----A South Pole Expedition.

Details are published concerning another expeditioin to the South Pole. It will be known as the "British Imperial Antarctic Expedition," its leader being Mr. John L. Cope, F.R.G.S. Mr. Cope accompanied the Imperial Trans-Antarctic Expedition, 1914-17, as surgeon and biologist to the Ross Sea Party. Arrangements are so far advanced that the expedition will be able to leave Britain in June, 1920, and return in 1926. During the six years' interval continuous communieation will be maintained with the centres of civilization by means of wire:less equipment which would be carried by the expedition.

The music at Irish wakes was originally for the purpose of driving
