Messrs John Mills, John Grierson, and Derby (Bentick) John Stonehouse (Glenelg) S. F. Morlock, Rev. Mr. Hardy-Jas Brown, and Hunter, Thos Harrison, Jr., John D. Drimmie, Geo Aitkens Wm. Wilson, (Egremont) are recent purchasers of new Ford cars, and Dr. Sneath, Dromore has bought a Britco.

BUSINESS CHANGE—Mr. Shirley McIntyre as will be seen, has sold his hardware business to his brother Albie, who takes possession in a week or two following a genuine business-transfer sale being put on by the present proprietor. Both brothers are good business men and we wish Durham could furnish scope for the activities of both.

BARN WAS IN DANGER—Mr. Thos McAllister's barn on 3rd con. Normanby, was one day last week in grave danger from fire. Mr and Mrs McAllister are yet in the West and at the time the two boys were also absent at a neighbor's. Some hot ashes had been emptied on a manure pile near the barn, and some time later Miss Mary McAllister noticed it in flames. She called her sister Mrs. Hoy and phoned for her brothers, but before either aid was on hand, the young ladies had it extinguished. With five minutes more start the barn would have been doomed.

IMPROVING THE STREETS—The Town Council is spending \$1000 to improve the roads within the Corporation this summer and already some of its benefits are manifest. Lambton st, east has been partially graded and gravelled, also a section of front st just south of the cement plant. The Durham road west from the old creamery has been graded and rounded off and the grader is now at work on main street in upper town. Council for Murdoch is in charge of the work. A new sidewalk will be built across the gully on Durham Road east, commencing next week, and retaining walls built at sides of the Durham hill. Mr Hugh McDonald has the contract for building a retaining wall between D. C. Town's store and the bridge and is now in the midst of it. A concrete wall will be laid there later.

RE-OPENING SERVICES—Large congregations assembled in the Presbyterian church, Sunday, to recognize the re-opening after 6 weeks absence during the re-decoration of auditorium and basement. There were critics of course, but the general feeling was one of pleasure at the chaste and pleasing environment.

Rev. (Capt.) Christie, of Woodstock was the preacher and had an earnest gospel message both morning and evening. His tongue still has the flavor of the heather and his theme loses nothing for lack of fluency and pulpit charm.

In the evening he spoke from Rom. 1: 16, "I am not ashamed of the Gospel of Christ." Paul's ringing declaration. There were many reasons at that time why the gospel should not be accepted freely, and he drew these reasons from a contrast between Paul's life before and after the Damascus incident. The meeting with Artus was the secret of the great change, and to-day as then we get the enthusiasm of Paul, by the same process—meeting with Jesus. Religion was too often a formal thing, of church goings, communions, births or deaths, all taken as things of course. There was a power in the gospel to turn Paul from a persecutor to an earnest follower who was not ashamed to embrace what he had formerly embattled. He was well read in the bible, and as he looked back through prophets, historians, patriarchs, &c, to the predictions of a coming Saviour, his new light forbade being ashamed.

He drew a graphic picture of the degraded Rome of that day, but the powers of the gospel over-matched the powers of sin, and in this there was nothing to be ashamed of.

We need an energized Christian church on the Pauline model. Our problems are not less than those which faced him. There was need for enthusiasm to achieve the aims of the great Forward Movement. Too often we act as if ashamed of it. —a

A carload of Ontario Cedar Shingles expected to arrive Wednesday. J. N. Murdock.

Durham lacrosse team won an exhibition game in Markdale last week by 7-4 from the home team.

INJURED ANKLE—Miss Marion Marshall, who has been teaching in Collingwood township, met with a painful accident at close of school. While on a swing at her own picnic, a rope broke, and coming down violently struck on her ankle, a bone of which is broken. She was brought by car on Sunday to her mother's home here, and will we hope recover speedily and enjoy her holiday.

FLUME COLLAPSED—With a roar like thunder, the flume leading to McGowan's grist mill, collapsed last Thursday morning about 4 o'clock, due to the underpinning giving way. It is a serious loss to Mr John McGowan as operations at the mill are temporarily halted for a few weeks or a couple months until a new flume is built, and some of the trade must necessarily go out of town. We are pleased to know the owners, the McGowan Estate purpose rebuilding a flume at once and trust that the set back will be brief.

RUNAWAY MADE A STIR—When a wheel came off the buggy in front of Robt Lawson's about 9 o'clock Monday night, R. Noble's horse bolted and threw the driver, Walter Clark, out unhurt. The excited animal dashed alongside the fence with the buggy in its wake south right on to the granolithic walk at the northern town limits thence straight down the west sidewalk through upper town to the top of the hill, with sparks flying and occasionally bumping the buggy against a post. At top of hill it turned west to Bruce st. thence north to the Durham road and past the Durham cemetery before it was halted by Earl McDonald, who was meeting it in his car. The horse suffered some bleeding hoofs against a post. Handsomed Medals For Bentick Soldiers

Presented by the Township at Picnic in Allan Park Grove

All corners and concessions of Bentick were well represented at their township picnic held last Friday in Brigham's pretty park at Allan Park, to honor the soldiers from the township, both those who gave their lives on the battlefield and those returned. The crowd was estimated at from 1500 to 2000, and autos and rigs lined field and grove on every side. Though the weather was very hot, the shady grove afforded a good measure of comfort, and the sociability of Bentick's citizens was everywhere evident. It is an ideal picnic grounds, with river alongside, and swings, cook house, etc, among the trees. Altogether the day was a grand success.

The event of the day was of course the presentation of the handsome gold medals. To the parents of the eight soldiers killed in action, medals somewhat oval-shaped were given, with the inscription "Pte. —, killed in action" on one side, and on reverse, "Presented to —". The eight who made the great sacrifice were:

S. Willis C. Clark W. J. Hopkins
J. Coultts H.D. Ervin R. Putherbough
E. Vollett W. Turner

Fifty-six Bentick boys have returned, or soon will, and many of these were present when called upon to receive their medal.

The returned boys are:
D. Conroy G. Adlam M. Hamilton
G. H. Schillemore J. Wright
T. Bradley J. Copp W. Edge
H. Wright M. Bailey W. Heslett
H. Dodsworth A. S. Switzer E. Wells

J. A. Post J. W. Blake V. Scheurman
W. Baker T. Willoughby W. Tulloch
R. Schillemore W. Bailey W. Smith
J. Langrill G. Bovingdon C. Pratt

P. McDonald D. Irvin A. Schultz
N. Grierson J. Derby H. Diebel
F. Corbett J. McMahon L. Mount-ain
H. Caswell W. Knisley N. Walker
H. Schuknecht

The presentation was made by Reeva Metcalfe, who also read the following address:

To the Boys who enlisted from Bentick Township:
Dear Friends:
The Council and citizens of the Township of Bentick desire to express to you their deep appreciation of the great service you have rendered to our King and Country by enlisting as soldiers and going overseas to join the army of Great Britain and France to fight for right and justice.

We at home can never fully realize the awful horrors of this great war, but we do know that you have suffered and sacrificed much in defence of home and fire-side. We know by your brave spirit and patriotic action you cheerfully did your duty. We honor you and are proud of your faithful service and of all other brave Canadians who have given their all in this great struggle in defence of those principles of right and justice which we all hold so dear.

We can never repay you for the great suffering and anguish you have passed through on the field of battle fighting in defence of not only British freedom but the world's freedom, justice and humanity. We know that by your brave spirit and noble duty well done, along with that of other brave Canadians, Canada and our Empire have come out of this great struggle victorious and recognized as the saviours of the world's peace.

We trust that God who took you to the mouth of Hell and, in His mercy, brought you back, may spare you to a long and useful life.

To express our heartfeltness and appreciation in some slight way, we ask you to accept these medals as a small token of our love and esteem, knowing as we do, that your name will go down in history as one of Canada's brave defenders.

Signed on behalf of the Council and citizens of the Tp. of Bentick,
Henry Metcalfe, Reeve,
J. H. Chittick, Clerk.

During the afternoon some splendid addresses were heard. Warden John McQuaker of Owen Sound, spoke on behalf of the County; S. L. Squire, President of the Canadian Good Roads Association, Dr. Jamieson, M. P. P. and Dr. Taylor, Hanover, were other speakers who held close attention. Interspersed with the addresses were songs by Miss Switzer and Councillors Hewitson and Hudson.

The ladies provided an abundant supper, and even when the large crowd had been fully satisfied there was much to spare.

Following lunch, the baseball field alongside R. Brigham's house was the next place of interest. Hanover team played a 7 inning game with a fifty-fifty Durham-Hutton Hill team, the latter scoring 20 runs to 11. The Durham-H. line-up was: Jim Langrill, pitcher; N. Zimmer, catcher; Jack Grierson, Jack Petty, D. C. Town, Cam. McLaughlan, Geo. Langrill, Ernie McDonald.

Not a little grumbling is taking place this week because the public school promotion results are published alphabetically instead of in order of merit as it has been hitherto. The wee tots who passed well up but whose names begin with say "T" or "Y" feel they have a grievance.

A FINE GIFT—Chesley Demonstration Committee are donating \$2500 of their receipts towards the memorial monument to be erected in that town to fallen soldiers. Red Cross workers give another \$1000, so with this start the objective of a \$1500.00 monument should be reached with ease.

Our thanks are due Mr. John L. McKinnon, B. A., son of Mrs John McKinnon, Priceville, and one of the teaching staff of Saskatoon Collegiate Institute, for a copy of "The Collegiate Hermes," a magazine published by the Literary Society, which must be near to students for its quips, illustrations, etc.

Monster Returned Soldiers' Garden Party for Grey Co will be held at Edgemoor on July 17th in the Hydro Park. Dinner and supper served on grounds. All returned soldiers of Grey Co. to be served dinner and supper free. Baseball tournament, 4 teams playing a winning team playing for prize for \$25. Grand concert in evening; brass band, highland pipe and juvenile Harry Lauder, Foran, etc. Proceeds of day to be devoted to a memorial fund.

BAND DISSOLVED—The Durham band is no longer a band of players. Last Friday the members disbanded on account of insufficient strength to fill in all the parts, and lack of adequate financial support. Like any other organization, the band requires cash to keep it going, and no definite income is now available. If any business or industry in town require workmen, would secure banishment at all possible cost, would naturally assist its playing strength. Our boys have been practicing faithfully and the nucleus of a splendid band is always available, should any real encouragement offer. Let council and citizens take an interest in the band and endeavor to make it a live organization, for a town to do without a band is taking a backward step.
