in winding up "The Watch on the Rhine."

Mr Joe. Patterson lost a horse and cow recently.

Master Percy Ledingham is recovering satisfactorily from injuries received in a runaway some time ago. A valuable, yet old advice, might be given these young men and old men too and that is "hold your horses."

Mr J. H. Dirstein has made two trial trips hauling logs with his new truck from Mr P O'Neill's bush. The project proved successful, but better roads will hasten much "the move."

Poa Philip McDonald, formerly doing "over there," is at present engaged on his farm "over here."

The time required for fattening hogs these rainy days constitutes the greater part of the farmers' labours.

The Easiest Way To Invest

Canada, following the example of other Allied countries, has made it possible for wage earners—men and women—to invest in safe securities without effort.

These securities are called War Savings Stamps.

The cost now \$4.04, but by compounding interest, the \$4.04 you invest now will be worth \$5.00 in 1924. There is no other security in which you can invest such a small amount that is as safe and that bears so high a rate of interest.

Or you can start with 25 cents, by buying a Thrift Stamp. When you have sixteen Thrift Stamps, you can exchange them for a War Savings Stamp.

You take no risks. The Government of Canada guarantees to pay you back your money—with interest—at any time during the five years, or to pay you in 1924 \$5.00 for every \$4.00 (and a fraction) you invest now.

Make Your Savings Serve You and Serve Your Country—Invest Them in War Savings Stamps.

In May W-S.S. Cost \$4.04

In June W-S.S. Cost \$4.05

War Savings Stamps can be bought whenever this sign is displayed.

Accordingly the seeding time will last much longer this year.

Pte. Henry Gander is now engaged at Truax's mill.

Relatives and friends mourn deeply the loss of a much valued citizen in the person of the late Edward Boyce who passed away Wednesday last at 11 30 a. m., at the home of his daughter, Mrs E. Anderson, of R. R. 3, Elmwood, Ont.

Deceased was a native of Lacolle, Que. He came to Beninck township 37 years ago, purchased a farm and has been engaged almost continuously in farming. Of late he resided with his son Mr Harvey Boyce of here. His wife predeceased his demise by 32 years. Mr Boyce was a member of a family of seven, three brothers and three sisters having gone before. The surviving brother is Charles of Lacolle, Que. Others who remain to mourn are Mrs E. Anderson and Mr Harvey Boyce of Beninck; Lizzie of Detroit; Walter of Harrow, Ont.; Herman and Arthur of N. Dakota and three great grand children. Attendants of funeral from a distance were daughter Lizzie and son Walter.

ABERDEEN

Altho' we have had a very backward seedtime some of the farmers are finished seeding and others will soon be done if the fine weather we have had lately just keeps up for a few days.

A large number of friends assembled at the home of Mr. and Mrs. Hugh McLean last Friday evening to welcome their son Fletcher home from France. A very pleasant evening was spent during which he was presented with an address, club bag and diamond tie pin.

Miss Isabel McQuarrie is attending Business College in Owen Sound.

Our teacher Miss Linda Tesdale, spent the week end at her home in Crawford.

One of Durham's prominent citizens got stalled on the spring hill last Friday evening and Mr Duncan McLean had to assist in getting them back to Durham.

Card of Thanks

We desire to express our heart-felt gratitude to the people of the surrounding communities, for their many acts of kindness and thoughtfulness, for their splendid generosity in gifts of money, seed, and feed, owing to the disastrous fire that destroyed the earnings of a life time, on the night of Easter Monday. We are deeply indebted an well to the young people present on that occasion for their heroic action in saving the home and its contents. Most gratefully, Mr and Mrs Hugh Firth and family.
