WILL CELEBRATE JULY 1ST.—The Durham G. W. V. A. have made arrangements to celebrate Dominion Day here and are preparing a big program of sports for the occasion. The program has not yet been fully arranged, but keep this date for the biggest day's celebration in many years.

MARKS BIG PROFITS.—The earnings of the Robert Simpson Co. for the past year after paying all expenses, providing for depreciation in the value of property and plant etc., amounted to within a few dollars of a million and a half. The belief entertained by some people that the department stores sell on a very narrow margin of profit or no profit at all, is evidently fallacious.

G. W. V. A. TO ATTEND CHURCH.—The local branch of the Great War Veterans' Association will attend service in Trinity church, Durham on Sunday next, June 1. The Association will attend the service in a body and cordially invite all who have worn the uniform, whether in Canada or overseas, to join them in this service. Members are requested to meet at their club rooms at 10:30, from where the parade, in civilian dress will commence. It is hoped that all returned soldiers of Durham and vicinity will attend this service.

THE SAME IN DURHAM.—The Bruce Herald and Times makes the following comment on the usual canvassing of the way the front street of Walkerton is being canvassed for one charitable purpose or another is enough to make the inhabitants thereon wonder what they would do with all their money if they were allowed to keep it like they do on the farms, where the solicitor for alms seldom, if ever, shows his face the year round. If deserving causes could only hit up the Council confining their attention to the front street, they would scatter the burden that a few financial light-weights are now obliged to bear.

WILL MEET EACH WEDNESDAY.—The meeting on Wednesday evenings of each society and the attendance and interest will determine the success or failure of the local branch. All members are earnestly requested to be in attendance at every meeting.

A SEVERE KICK.—During the absence of his father, Norman Carson, the small 14 year old son of Wm. Carson, Norman, undertook to hitch up a team and plough the garden last Wednesday. While unhitching after one of the horses from the teeth in top of the harness, the boy suffered to quite an extent from his unfortunate accident.

On Monday morning last Mr. Solomon Turner, a highly respected resident of Walkerton, went to his son's farm to assist him in the seeding, says the Flesher Advance. He had hitched his Flesher to a steel roller and when attempting to turn round the tongue broke and Mr. Turner was thrown in front of the heavy roller which passed over the lower part of his body. He was picked up and carried to the house and a doctor summoned. No bones appeared to be broken but Mr. Turner is so seriously injured that he is unable to move himself in bed and it is not known what the outcome may be. We learn later that Mr. Turner has since died.

WALKERTON citizens are also discussing a soldiers' memorial and making about as much progress with it as Durham is. The leading idea there is a wing to enlarge the hospital, to cost about \$150,000 of which Mr. John Rowland and others thought the doctors should pay a substantial share. Mrs. Wisser, I. O. D. E. regent said that if this scheme carried, her society would go ahead themselves with some other kind of memorial. She considered something which would directly benefit the boys and promote their welfare as most suitable. Lieut. James said that in France no memorial scheme was allowed to be considered for seven years and in England for three years. The best architects are deliberating on the fittest kinds of memorials and it would be better to await their decision, and not rush the matter too quickly now. It was decided to ask the Town Council to appoint a committee of citizens to look into the whole matter and report back to the Council.

Premier Martin in Town

Premier W. M. Martin of Saskatchewan is visiting his uncle, Mr. J. J. Martin and Mrs. Jamieson here for a few days this week and taking a little recreation fishing in our famed trout streams. Mr. Martin has recently been in Ottawa at conference of Liberal leaders and before coming to Durham, spent a few days at his old home in London. He has been prominently suggested as the coming leader of the Liberal party in the Dominion parliament in response to an enquiry as to its possibility. Rumor had not been approached to take the position.

LANDED A BIG ONE.—Master Willie Ford, south line, Artemesia, caught a trout on the 24th that measured 16 1/2 inches in length, and weighed over 2 lbs.

A combined meeting of the G. W. V. A. and the I. O. D. E. will be held in the Public Library on Monday evening June 2nd at 7.45 p. m. All members are urgently requested to attend.

Mr. Jas. Heughan has purchased J. Knight's residence almost opposite the Cement Co. office, known as the former Whelean residence.
Miss A. Halliday of the Public School staff, unfortunately broke a small bone in her ankle, by going over on her foot while running at a picnic on Saturday. She is on duty for two or three days this week as a result, Miss Gun taking her classes.

BOUGHT FINE RESIDENCE.—Mr. Frank Lenahan was back to town from Toronto his week and sold his fine red brick residence just south of the Ford garage to Mr. J. A. Rowland, bank manager. The house was recently occupied by Mr. H. G. Mistle, the former manager.

LT. W. H. FENTON, M. C., a returned soldier of Arran township was chosen as the United Farmers of Ontario candidate election at a Convention held in Warton yesterday. The proportion of rural vote to urban is about 3 to 1 in N. Br. As Lt. Fenton is a former Conservative supporter, it is thought that Dr. S. E. Foster will drop out, leaving Fenton to contest the riding in opposition to Wm. McDonald, M. P. P. of Chesley.

WILL RE-OPEN BUSINESS HERE.—Mr. J. C. Nichol, who has been taking up a training course in Toronto since returning last Friday and home, returned to town properly next the Mid-Lough House now occupied by the Variety store and undertaken by J. Levine as residence. The tailoring business he conducted in the stand a number of years ago, and is now being run by R. L. Saunders, has been cramped quarters, probably in the Calder block.

ANOTHER GLENELG FIRE MYSTERY.—Between 5 and 6 a. m. Saturday morning, fire consumed the frame barn of Mr. John O'Neil, near T. P. Hall, Glenelg, and all contents. Three horses were burned, and one of John's. Implements, rake, buggy, cutter, 300 bush oats, 2 tons hay, etc. Mr. O'Neil had been at reception at a neighbor's, and returning at 4 a. m. saw no sign of fire and was soon after Fallaise awoke him to advise him his fire and then the barn was in ashes. Mr. O'Neil and his sister had passed shortly after 5 a. m. and no fire was then discernible. Judging by the number of mysterious fires in Glenelg recently and principally barns, some bug is apparently engaged in this fiendish work and the minds of other farmers would rest easier were the cause discovered. Mr. O'Neil's loss is partially covered by insurance.

FIRECRACKERS CAUSED RUNAWAY.—Children letting off crackers on main street last Friday night when the streets were busy, caused a runaway which has terminated more seriously. The crackers frightened Chas. McAllister's horse, which reared up and down and in so doing collided with Geo. Noble's buggy. The latter's horse bolted and Mr. Noble being thrown out, and animal and rig dashed up main street across Garafaxa bridge, round the foot of the hill past the C. P. R. station and homeward on Durham Road. Near Hutton Hill, Mr. Norman McIntyre was returning to town in his car and he stopped the animal, and Mr. Noble who followed in another rig, secured it. The horse was uninjured, but the axle of buggy was bent and otherwise it was somewhat damaged. It was fortunate no one was hurt as there was ample opportunity for it. If our constable would move a few lines on some of these thoughtless kids, it might free our main streets of the firecracker nuisance, especially on open nights in stores.

The Ladies' Aid of the Methodist Church met at the home of Mr. and Mrs. Pearlous Shek last Friday evening and tendered them a m. s. e. l. a. n. o. u. s. e. A friendly social evening was spent in program games and music.
The Advance was told the other day of a rather remarkable instance of the moth-station. A robin had built her nest in a freight car which stood on the track here and laid her eggs therein. When the car was moved out the bird went with it. The number of the car was noted and the young thereafter it was returned here home station. Whether the C. P. R. authorities sent the car back just to accommodate Mrs. Robin, or whether in the whirring of railway traffic it just happened, we do not know. The facts are as employees at Flesherston station by the mother bird must have fed them as the car moved from place to place.

The Return of our Soldiers

SERGEANT MACK SAUNDERS
One of Durham's native sons to return Wednesday is Sergeant Mack Saunders, who has had an eventful military career. Mack enlisted in the 147th Greys, and was transferred to the 14th Hussars, for active service. He was twice wounded—at Avlon in 1917 and near Arras last year, but after hospital treatment, he is in no way disabled. Mack was one of the star players on his battalion lacrosse team when in France. He looks the picture of health, when leaving here nearly three years ago, and is being warmly welcomed by family and citizens.

PTE JOHN DERBY
This Bentinck boy, son of Mr. and Mrs. Andrew Derby, returned on the same boat as Mack Saunders, also arriving Wednesday noon. John enlisted in the 147th battalion but was transferred to the railway troops for active service in lines behind the trenches and the advance infantry. He saw almost two years service in France and returns in good health and as pleased to be back among his friends again as they are to welcome him.

PTE W. R. ALJOE
Enlisting in January, 1918, Wm. Aljoe of Glenelg returned home Tuesday evening and was welcomed by a large crowd at the station. He was not long in Canada months ago service at the front, but suffered no mishaps, and looks well after his experience.

LCE CORP. JNO. A. LAWRENCE
Lce Corp. John A. Lawrence, son of Mr. and Mrs. J. A. Lawrence, Hutton Hill, arrived home Saturday evening and spent a busy night meeting old friends in town. Corp. Lawrence had been in Kitchener, Alberta for some years, before enlisting in 1918 in the 151st Central Alberta to the front in Nov. 1916 and after five mos in the trenches was seriously wounded in the hip at Vimy Ridge in April 1917. He spent about 8 mos. in English hospital and in 1918 was returned to the fighting zone. In the big Canadian drive in Wood near Cambrai, and this finished his active service. He is now completely recovered from his injuries and looks in the best of health.

Death of Mrs Hugh McLean, Jr.

They lived in Durham for some time, then removing to Hespeler and latterly to Galt, where she has a good position. Four other brothers of deceased, John, James Thos. and Irvine are in the West, Wm. on the home farm in Normanby, and three sisters, Mrs. Alf Corbett, Mrs. Rbt. Johnston and Mrs. And. Fulton reside in Bentinck. The deceased lady was the youngest in her family and was a devoted wife and mother. She was a member of Hampden Pres. Church, afterwards transferring to her new home.
The remains were brought to the home of his parents here, Mr. and Mrs. Hugh McLean, for interment Wednesday in the Durham cemetery. Revs. Whaley and McEwen conducting the services, her former pastor Rev. Mr. McLean of Hespeler, not being available.
