Only two Harvest Excursions from this section Aug 14 and 21. \$12 to Winnipeg. One-half cent a mile beyond. Come to us for particulars. R. Macfarlane, town agent, C. P. R.

If you have any amount from \$100 up you wish safely invested in good sound bonds, yielding over 6 per cent annually, enquire of P. Ramage at Review office. All enquiries confidential.

U. F. O. CONVENTION.—Persistent rumors of a Convention of this body being held on the 20th August in Durham have reached us, but no official confirmation, consequently anyone interested must make due enquiries.

Having moved I must ask customers to call and receive goods just arrived at parlors upstairs, directly above store. Entrance from front street. Lots of new goods and guaranteed. Spirilla Parlors. Mrs. J. C. Nichol.

North Grey Conservative convention produced a surprise on Tuesday. The sitting member, R. J. Cameron, M. P., was nominated along with four others and led on first ballot. Only Cameron and a farmer named Donald went on second ballot, Donald getting it by 23. Farmers to the front!

Trinity Church held their annual garden party on the Rectory lawn last Thursday and a fair crowd was in attendance. A good time was spent, the main attraction being Hanover Band which furnished a full evening of music. As expenses were heavy there will not be a large surplus.

A bright Durham pupil was Herbert Hannam of Proton, who won a medal here a few years ago. He is now principal of Nottawa Public School and is proving a good teacher as well as a good learner. He had six pupils writing on Entrance, all passed, five with honors, notwithstanding school work was broken into seriously by "flu" and himself in hospital for three weeks with pneumonia.

Again advertising has proved its effectiveness. Mr. Wm. Laidlaw inserted a small local in last week's Review that his Chevrolet car would be for sale Saturday. That morning he sold it to Mr. Stuart Grant of Varney, and afterwards had three or four further enquiries for it. Mr. Laidlaw considers purchasing a Baby Grand Chevrolet, of newest model.

Mr. Robt. McGowan has bought the McKechnie mill and will renovate it at once for gristing and manufacturing purposes. In the meantime he is busy building a coffer dam below the bridge to turn the main stream into the old mill race so as to allow of repairs to the main dam. The town will be glad to see this fine property utilized and will wish the purchaser success.

THE Wm. J. MCGIBB HOME.—Having suffered more severe wounds than perhaps any other Durham boy, Pte W. J. McGibb, son of Mr. and Mrs. T. C. McGibb, arrived home last Friday night, his only permanent disability being the loss of his right eye. Billie enlisted in the 147th Grey batt. in Dec. 1915, going overseas the following November. He crossed over to France in Feb. 1917 and saw active service until June, when he was wounded in the arm and shoulder. He was April 1918 before he was back in the lines again from hospital and on Aug. 28th, near Arras, he was again severely wounded. An explosive bullet tore out his right eye and left a gaping hole, and so critical for a time was his condition that his life was despaired of. After much suffering in English hospitals, he is now glad to be home and among old friends again though somewhat delayed through convalescence. The eye, or rather where it was, is now healed over with a shield covering. Will wishes us to extend his sincere thanks to No. 9 Glenelg Red Cross Society and to the ladies of No. 9 Sewing Circle for his fine medal, donation and other gifts which awaited him. Many friends in his home section and in town are pleased to welcome him back.

LEARN TO SAVE.—Every man, woman and child can save. Every one should save. Every ambitious person does save. The Savings Department of the Standard Bank of Canada affords every facility for aiding you to save.

Union Services will be held next Sunday morning in the Baptist Church and in the evening at 7.30 in the Presbyterian church.

Aug 14 and 21 are the dates for Harvest Excursions to the West this year. See R. Macfarlane, C. P. R. town agent for particulars.

Wanted—Middle aged woman to do light housework. Apply personally to Miss Annie C. McKenzie, Upper Town, Durham.

Congratulations to Miss Hattie Lawrence of Vickers. At her school at Meaford she had five of an Entrance class. All wrote and all passed, one taking honors.

99 MEDALS.—Egremont Council passed an account recently for \$1287 for 99 medals to her soldier sons. One wonders if this is exceeded by any township of similar size.

A Garden Party will be held at Mr. John Milligan's, south line, Bentinck, on Wednesday, August 20th. A good program will be rendered. Lunch served free. Admission 25c and 15c.

A. R. Fawcett, editor of the Burks Falls Arrow, and well known in Fleisherton and neighborhood, died on August 2nd. He was the founder of the Fleisherton Advance and a clever writer. He was about 60 years of age and the loss of a son in the war caused him to mourn deeply.

DOG LOST.—On Aug. 8, a large sheep collie named "Ruff," yellow and white, all clipped but neck and tail, is believed to have been stolen Orange picnic night. Anyone giving valuable information or returning him will be rewarded.

William Watson, (Swinton Park) No. 1 Proton Station

A quiet wedding took place at Simcoe, Ont., Tuesday, when Miss Madeline Darling was united in marriage to E. D. Manning, son of H. Sydney Manning, Forestburg. The ceremony was conducted by Rev. L. E. Foster in the presence of immediate relatives. Miss Helen Forsythe acted as bridesmaid and Mr. Wm Manning was groomsmen. Later Mr. and Mrs. Manning left on the Saginaw trip. They will live in Simcoe on their return.

ELECTRIC STORM DAMAGE.—This Thursday morning occurred a short but sharp storm with heavy rain. Only four crashing peals were heard, and at least two did damage. The fluid entered from the roof of Mr. Thos. Allan's house, and following some piping, broke the plaster in the kitchen and did other slight damage. The top of one of the fine B. C. hydro poles across the road from the Review office was splintered and cracked, and pieces hung 70 feet. Telephone and hydro service were badly disarranged, every transformer in town being temporarily put out of business.

Capt. Harper, official organizer for the Referendum committee was in town on Tuesday and saw completed the organization of the town and wards 1, 2 and 4 of Glenelg. The officials for the town are: Thos. Allan, chairman; Allan Bell, 1st Vice; James McCrae, 2nd Vice; J. M. Glass, Secy-Treas. Captains: West Ward, Dr. Wolfe; East Ward, Jas. Lloyd; N. Ward, John A. Graham; No. 1 Ward, Glenelg, Arthur McClockin; No. 2, Arch Bennett; No. 4, James Ledingham. Women Counsellors: Mrs. McGirr, Mrs. McIlraith, Mrs. Stephens, Mrs. Lloyd, Mrs. Ramage. No. 2 Ward, Miss W. Binie; No. 1, Mrs. John Bell; No. 4 Ward, Mrs. J. M. Glass; Wards 3 and 5 Glenelg are connected with Markdale.

Capt. Richardson Home

Returning Saturday evening with his English bride was Capt. Mitchell Richardson, only son of Mr. and Mrs. Richardson, Lambton St. Capt. Richardson never previously resided here, having been employed in an Owen Sound bank, before enlisting in the 147th batt as Lieut. In England he transferred to the Royal Flying Corps and became an experienced aviator, having nearly two year's service on the Lens front before hostilities closed. He has a flight record of 600 hours as observer and pilot and latterly was flight commander of a formation of 8 machines. His plane was an Armstrong-Whitworth with 160 h p Beardmore engine. Mitchell himself has brought down 3 Hun machines. One of these was when surrounded alone by two enemy formations of 9 and 5 machines. He flew straight for the five, shot down the leader and escaped to his own lines by speeding up to 165 miles per hour. He had many close calls, was once shot down, but guided himself to safety, and was never wounded.

A GOOD SCHOOL

The Hanover Business College, Hanover, Ont., is the fastest growing College in Ontario. Owing to the demands made upon it by ambitious young people, it was necessary for this popular school to remain in session throughout the holidays. The Fall Term commences September 1st and all students entering upon that date will have the advantage of the old rate fees. The Hanover Business College is approved by the Military Authorities in Canada. This means that every returned soldier who is a category man has the privilege of selecting this school in which to take a free Business Education and a six month's living allowance of four hundred and twenty dollars (\$420.00) so generously offered by the Can. Government. Any ambitious young person who cannot find it convenient to enter College may "learn while they earn" by taking advantage of our Home Study Department. The Hanover Business College is affiliated with the Canada Business College, Toronto, and the largest chain of schools in the province. All graduates are assured good positions. Anyone thinking of securing a business education should send a post card for information before making a decision.

Presentation to Principal Allan

At a Notable Reunion of Ex-Teachers and Pupils

Friday evening last a pleasing function was held in the Town Hall, which was of a kind as rare as it was pleasing. It could not be duplicated in this generation.

When Mr. Allan last spring resigned the Principship of the High School, thus giving up the educational leadership he had exercised for the long period of 31 years, it was generally felt that suitable notice should be taken of such a long and worthy career. Accordingly after some preliminary meetings a course of action was decided upon, and a committee appointed to send circulars to all ex-pupils of the school, far and near asking them to co-operate. The response has been enthusiastic, and a purse of \$400 was given to Mr. Allan and a lovely bouquet to Mrs. Allan, as appears below:

Dr. E. Lauder, Cleveland, was intended as Chairman, but was unable to present. The position was well filled by Mr. W. Irwin who had an interesting program placed in his hands. Instrumentals by Miss Rita Irwin, Misses Margaret Hunter and Alice Ramage, and solos by Misses V. Caldwell and Lily Walker were

musical numbers much enjoyed. At an appropriate time Mr. and Mrs. Allan were invited to the platform and along with them went Misses Mary Edge, Agnes Petty and Clara Aljoe and Mr. Ian Campbell.

Mrs. Allan was first called upon, her address was read by Miss Petty, presentation made by Miss Aljoe. Miss Edge read Mr. Allan's, Mr. Campbell presenting the purse. The addresses follow: Dear Mrs. Allan,— Bear with us while we have a word with you before giving your husband his piece of our mind. We recognize his worth as we are sure you have done but it has been often pointed out that the successes of most men have in no small measure been due to the devotion and steady power of a good wife. All of us have been aware of the worthy part you have played in strengthening your husband's career and in appreciation of this we ask your acceptance of this quiet and trust you may long be spared to each other in health and happiness for many years yet and be enabled to render much service to the community. With great sincerity,
The Committee

Orangeville Won the District

By taking the most important game of the season here Friday, by 12 to 7, Orangeville lacrosse team won the proud record of district champions without a loss, and Durham must be content with second place, having won all games except the two with Orangeville.

The visitors victory was not unmerited. They have a well balanced line up, every man has his own goal getting into play to a science. They have defeated senior teams this season by more one-sided scores than that here and look good to be the team to beat for the intermediate flag.

No faster game has been seen here for many moons and the crowd of 1100 or 1200 was evidence of the widespread interest taken. The gate receipts were \$340. There were 93 cars almost surrounding the playing field, besides many others on the hill and over town. Many towns were represented in the crowd. Orangeville sent about 60 cars, St. Marys 4 or 5, O. Sound, Markdale and Hanover about half a dozen each, while Shell and Grand Valley, Dandalk, Mt. Forest, Chesley and Wingham also were represented.

It was superior training, giving most speed and more effective team play that won for the visitors. The game was not by any means one sided however. The Durhams had as much of the play as their opponents but could seldom get in close on the goal, so effectively did the Orangeville defence guard their nets, and almost all long distance shots were intercepted. On the other hand when Orangeville's home had the ball, Durham defence covered their men closely but the visitors often had an extra man in the attack, who several times scored in front of the nets. Orangeville took the first two goals and were ahead 4-2 at quarter time. Durham had the best of the second scoring 2 to 1, and almost pulled even. Orangeville counted 4 to 1 in the third period and 3 to 2 in last. Waghorne and Smith of Toronto, refereed satisfactorily.

BORN

ASHLEY—On Garafra Road, Bentinck, Tuesday, 12th August, to Mr. and Mrs. Alfred Ashley a son.

ways satisfied himself he had ever tried to direct his pupils in right paths.

With so many present and past pupils before him, he gave as a kind of valedictory some cogent thoughts on having an aim in life. He recalled many old pupils who by thus aiming wisely had distinguished themselves in many responsible positions. It was a gratifying thought to him that if their success was due in any measure to his teaching or influence, it was one of the teacher's rewards.

He closed a touching address by again thanking all for the recognition to himself and Mrs. Allan and sat down amid much applause, the whole company assuring him that "this is a jolly good life that nobody can deny," in the usual hearty refrain.

The chairman then at some length reviewed Mr. Allan's remarkable career, as Principal of the Public School, then of Continuation school and latterly High School. Above all his Model school work had been remarkably efficient and he quoted some encomiums given by High School Inspector Tilley and others.

Three returned soldiers, Ernest McGirr, Alex Bell, C. C. Ramage, all ex-pupils, were called upon in turn and paid tribute to their old teacher in friendliest terms, at the same time giving some war experiences. Mr. McGirr, very briefly, in the testimony of respect C. Ramage at more length told of association with Mr. Allan for a long period of years, as a fellow teacher, associated also about 20 years on the vestes Board, where his services were ever valued, associated in church, temperance and Sunday School work and in all aspects he had ever found him worthy of all the encomiums passed upon him.

Dr. J. F. Grant, Treasurer of the Presentation Fund, with Miss Margaret McKenzie had much of the work of the labor of love, gave a synopsis of his experience in receiving many letters from far away ex-pupils, all breathing kindly thoughts to their old teacher, along with contributions. He read a few extracts from some of these which we reproduce briefly.

Over 68 per cent Passed Lower School Exams. Here

Lower School successful candidates were announced Wednesday and Durham teaching staff and pupils are to be congratulated on their good record. 10 wrote and 12 passed in full and 1 (Annie Smith) pa sed in all but arithmetic. The other 12 are: Walter L. Boyce, Jean S. Bradley, Mae Davis, Ward Koch, Harry Kross, Mary Lamb, Sarah McCallum, Bessie Mather, Florabel Nichol, Ross Parke, Marietta Park, Roy Thompson. This is a record of 68 per cent, a splendid showing when the province's average is only 57 per cent, and when the high school had such a broken year through interruption by the flu and changing of teachers through illness.

Present rumors and unofficial opinions cemented the first week in October as the date of the Referendum, possibly also the election. If Premier Hearst combines the two on same day it will be chosen. The result of his temperance promises, but it is very unlikely he will do so. Whatever his backing may be, he is looked upon as personally pro-temperance.

Mr. John Aldred has returned to his western home after spending the summer months with relatives in Durham and vicinity.

Mr. Thos. Allan, Dear Teacher and Friend.— It is with great and unwanted pleasure we meet you and greet you on this occasion. "A reunion of ex-pupils and teachers" was the announced object of this meeting but you must know as perhaps you have seen, that the real object in view was to get close to you once more when you have relinquished your life work, to express to you in a formal but very sincere way our appreciation of your character and of your work in Durham through the long period of thirty years.

Very many of the large number of ex-pupils associated in this movement have long grown to manhood and womanhood, yet among life's cares and duties they responded eagerly,—along with scores of others of a younger sort,—to express their good will to their one-time teacher, with whom was bound up many pleasing associations.

The work you have done in Public, High and Model Schools has always been appreciated. But more even than the work we desire to acknowledge the influence of the impress of your character on us, who, for some time were associated with you in halls of learning. These days are receding but nothing can make us forget the earnestness with which you strove to inculcate into our minds not only the lessons of the text books, but the virtues of diligence, perseverance, reverence and integrity, with a view to the development of fullest manhood and womanhood.

You have been a workman that needeth not to be ashamed, and now in days of more leisure, we wish for you and your worthy helpmeet Mrs. Allan, many years of health and happiness as the evening of life approaches. As a tangible evidence in a small way of the sentiments we have expressed, we ask your acceptance of this purse and close by hoping you will sometimes give a kindly thought to us, who at times were not all we should have been.

On behalf of ex-pupils a list of whom will be furnished you.

Mr. Allan was much affected as he rose to make reply. On behalf of Mrs. Allan and himself he thanked warmly ex-pupils and friends who had so cordially remembered them. In looking over the past years he found much to remember with pleasure and though he had not al-
