The A. Y. P. A. of Trinity Church treated their returned boys, 10 of whom were present to a corn roast in the Church basement on Tuesday evening, where all spent a most enjoyable time. Previous to the feed that evening, the boys were the guests of Rev. F. Hardy, the rector, at the picture show.

WILL SHED IT DOWN.—The post office site north of Hahn House was ploughed up on Wednesday to kill weeds, etc. and after harrowing, Mayor McKechnie who is looking after it for the Govt., intends to seed it down with grass. This will eventually make more of a beauty spot in the business heart of the town.

Pte. D. B. Patterson, Owen Sound's famous humorous entertainer, returned last week from overseas. Pte. Patterson delighted Durham audiences in two appearances here. In London he imbibed many new ideas that will be a treat to home people, and he turned down an offer with one of the leading productions of London.

The High School opened on Tuesday with Principal Hamilton, B. A., and Assistants Miss J. Weir, B. A. and Mrs. Horne, B. A. at their posts. The attendance first day was over 80 with a few more expected. A beginning will be made in taking up 4th Form work, which will accommodate a number who could not leave home to take up the work. We hope this step in advance will meet with the success it deserves. There are now about 95 pupils in attendance, 50 of these in first form.

Pte. JIM LLOYD BACK.—Durham's second last soldier to return arrived last Thursday night, Pte. Jim Lloyd. The last is Pte. Geo. Banks, with his bride, who are expected any day. Pte. Lloyd was the third son enlisted of Mr. and Mrs. Jas. Lloyd, and the fourth in the family, all the others returning before him. Jim enlisted in the 147th batt. nearly four years ago, and has been overseas in England since Nov. 1916. He was transferred to Forestry Corps, and placed on the headquarters staff in London, where he had a responsible position. Though anxious to see service in France like his brothers he never got away from England. He spent a couple days in Toronto last week with his sisters before proceeding home, and is already at work at the Furniture factory here.

SUCCESS and Independence.—Do not depend on what you earn but on what you save. The Standard Bank of Canada can very materially assist you to win success and secure independence.

Owen Sound Fair, Tuesday, Wednesday and Thursday, Sept. 9, 10 and 11 Horse Races Wednesday and Thursday afternoons, also an hour's exhibition of stunt flying by Fraser and White, two well-known aviators both afternoons, auto and aeroplane race, midway attractions, etc.

VETERANS IN NORTH GREY?—North Grey has already two Provincial candidates in the field, A. S. Donald the Conservative, and D. J. Taylor, U. F. O. There are now prospects for a four-cornered fight as the Great War Veterans and Liberals are both considering placing candidates in the running.

The Directors of South Grey Agricultural Society have secured an aeroplane for the benefit and use of their visitors at Fall Fair. It will give an exhibition of stunt flying each day of the fair, besides giving a flight to any one who desires one.

They are also preparing for sports in horse racing and hope to put up a purse that will bring horses from a distance. These alone will make a day worth going to see and with the many other items of interest at the Fair, will make it the biggest day ever held in Durham. Remember the dates Sept. 30 and October 1st, and don't miss it.

WINS A PARIS BRIDE.—Mr. R. Wells Whittaker of Ceylon and well known in Durham where he spent his high school days, arrived at his home from overseas last week, accompanied by his bride, formerly Miss Laura Vandemeghe of Paris, France. Before enlisting in Dec. 1914 in the Medical Service, Mr. Whittaker was taking a course in Medicine at Queen's University, Kingston. He went overseas and served on the staff of No. 7 Can. General Hospital, a unit which did notable work, first in Egypt and latterly at Etaples, France. It was while serving his country here that romance dawned for Wells. Close to Etaples is Paris Plage, a famous French summer resort, a summering place for visitors for the north of France. Mademoiselle Vandemeghe who is the daughter of a wealthy Paris merchant, spent the summers at Paris Plage, and the Canadian soldier soon succumbed to her charms. The marriage was celebrated in Paris on the 12th of July. Mr. Whittaker intends to give up medicine and will enter upon a business career in Paris after their honeymoon in Canada is over.

Back to Old Time Sunday Night

At the monthly town council meeting on Tuesday night, the council unanimously voted, in response to petitions from the Furniture Co. employees and the Cement Co. to change back to standard time in Durham. At midnight Sunday evening next Sept. 7th, the hour will be added, by putting clocks back one hour. Thus schools will open on old time the following day. This is in line with many other places, among them Hanover and Markdale, which towns both changed back last September to old time.

At last Council meeting a by-law was passed, which made it illegal for Mr. N. Harvey to continue his fox ranch within the corporation limits. As he has not yet removed them, the Council passed a motion giving him a month's time to secure other quarters.

Mayor McKechnie had a set-to with Chief G. MacKay, in which he alleged that the constable was not fulfilling his duties with regard to enforcing liquor regulations and asked for his resignation. The Mayor stated a number of complaints had been made by leading citizens, and it was evident liquor was being rather freely used. Mr. MacKay claimed he had seen no persons who were intoxicated, or could find any liquor to be seized but could not be on the streets all the time. The Council took the view that as the Chief had otherwise been doing good work, and no definite charge had been laid by anyone to prove that he was "inefficient" or lax in enforcing the liquor law, that they would take no action.

Accounts were passed amounting to \$480.17 and the Collectors' Roll accepted.

U. F. O. Enter the Lists

Geo. M. Leeson selected by a Rousing Convention

The Town Hall was filled on Friday by nearly 300 representative citizens, including a few ladies, met for the purpose of taking action on political lines. The Convention was called as a combination of U. F. O. and Labor but it was even broader than that, for representation was given to districts in the Riding, not covered by either group, so it was by no means a sectional affair.

Mr. H. Shaw, Artemesia, Co. President of the U. F. O. was in the chair, Mr. M. E. Murray Normanby, was Secy., so east met west. The chairman in stating the object of the meeting asked them to remember they were not the only people on earth, they must be impartial, they wanted the confidence of the masses, must think seriously, act cautiously and carry through what they endorsed.

Reports covering the six townships were given by Murray for Normanby, Neil Calder for Egremont, Arch. Russell for Proton, Jas. Brodie for Glenelg, W. G. Hastie for Bentinck and H. Shaw for Ar-

Geo. M. Leeson

A word as to the personality of the candidate chosen at the Convention on Friday last is in order, as he is not as widely known in the Riding as he will be.

He was born in Ingersoll Ont., and came in early youth with his parents to the farm just west of Varney village, about three miles from Durham. Here he got his primary education and later his introduction to the multifarious work of a South Grey farm. After some years his ambition led him to study. He took a course in High School and in medicine in Indiana, graduated, and for some years had a successful practice there. His health causing him anxiety, he came back to the land 13 years ago, bought the farm he now lives on adjoining Varney and by his industry and diligence has developed into a successful farmer. He and his two sons work 200 acres.

While Mr. Leeson does not profess to be a public speaker, he is abundantly able to give a reason for the hope that is within him. His integrity and good judgment have won for him the high esteem of the U. F. O. membership. The writer has known him for over 20 years and believes that esteem is not misplaced. The honor done him now is a case where the office sought the man, not the man the office.

His mother lives with a daughter in Mt. Forest and five brothers and four sisters will be interested in the outcome of their eldest brother's political plunge.

Mrs. M. Murdoch has purchased the Jane Welsh property in the south end of the town.

TEACHERS DEPART.—Labor Day saw the close of vacation for teachers and the exodus to their several schools. Misses Alethea and Edith Grant, Clara Aljoe and Agnes Petty went to Toronto; Miss Agnes Ramage to Lowbanks, Welland Co.; Miss Sadie McDonald to Shelburne; Misses Janet and Marion Marshall to Zion and Riverview; Miss Grace Petty to Simcoe; Miss Alix Edie to Clifford.

A good sized crowd attended Zion garden party, held at A. G. Blair's last Monday night, and though the evening was rather cool, all apparently enjoyed themselves. With Rev. Mr. Cole in the chair a good and lengthy program was given consisting of addresses by Dr. Jamieson, Messrs R. T. Edwards and Allan Bell, duets by the Cole sisters, solos by Mrs. Thos. Cook and Miss Mamie Haley, along with recitations and other numbers. The gate receipts were \$54.

Mr. B. B. Moore of B. C. came east this week to visit relatives here and in a few weeks will return taking with him his sister-in-law, Mrs. Stephens, whom the town will regret to lose. 50 years ago Mr. M. went west, going by Cape Horn route and engaged in the pioneer life of central B. C. For 20 years he was engaged in the stock business in the Nikola Valley, but for some years has been on a small farm near Victoria, where he indulges in his old hobby poultry raising, though now on an extensive scale. We are pleased to see the years are dealing lightly with Mr. Moore and to have had the privilege of a chat with him.

Notice—Change of Time

In response to petition presented by working men, Durham Council passed a resolution to revert back to Standard time at 12 midnight, Sunday, Sept. 7th. All citizens will govern themselves accordingly.

Miss Glenn of Glenn-Charles, Toronto, Canada's Hair Fashion store, will be in Durham, Tuesday, Sept. 9th, Hahn House with a full line of Ladies' and Gentlemen's Hair Goods. If you are not satisfied with the appearance of your hair consult Miss Glenn who is an authority on Hair Goods and individual Hair styles. Free demonstration.

The Review this week and in coming weeks contains advertisements both for and against the questions to be submitted to the people in the coming Referendum. We are not in the least in sympathy with the Citizens' Liberty League whose message appears on page 5; instead we strongly oppose any slackening of the restraints now placed upon the liquor traffic. We recognize however that the League would possibly have cause for complaint were the public press closed to them, and only the other side of the question allowed to be heard. Open discussion is the better method, and by presenting the views of opponents, temperance advocates may ascertain their arguments, and thus be ready to successfully combat them. Our editorial position is that of uncompromising hostility to the so-called "Liberty League" whose aims, if achieved, would restore the old hateful conditions, and be trumpeted everywhere as a victory for the liquor men. The call to every good citizen is to prevent that by voting four crosses in the "no" column.

Death of Hugh McCormick

At the home of his sister, Mrs. D. McQuarrie, Bentinck, Hugh McCormick of Pittsburgh died on Tuesday morning, aged 54 years, liver trouble being the ailment. He was in good health when he returned to visit brothers and sisters here some four or five weeks ago, and his cheery, off-hand nature was still with him. Hugh was born on the old home farm in centre Bentinck, and left home in early young manhood. He spent his early business years in Toronto and New York and the last ten or twelve years has been a successful commercial traveller in Pittsburgh. A few months ago he spent much time promoting the sale of Liberty bonds, in which he was very successful. He usually spent a couple weeks' vacation each year with the relatives and friends in Durham and Bentinck. As well as taking an active interest in Scottish customs and fetes, Hugh was an ardent patriot, and while honoring the Stars and Stripes in his adopted country, always had a warm spot in his heart for the British flag.

Deceased was the third son of the late Alexander and Mrs. McCormick, his father dying twelve years ago and the mother four. His is the first break in a family of six sons and two daughters, the brothers and sisters being Alex in Sault Ste. Marie now home; Angus at Rocky Saugen; Mrs. Duncan McQuarrie, Bentinck; Donald at Pembine, Wisconsin; Chas. of Woodstock; Archie of Milwaukee and Mrs. Neil Sinclair (Kate) of Sullivan.

The funeral service will be held at Mr. McQuarrie's home at 2 p. m. Friday, Rev. D. Sillars conducting the service. Interment takes place in Rocky Saugen cemetery. The sympathy of town and country friends goes out to the bereaved relatives.
