JOS. CAIN RETURNED.—Pte Jos Cain formerly of the C. P. R. staff here returned from overseas Monday last week and spent from Wednesday to Monday with Durham friends. He enlisted about three years ago in London with the Engineers and saw many months of arduous service. He was once slightly wounded and twice lightly gassed, but facilitated his discharge. He expects soon to claim to a pension as he expects soon to be entirely free from the effects of the gas. Joe is looking robust as ever, and will be back to Durham next week to resume his former position at the C. P. R. station.

Placed to have a call from Mr. Jno. Aldred of Ceylon, Sask., who has been visiting his sister, Mrs. J. W. Blyth, and other relatives and friends in the district that knew him so well until 14 years ago, when he went west. He is an interesting exponent of the value of church union, as it has developed in many parts of Sask. His visit now was occasioned by him being appointed a Commissioner to attend the recent General Assembly of the Presbyterian church in Hamilton, a long distance from the days when he was the standby of the little Methodist Mission at Varney in which he did work perhaps not second in importance to that of his now wider field. As he sees it, the problem of ministerial supply is to have more, and still more union of Protestant denominations.

Church Re-opening
Capt. (Rev.) Christie Will Conduct Services

Mr. Vanderfeen, Church decorator, has completed his contract in Durham Presbyterian Church, and the effect is certainly most pleasing and artistic.

After six weeks' exclusion while the work was in progress, the congregation will assemble Sunday at usual hours in the renovated edifice and after the eye has been satisfied and gratified will take earnest part in services conducted by Rev. Capt. Christie, of Chalmers' Church, Woodstock, who spent three or four strenuous years at the front in Chaplain service. Mr. Christie has been a growing power in Woodstock as a minister of the gospel, and with much war experience, will be an inspiration to listen to.

Abundance of fine music was supplied by the three bands, Hanover, Swinton Park and Durham. The visitors won many compliments and the S. P. Pipers made a decided hit.

THE BOOTHS
The heat of an ideal July day made the demand for ice cream. Though this had been anticipated the large supplies laid in were exhausted before night and other refreshments except bananas was in the same condition. The booth takings amounted in all to \$691, which added to the \$1650.85 at the gate, made a total of \$2342, the largest sum ever taken in at a Durham Demonstration.

THE RINK
In the evening the Rink presented a gala appearance on entering when the "Fair of the Allied Nations" took place. The booths of each respective country were well carried out and showed the result of much preparation and work. Various side-shows did a rushing business and at the close of the evening, the sum of about \$400 was netted, which after expenses are paid, is divided equally between the I. O. O. E. and War Veterans under whose auspices it was given.

Though not a delegate we had the privilege of attending the Convention in Toronto last week, the outstanding feature of which was the selection of a Provincial Liberal Leader, held since the retirement of N. W. Rowell by Wm. Proudfoot K. C.

The decision was given in no uncertain tone by the selection of Harry Dewart, M. P. P., his nearest opponent being Maj. O. Toimie followed by Ed. O'Connell, Proudfoot last with 23 votes, Dewart 188. Dewart won a Toronto seat with a tory majority of 4000. He had the support of the liquor party, strong in the Riding, but they were at that time in a pout with the government, and to spite them voted Dewart as a punishment. In spite of this there is no reason to think that Mr. Dewart will not stand loyally by the temperance plank in the Liberal platform, a platform adopted before the Leader was chosen.

Mr. Dewart made a record in the nicker investigations bringing to light much that had been hidden. Latterly he has been

G. W. V. A. Celebration Drew Big Crowd

The 52nd Anniversary of Dominion Day was favored by the very best of weather. The G. W. V. A. celebration here was very successful, about four thousand being on the grounds, and on the whole had a good time, most of the program being carried out.

The disappointment of the day was the wrecking of the aeroplane the evening previous. Mr. Wright, the man in charge, came up on Monday in an 8-cylinder bi-plane, and was generous in exhibition work over the town and a by country. He rose dipped circles, &c, with the machine under perfect control and the most deft, and some other casualties. All day Tuesday the machine, a two seater, was an object of much interest to hundreds of spectators. An attempt was made to secure another one from Toronto for Tuesday, but was unsuccessful. It was the misfortune, not that of the G. W. V. A. that the great attraction was not put on.

OTHER FEATURES
BASEBALL
A very interesting game of baseball Markdale v Durham, was a feature of the afternoon. The play occasionally was brilliant, and the visitors ran off with the honors 12 to 3.

WIRE WALKING
An Owen Sound artist named Huff performed on a slack wire, without the aid of balancing pole and did some very good stunts. Most rovides would have preferred a taut wire to that jiggly thing.

BASKET BALL
Played between the young ladies of Form II and Form III of the High School was a novelty to most of the crowd and was enjoyed. Form II won 4 to 0.

HORSE RACING
The 250 race was contested by "Kelly" Lyons of Hanover with "Oliver S.", Jno. H. Hunter with his "Sidney H.", and Chas. Allen with "Avenue Boy." Three heats decided the winner to be Lyons through out the race.

The matched race between farmers' horses was won by Robt. Wilson. Arch Allan being a close second and Fred Staples third.

FOOT RACES
The 100 yds. dash was won by Cliff Buschlen, with J. Kearns at his heels, and in the mile race Alex Bell was an easy winner with a good lead, the tussle for 2nd place being the most interesting part of the race, Buschlen winning narrowly from Roy Dickson.

SHAM BATTLE
About two dozen of the returned soldiers with rifles formed themselves into attacking and defending parties, and aided by some bursting rockets to imitate exploding shells, gave a mimic display of modern warfare, going over the top, advancing a stage, squating, and up and 'em again, till the enemy yelled "Kamerad."

MUSIC
Abundance of fine music was supplied by the three bands, Hanover, Swinton Park and Durham. The visitors won many compliments and the S. P. Pipers made a decided hit.
