NORTH EGREMONT

We were lately shown a fine system of drainage on the farm of Mr Alex Drimmie, Yeovil, where he has some 3 miles of drains dug by the ditching machine of Mr Hunt, Holstein. The approximate cost of ditching and tile will be around \$700.00, yet cheaper than the old system of digging by hand which he had done 7 or 8 years ago, a marked improvement resulting therefrom. A remarkable feature was the even quality of the soil through all the various branches. On some places we know of there would be some half dozen varieties in so many furlongs.

Messrs Ches. Reid and Arthur Backus together with their wives, spent a pleasant evening at the home of Mr and Mrs W. Ramage lately.

Mt. Forest Welcomes Soldiers and Old Boys

Mount Forest, loyal and open-hearted, welcomed back her old boys and girls on Sunday and Monday. Special welcome was extended to the soldier boys from town and vicinity, nearly all of whom have now returned home. Many of these wore their khaki for the day, showing regimental badges, bright colors, numerous service chevrons and honorable wound bars.

One of the most unique features of the celebration was the attendance of forty veterans of the original 1st battalion, from London and Guelph. These had come upon the invitation from Mrs Fred G. Campbell, wife of the late Capt. Campbell V. C. who had lost his life in the famous battle of St. Julien in April 1915. These old soldiers, though many were young in years, had been in Valcartier camp with Capt. Campbell, crossed the sea in the same battalion and fought the Germans, side by side. It was to pay her mark of deep tribute to these former companions of her dead husband, that Mrs Campbell extended the invitation personally to these men. In turn, the soldiers showed their appreciation of her regard by presenting her with a diamond ring. A similar gift was given to Mrs Beecher, the mother of their dead Colonel. Mrs Beecher lives in London but was present for the occasion.

On Sunday at 2 o'clock, a procession of 120 soldiers marched to the cemetery where the decoration of Capt. Campbell's grave took place. Upon the return to the hall a military service was held, conducted by Dean McIntosh of Guelph, assisted by local pastors. In the evening a sacred concert was rendered by the soldiers.

Monday was the day for the principal events. Great disappointment was caused by the non-appearance of the aeroplane which was claimed by the committee, by the aviators breaking their contract. The football game between Glenden and Holstein was won by the latter 1-0. Very spectacular and interesting was the grand parade in the morning. There was much cause for mirth from the calthumpians but a procession of 25 automobiles, highly decorated, brought plaudits from all. Mr Murphy's float, illustrating "Flanders Field" was warmly admired, for it possessed the human touch, showing the poppies, the wounded boy, the wooden cross and the tokens of reverence relating to our dead "over there."

The town showed appreciation of her sons' services by presenting each man with a 10-karat gold medal, finely engraved. There were about 120 of these presented by Col. Pritchard of Fergus.

The lacrosse match between Durham and Hanover was not as fast as majority of games this season, but it was clean and a good exhibition. Durham team had no difficulty in again showing their superiority and won 11-3. Three Saunders brothers and three McDonald's figured in the Durham line up.

Baseball was played between a nine from Dundalk and the home team. It was a close game and kept the spectators interested throughout. Dundalk came out on top 8-6.

Holstein and Orchard football teams wound up the sporting events by a last exhibition of soccer. Holstein won their second game that day by 1-0 score and also a \$15 prize.

The estimated attendance was more than 2000 and the gate proceeds were about \$1000.

Ready for Sept. 16th

The county town is making very elaborate preparations for the reception being tendered to all Grey County soldiers and nursing sisters on Tuesday, Sept. 16th, when 3000 Grey County soldiers who represented this county overseas, are expected to be present and to bring along all their friends and relatives. 15000 people will visit the county town on that date and special arrangements are being made to not only give them the time of their lives but to see that they are properly cared for in every way. Besides a program of sports which includes base ball, foot ball and lacrosse games, there will be an exhibit of war trophies captured from the Germans that is worth driving 100 miles to see. There will be German artillery of various calibres from the pom poms to the big heavy artillery, machine guns and small arms, in fact there will be 2 carloads of the finest trophies taken from the enemy. A community dance will be held on the pavement where massed bands will supply the music. A special concert will be put on by a famous trench concert company in the evening. There will be miles of decorated floats and autos and a grand display of fireworks that will eclipse anything ever attempted in this district. The colors of the 147th battalion will be deposited in the Public Library. A wire was received by Mayor Webster from General Currie, Commander-in-Chief of the Canadian Forces in France, accepting an invitation to be present on that occasion.

Everybody in Grey County is invited to be present and to accept this notice as an invitation. And particularly are the returned men asked to visit the county town on that date. They will be admitted to the grounds and other places of entertainment free of charge.
