Chesley's big day is over but Durham's is coming—on July 1st. All roads will lead here—join the throng. See big bills for list of sports.

Mr. Jas. A. Hunter, Minneapolis, has sent his check for \$10 to Durham Memorial Fund and the best way to thank him and other liberal old Durhams would be to "get-going" as soon as possible.

C. Smith & Sons, Local Agents have recently sold new Ford touring cars to Wm. J. Allan, Alex. McKenzie, Alex. Ross, W. J. Philp, all of Egremont; Herb Allen, Glenelg; Wm. Mearns, Normanby; Robert Johnston, Geo. Alexander, Alex. McLean, Donald McDonald, all of Bentinck.

It is estimated that from 30 to 50 cars from Durham and surrounding district were at Chesley celebration Tuesday. If Chesley and district will bring as many here on July 1st or even half as many, the management will be well pleased.

Rev. Mr. Collins, Toronto, representing the Reading Camp Association, will preach in the Town Hall on Sunday next morning and evening. This institution does a worthy work amongst the men in lumber camps and in frontier operations.

At the Commencement Exercises of the Margaret Eaton School, Toronto, on Saturday last, Miss Mae Urquhart of Port Credit, as a student there for some time back, received the Harry McGee scholarship valued at \$50, as well as securing a "certificate in Expression." Congratulations. Miss Urquhart is a granddaughter of Mr. and Mrs. Thos. Whelan of town.

The Annual Garden Party of Glenelg Centre Baptist Church will be held on the grounds of Mr. Walter Ewing, on Friday, June 13th. A good program is being prepared consisting of music, addresses by ministers and others. Tea served from 6 to 7 o'clock. Tickets to grounds including everything except booth, 35c and 20c. All are cordially invited.

The June meeting of Durham Women's Institute will be held in the Public Library, Friday, June 6th at 2.30 p.m. when Miss Marjory H. Williams of Markham will speak on "The Canadian Woman as a Prospective Voter," dealing with the Franchise laws relating to women and children, etc. Miss Williams is a pleasing speaker and all ladies and girls should attend and hear this fine address.

"AT HOME" TO THEIR FRIENDS.—Durham G. W. V. A. entertained over 200 guests last Friday and Saturday evenings, who availed themselves of the invitation to inspect their club rooms in Calder's Block and all were treated by the War Veterans to ice cream and cake. The local branch is making rapid strides ahead, now having a membership of about 50, and are a bunch of enthusiastic workers. They expect before long to be forced to secure larger quarters to accommodate all.

The fifth Annual meeting of the Saugeen Presbytery of the W. M. S. was held on May 29 in Knox Church, Palmerston. Nine ladies from Durham attended. About two hundred ladies were present from different parts of the Presbytery. The morning session was taken up with devotional exercises and reports from the various auxiliaries, young women's auxiliaries and Missions Bands all of which were very encouraging. The chief features of the afternoon meeting were addresses by Rev. A. E. Armstrong who has just returned from a nine months tour in our mission fields and Mrs. Osborne of Galt who spoke on the Forward Movement as it affects the W. M. S. In the evening Mr. Armstrong gave an illustrated address on his trip to the Orient.

Durham's big celebration is on July 1st under G. W. V. A. auspices. It's the day of the year, so—be here.

A bee will be held in the Show grounds Friday evening June 6th at 6.30 p. m. to improve the lacrosse field and also effect repairs to the race track. Let all interested turn out and lend assistance bringing shovels or other necessary tools.

BADLY SCALDED.—Little Margaret Kerr, the two year old daughter of Mr. and Mrs. Norman Kerr, Varney was badly scalded over shoulder and face last week by an accidental spill of hot water. Miss Carson was carrying a dipperful upstairs, when the little one unexpectedly clutched her arm and thus caused the spill. She is improving nicely.

Saturday last a notable man died in Toronto. Rev. Dr. Somerville, Convener of the Home Miss. Committee of the Pres. church of the Dominion and also its Treasurer, died after a brief illness. He ministered in Owen Sound for 31 years, and the General Assembly, in session in Hamilton this week, will make pathetic reference to his death.

LEAVES VARNEY CIRCUIT.—At the Methodist Conference in Kitchener last week, Mr. W. L. Falkingham was transferred from the pastorate of Varney—Vickers circuit to King Lake, Elgin Co. and will commence pastoral work there in three charges the first Sunday in July.

Mr. Falkingham has faithfully and effectively ministered here for three years and we regret to lose him from our town and neighborhood. His successor is expected to be Mr. Robt. Dezell of Tara.

A SOLAR PHENOMENON.—Monday last about sunset an extraordinary brilliance suffused the sky in the north west and most of Ontario was bewailing the fate of some town or village north west of them, thinking the radiance was caused by a big fire. It was a freak of old Sol, perhaps some condition of the atmosphere also. Astronomers say the solar flaming atmosphere has been perturbed of late. It was an interesting sight.

The sympathetic strike of many trades in Toronto to assist the metal workers has been declared off, and the metal workers will finish their fight alone. This is a sensible step and will avoid the excesses of Winnipeg. The strike there has broken out in a new place and the railway coal docks at head of the Lakes are tied up by a strike. If the Government would strike the High Cost of Living and profiteers generally, the other strikes would not be in evidence.

Veterans Attend Service

For the first time the local branch of the G. W. V. A. paraded in a body to attend Divine Service on Sunday last in Trinity church. They were 28 strong and listened to a timely and earnest discourse by the Rector from the text "The world by wisdom knoweth not God" and he showed that the Kaiser and his men and methods were a result and not a cause, they had left out of consideration the biggest factor of life that big factor being God. The war, he reasoned, was not a thing of chance, prophecy foretold it, but God had been left out of the calculations. The "big factor" of the Reformation was this cause—the Chosen People, they did not always fear Him who honored them and true he invariably followed, for they interpreted life in terms of materialism. The "big factor" of the Reformation was undoubtedly God and he anxiously asked Will the crushing of the Kaiser make the world safe for democracy? and answered it by saying No if God is left out as the big factor in reconstruction. The great empires of the past knew not God and they passed away.

He warmly welcomed the veterans, and impressed on them that a great work was to be done. The remaking of the world will be largely what the veterans made it, they would do it better if they kept constantly in touch with the big factor, God. He pressed the importance of recognizing this factor in our individual lives, in no other way would the nations come to recognize it.

June Weddings

MUIR—GRANT

A quiet family wedding took place at the home of Mr. and Mrs. C. L. Grant at 1.30 p. m. Tuesday, June 4th, when their youngest daughter, Margaret J. Ceylon, Rev. S. M. Whaley was the officiating minister. Only the close relatives of both parties were present at the ceremony.

A wedding luncheon followed the ceremony after which the young couple left on the afternoon G. T. R. train for a short wedding trip, ere taking up residence on the groom's farm near Ceylon.

The bride is a native of Durham, graduated from Durham school, later going to Toronto and Collegiate and Faculty in Toronto and has always been admired for her many good qualities. For three years she was a successful high school teacher at Beeton and at intervals has relieved on the town high school staff. Needless to say the good wishes of her many friends are warm and sincere in the new role she has assumed.

Many beautiful gifts were bestowed on the bride, among them being a complete set of Community silverware from her sisters and brother Brock. The I. O. D. E. also remembered her as a member of its council with a silver sugar bowl and cream pitcher.

The Review adds its full share of good wishes to the happy couple.

LIVINGSTONE—MARSHALL

A quiet but pretty June wedding was solemnized at high noon on Tuesday at 1.30 p. m. at the home of Mrs. Marshall, Durham, when her second daughter, Zetta became the bride of Mr. Albert Livingstone, son of Mr. and Mrs. Neil Livingstone, Glasgow, Rev. Mr. Whaley, the bride's pastor, the officiating minister.

The bride was given in marriage by her brother-in-law, Mr. Will Heughan, while Miss Ethel Willis of Aban Park, had charge of the wedding music. Miss Irma Heughan made a charming little flower girl.

The bride looked regal in a charming gown of white silk crepe de chene, gracefully draped, with it the customary wedding veil surmounted with orange blossoms. Her going away gown was a suit of fawn shade tulle, the coat having a silk vest and gold braid. With this went a smart blue hat.

After the ceremony the wedding party sat down to a dainty luncheon to which all did justice to, following which the bride donned her travelling attire and the happy couple left in their car on a short honeymoon. The bride was the recipient of many handsome gifts, among them a silver service, a cream pitcher from the I. O. D. E. of which she was a member.

The bride for eight years past has been the obliging clerk in the Post Office and many friends including the Review, join in wishing her and the estimable groom a happy life together. They take up housekeeping on the groom's farm near Townsend's Lake, Glenelg.

WANAMAKER—MCALIFFE

An extremely quiet wedding took place at 6.30 a. m. Monday, 2nd June, at St. Peter's Roman Catholic church, when Miss Margaret Elizabeth (Louretta) McAuliffe, only daughter of Mr. and Mrs. Dan McAuliffe was united in matrimony to the local hydro electrician. Following their fatherly mass was administered by Father Fiabaven, and immediately after a wedding breakfast at the bride's home, the happy couple left by the G. T. R. for London and Port Stanley, where a short honeymoon will be spent. Mr. M. Dan McGrath of Williamsford and Miss Lillie McNamara of Mt. Forest, were the attendants to the bride and groom, and to these the groom gave respectively a pair of gold cuff links and a silver mesh bag. To the bride the groom bestowed a beautiful rosary of pearls.

The bride was attractively attired in a navy blue serge suit with grey trimmings and a white georgette waist. A chic hat and shoes to match went with the costume and a corsage bouquet was also worn.

The young couple are well and favorably known in town and the best wishes of hosts of friends go with them for a long and happy life together. A reception is to be tendered them at the home of the

bride's parents on their arrival home Thursday evening. The young couple will for the summer make their home with Mr. and Mrs. McAuliffe.

After 10 days of intense heat with thermometer in the 90's a refreshing shower is falling to-day.

BUSINESS SOLD.—Mr. Finlay Graham of the Central Drug store has sold his business to Mr. Stanley McBeth, of Toronto, and stocktaking will begin on Monday. We are sorry to lose Mr. Graham for he has shown good business instinct, but we welcome his successor who has ample experience.

Robt J. Ball, M. P. and Col. Hugh Clark, M. P., voted against the Nickle resolution to abolish titles which was carried on a division of more than two to one. Possibly they were looking forward to the time when it would be Sir Hugh and Sir Robert, perhaps Baron Ball of Halloway and the Knight of Kincardine. —Enterprise

ELECTRIC COOKING—A demonstration of electrical goods—stoves, irons, toasters, grills, vacuum sweepers, etc. was held in the Library last week end by the Hydro Electric and favorably impressed many visitors with the simplicity, comfort and cleanliness of electricity as a means of householding. Some tasty cakes and tarts baked on the stoves, these were passed out as samples of their work and a number of sales were made.

Chesley had the biggest crowd in its history on Tuesday: 10000 people in town \$3500 in gate receipts five churches catering to feed the crowds and making from \$300 to \$800. An aeroplane carrying a novice head giving 10 minute rides at \$1 a minute, Premier Hearst, present, 500 ree turned soldiers, for whom the reunion was planned, a warm welcome to all by the Mayor and County Warden and much else. It was some day—and night.

Durham with its live G. W. V. A. and active I. O. D. E. will try to duplicate this success on July 1. Keep that day clear, keep to the right with your car, and don't try to park it on front street.

Harold enlisted in the 147th batt. in December 1915 going overseas the following November.
