## TOWN TOPICS

A branch of the G. W. V. A. has just been organized in Markdale.

Business Baseball Club intend holding their 5th annual picnic on Aug. 14th, on their old grounds, at Mr. Jno. G. Beaton's grove. See bills for particulars.

The South Bruce Liberal Convention was held at Formosa, Tuesday, July 15, when Mr. Frank Rennie of Walkerton, was nominated as next Liberal standard bearer for the Legislature.

Mr. Wm. Calder was taken suddenly ill on Monday last, and is yet in a very critical state. We hope his prostration may prove but temporary and that his most useful life will long be spared to home, church, town and country.

NO SUNDAY FUNERALS.—The Mount Forest Cemetery Board has decided to enforce a by-law that is already on their minutes that their shall be in future no Sunday interments in the cemetery, except in case of necessity. This is a proper and reasonable regulation.

FOR SALE.—House and lot, 1 acre land barn and coal sheds, on Garafaxa street opposite cement office. This comfortable little home will be sold at a bargain if sold at once as I am leaving town. \$300 unfurnished or \$375 furnished.

Mr. and Mrs. Margaret Murdock, Box 65, Durham, Ont.

The funeral service of the late Mrs. J. M. Grieve Spokane, Wash., was held in the Presbyterian Church on Monday and interred in Durham cemetery. Rev. S. M. Whaley had charge of the service. Word was received Friday by Mr. Kress that the body was to arrive the following day, accompanied by the deceased's mother, Mrs. H. Arrowsmith, who it will be remembered, had about eight months ago reached her daughter's home only a few days previous to her death. Since that time the remains were interred at Spokane in a vault, while Mrs. Arrowsmith had the ends of her estate gathered together and completed. Mrs. Grieve was well known here, admired for her many good qualities and her mother has the sympathy of Durham friends in being bereft of an attached daughter.

**RECONSTRUCTION** is the order of the day. If you have formed the Savings habit you are prepared to meet its opportunities; if not, reconstruct your methods and begin today. We have a Savings Department at every Branch.

## DOMINION LIGHTNING RODS

THE ORIGINAL PATENT SPIRAL FLAT-STRIP COPPER CABLE

In Ontario, fires caused by lightning during April and May of last year resulted in the loss of about \$160,000,00 worth of farm products and buildings.

There is abundant evidence that such fires could be largely avoided by protecting all farm buildings with a good system of lightning rods.

Reports of Rural Insurance Companies show that properly designed and installed systems of lightning rods afford absolute immunity from injury by lightning, and some companies will not insure a building that is not adequately rod-ded.

Dominion Spiral Flat-Strip Copper Cable is unparalleled in perfection of design and efficiency.

Maid wanted for general housework. Apply to Mrs. W. Calder.

At a recent meeting of Durham Public School Trustees, the salary of Principal Morton was raised from \$1000 to \$1100 and that of his assistants a raise of \$50 each.

The Durham Road over the gully east of main street is again open for traffic. The road has been repaired, and a new board sidewalk laid on poles placed across and under the road. Ferg Watson had the contract and has made a good job.

UNION SERVICES.—Beginning on Sunday next, Durham Baptists and Presbyterians will have union services. Rev. Mr. Whaley is taking his holidays first. Rev. Mr. McEwen will conduct the first morning service in the Presbyterian Ch., at 11 a. m., evening in Baptist ch. We are not sure of subsequent arrangements.

Nursing Sister Lizzie McDougall, daughter of Mr. Dan McDougall, arrived at her home in Winnipeg, Alberta, last week from overseas. She saw service on three fronts, at Salonika, in Egypt, and in France, and was on duty at Douliens hospital in France, when it was bombed. She expects to return East this fall to visit South Grey friends.

Mr. and Mrs. Jas. Lloyd were pleased to welcome home last week, their daughter, Nursing Sister Edith Lloyd, after an extended and varied experience in England and on the Western front. For some time in France she was up to the front line dressing stations, and on different occasions met Durham soldiers, going on or off duty. She volunteered early in the war, was overseas in 1916, and is the second member of the four in their family to return home. She is the last of the five nurses, old Durham girls to return. Her brother George is still receiving hospital treatment in Toronto, while her brother Jas. is still overseas.

The Anglican Church was a crowded church on Sunday morning last when Confirmation Services were held and Bishop Williams of London the speaker. The Bishop fills a large place in the Diocese and as well as being a forceful speaker is a man of great executive ability in the business channels of the church. From Durham on Sunday the Bishop went on to Markdale for an afternoon Confirmation class and to Owen Sound for the evening service. He took his text from 1st Timothy 6: 12 where St. Paul sets forth the duties and obligations of the Christian. There was one of the largest classes of candidates, prepared by the rector, Rev. Mr. Hardy, that the church has yet had—twenty five, and about equally divided as to sex. These candidates in pairs and the girls in white went before the Bishop who invoked the Almighty's blessing upon them. Another feature of the service was the dedication of an altar desk in memory of the late William Cecil Davis of the 147th batt., who was killed at Passchendaele. Mr. J. L. Steadman sang a solo acceptably at the service. The church also is receiving a handsome gift from Mr. W. K. Young of Chicago, a former Durhamite, but still a staunch friend of the church here, in the form of a pipe organ and will also defray the expense of installation. The Anglican body have been very energetic of late in every line of improvement and this last "lift" is deeply appreciated and worthy of the giver.

**Priceville will Erect Monument**  
In honor of the gallant soldier sons of Priceville and vicinity who fell in the great war, the citizens of that district at a meeting in Priceville last Wednesday, decided to build a monument to their memory. It will be placed in front of the Presbyterian Church, a most commanding and desirable situation. Enquiries are being made from four firms of dealers in monuments as to kinds they can supply with prices and a selection will be made later. Nearly \$2500 has already been subscribed to its cost, and most probably only the names of the fallen will be inscribed on it.

**WILL ERECT A MONUMENT**—At a gathering of the parents and other relatives of the boys in this locality who fell in the great war, the erection of a monument in Durham was decided upon, a bronze one if funds are available, to commemorate their sacrifice. A subscription list is now in circulation, and any person wishing to make a contribution to this fund, will kindly forward same to Mr. W. Calder, who is acting as Secy.-Treas. Mr. Calder purposed having a letter regarding this action published this week, but owing to his critical condition of health, has not been able to write it. Should his health be sufficiently improved, it will appear next week.

**ALARM SOUNDED, FIRE NIPPED**—During Monday afternoon's electrical and rain storm, the factory whistle and church bell sounded the fire alarm. The lightning had been very close and one bolt struck the south end of Mr. Guy Kearney's stable, splintering a board or two and setting it alight. Some bags stuffed in beside the studding also commenced to burn, but it was quickly noticed by Bert Willis who was passing and Wm. Jacques at the Baptist sabbles nearby. The fire was extinguished with very little damage and the driver of the fire team notified it was unnecessary to pull out the engine. The firemen were ready on the job if anything serious had occurred.

Referendum activity is beginning to assert itself. Capt. Harper, a returned soldier and G. W. M. A. member, is the Provincial Organizer for Grey, Simcoe and Dufferin counties, was in town on Wednesday and met with members of the executive of the South Grey branch of the Referendum committee to formulate plans. He will be here again to address a meeting next Wednesday evening in the Baptist church, for the purpose of appointing captains and teams for the three wards in the township. Polling sub-divisions 1, 2 and 4, Glenelg township. A full attendance, men and women, is requested at 7.30 p.m., sharp, to accommodate Capt. Harper, who has to reach another point same evening.

## Wm. Umbach Killed at Aytton

In a fracas outside the Commercial Hotel, Aytton, on Wednesday, William Umbach, a well-known Normanby citizen and former Dep.-Reeve, was struck with stones and afterwards dealt a blow with a cane by Neill Coult, a cattle-buyer, and died five minutes afterwards.

The fatality was most unfortunate, as Coult had no deep-seated malice nor intention of seriously injuring his victim and probably did it in a burst of temper. It seems Umbach had previously annoyed him during the day at a cattle sale, and they had had a dispute at the station. No one appears to have seen the sad affair or know just how it occurred. Good people mourn and Coroner's inquest is being held this Thursday morning, when more details will be forthcoming and the jury will give their verdict. Coult is now under arrest.

## Meeting Favored Memorial Hall

A public meeting to discuss the erection of a Memorial Hall in Durham, called by the Mayor and G. W. V. A. for Tuesday night, was simply attended only 40 persons being present. The War Veterans are strongly in favor of a hall as a town memorial and recently voted \$800 of the surplus of the 1st July celebration to a fund for the erection of a hall. Mr. Irwin who presided, called for expressions of opinion on the question and almost all present favored the hall proposition. A show of hands revealed 23 who desired the hall, 3 a monument, and 2 favored a hospital. The meeting was not however representative of the town and no energetic action is taken until a more general verdict is obtained. We would suggest a vote on the matter at the January municipal election as apparently as good turn out at a meeting cannot be secured.

Mr. W. E. Tauley, Secy. of the Ontario Command, G. W. V. A. was present and delivered a forcible address on the aims and objects of the Association. They were now over 400 branches in Canada first started in 1917 in Winnipeg, and Toronto, and it was the strongest organization of its kind in the world. They were organized first for protective purposes, to secure for all returned soldiers their rights. An old soldier hero of his in England had died in the poorhouse, 20 surviving heroes of the famous "Charge of the Light Brigade" had died some years ago in London, England, and 11 of these came from the poorhouse to attend.

The G. W. V. A. had secured post-discharge pay here for soldiers, afterwards was gratuity. They were first to urge the Govt. that disabled soldiers be employed in some suitable occupation, and they were foremost in securing state-aided housing accommodation. The Govt. had voted \$25,000,000 to build homes at cost for workmen. The Govt. had promised the next fifty years the returned men would exercise a strong influence in the government of Canada.

At Hanover G. W. V. A. celebration last Saturday, the returned soldiers of that town were each presented with \$10 gold pieces.

We omitted to mention last week the arrival of Ptes. Chas. Havens and Norman McDonald, both members of the 147th batt.

Mr. Bert Willis, we understand has been appointed to the position of Chief Enumerator for South Grey in connection with the making up the lists for the Referendum vote to be taken this fall. There will be one enumerator for every polling sub-division, whose duty will be to collate the names of all returned soldiers, all women, married or single, over 21, being British subjects and residents here for three months. Mr. Willis, himself a returned soldier, has a big job ahead of him but he will without doubt, prove equal to it.

**ORANGEMEN AT CHURCH**  
A stalwart body of men were the 90 from the Durham and surrounding Orange lodges who filled the centre front pews at the Presbyterian Church Sunday morning. Rev. S. M. Whaley, the pastor delivered an able sermon, one full of inspiration to the brethren, in which he analysed the work and constitution of the order and undertook to ascertain why the order should exist. First it was entitled to live and to be loyally supported for its philanthropic work, especially shown in the maintenance of their fine orphanage at Picton, Prince Edward Co. The Orange constitution was to be commended, its being lived up to would produce the finest type of citizenship and the principle of "Equal rights to all" should be maintained throughout our country. Lastly he implored the Christian obligations of the Order, pointing out that all true members were followers of Christ, and should be enrolled with a Christian church. The members present donated a special collection to the pastor, of which he thanked Rev. Mr. Whaley for his excellent discourse on Sunday morning, to the managers of the Presbyterian Church for their courtesy, and also to the choir for the splendid services rendered.

**Card of Thanks**  
The brethren of Durham District L. O. L. desire to tender a hearty vote of thanks to Rev. Mr. Whaley for his excellent discourse on Sunday morning, to the managers of the Presbyterian Church for their courtesy, and also to the choir for the splendid services rendered.

The use of the new Presbyterian Hymn book will be commenced in Durham church the first Sunday in September.

A Garden Party in connection with Burns' Church, Rocky Saugeen, will be held at the home of Lachlan McLean, on Wednesday, 30 July. Good program in preparation. Admission and supper 25c and 10c.

**CLERGED UP**—Some time ago it will be remembered a telegram came ordering arrest of Cpl. Geo. Lloyd as "absent without leave." Of course it was a bundle, he then being in hospital, and the local G. W. V. A. took the matter up. Secy, Steadman has received the following letter which explains itself. "I beg to advise that this man's name appeared on the Nominal Roll, of men T. O. S. District Depot, but, he did not report, and no information concerning him was received. In due course this Department was notified by No. 2 District Depot, that he was absent without leave. Inquiries were made in the usual course of events and it was found that he was a patient in hospital. This fact was reported to the District Depot, and all proceedings in that regard, as they have to do, have been advised of the fact. R. M. Miller, Capt. D. A. P. M., for A. P. M., M. D. No. 2."

**Won in Owen Sound 10 to 3**  
Durham lacrosse team took a long step last Saturday toward tying Orangeville for district honors, when they went to Owen Sound and put it over the best team Grey's capital could produce by a 10-3 score. It was O. Sound's fourth defeat and their outlook is bright for six straight in that regard, as they have to do more home games and have yet to play in Durham and Orangeville. Since Orangeville and Hanover won in the Sound, their team was materially strengthened, and the Durhams while quite hopeful, were not over-confident of carrying off the game. However our team was loyally supported and being on a holiday, Peace Day, there were 27 Durham cars in that regard, and the support it received by displaying the best lacrosse played this season. They played a steady effective game and always held the lead. It was only a minute until Durham first scored and quickly added another. Quarter time score was 3-2, half time 10-3, three quarter time 9-2, and full time 10-3. Herb. Henning of Hanover refereed and gave good satisfaction. The teams: Durham—E. McDonald, J. McDonald, B. McDonald, J. McDonald, A. Saunders, Zimmer, Kerr, Mercer, Kelly, M. Saunders Burnside, Falkingham.

**Owen Sound**—Harris, Gilligan, Spreeman, Mitchell, Bowers, Young, Stewart, Ashley, West, Subs, Plante.

**In its report the Owen Sound Advertiser says:**  
The second and third periods were played in this quarter. Lee went in with a nasty bid of securing the ball in midfield which was usually left unguarded by the local team; and they pulled off a four-men attack that kept the defence guessing. Their team work was fine and Harris on goal was a very busy man during the whole quarter. The visitors counted three, while Owen Sound did not register.

**District Lacrosse Standing**
