IN MEMORIAM

In loving memory of Henry J. Diebel who departed this life June 1st 1918.

The days have passed and one by one, Have made a year this June Since Henry dear was called away

Unto his better home. A husband true, a father kind

A to both kind and true. Another dear, we loved him so

As only we can do. No more we see his smiling face

Or hear his pleasant voice. No more we clasp his kindly hand

Or share with him his joys. For now he dwells in Heaven

And although our hearts are sore. We would not call him back again

For sin can never harm him more. He is gone but not forgotten.

Never more on earth we'll meet. Not on earth but up in Heaven

There we'll meet him, there we'll greet him

In the future bye and bye. Where no tears we shed forever

And we'll never say good-bye.

Wife and children, Father, Mother, Brothers and Sister.

How Can I Save With Profit?

Many wage-earners are asking themselves this question. They do not want to put a quarter in the bank at a time, and before they know it, it is gone for trifles.

The Government has provided a simple plan to enable you to save that quarter in such a way that it will earn you more money.

Twenty-five cents buys a Thrift Stamp. Sixteen Thrift Stamps become a War Savings Stamp, for which the Government will pay you \$5.00 in 1924.

If you lend the Government your savings in this way, you can make your money earn over 4 1/2% compound interest as often as you save \$4.00 odd.

This is not only easy and profitable investment, but patriotic investment, because the Government needs money for the heavy financing of the reconstruction period.

Make Your Savings Serve You and Serve Your Country—Invest Them in War Savings Stamps.
