**The Late Christopher Robertson**

One of the pioneers of Sullivan township, Christopher Robertson, passed away on Sunday at the age of 75 years. The deceased resided about a mile north of Dornoch on the Garafraza Road, and for some time has been a sufferer from cancer.

His life partner and three children survive him—James at home, Mrs Heft and Wm. who also reside in the neighborhood. Mr Robertson was born in Scotland but when quite young his parents emigrated to Grey Co. and he has lived here continuously since. He was ever upright in character, and a consistent member of Latona Church, Dornoch. In politics he was a Liberal. Interment took place on Tuesday afternoon, Rev. D. Sillars conducting the service

**Mrs Elizabeth Lepard Dead**

Mrs. Elizabeth Lepard died July 8 at 9 a. m. at the home of her daughter, Mrs Elizabeth Strong. She was born in Brampton, Canada in the year 1847, and was 72 years four months old at the time of her death.

She leaves to mourn her loss two sisters Mrs. Foot of Prescott, and Mrs Fee of Normanby; a brother, J. Backus of Durham; also five children, John of Onaway, James of Grayling, Hiram of Port Hope, Mrs C. Fletcher and Mrs Strong of West Branch with whom she made her home 20 grandchildren and 11 great-grandchildren.

The funeral was held at her home Thursday afternoon at 1 o'clock, Rev. Priestley officiating, with songs by Mrs B. Sargent. The remains were taken to Brookside cemetery where she was laid to rest beside the remains of her husband, Hiram Lepard, Sr.

**We Make a Charge, Too**

We do not print obituary poetry unless it is paid for at regular advertising rates, so don't go to the bother of copying or composing it unless you wish to pay for having it printed. The doctor, undertaker and nurse all get paid for their services, but the printer is expected to set obituary poetry for the fun of the thing. —EX.

**A SIMPLE METHOD TO REMEDY RHEUMATISM**

AGE DOES NOT INTERFERE IF TREATMENT IS PROPERLY FOLLOWED

Many persons contend that there is no sure remedy for Rheumatism, Sciatica, Neuralgia, Lumbago, Neuritis, or their kindred diseases, but don't be misled. Draw your own conclusions from the proof submitted.

Over two years ago, William Nesbitt, of 113 John St., Toronto, Ontario, was attacked by Rheumatism. Mr. Nesbitt was 53 years of age at the time and he feared the worst. After trying many remedies and prescriptions without obtaining relief he took a friend's advice and used Templeton's Rheumatic Capsules. Result—today Mr. Nesbitt says, "He hasn't lost a day's work since nor fears Rheumatism any more."

Mr. Nesbitt gives the entire credit for his recovery to T.R.C.S. Profit by his experience. Try them.

Ask your Druggist or write us for our new booklet. It is interesting and costs you nothing. (Templeton, 142 King West, Toronto). We mail T.R.C.S.'s anywhere on receipt of \$1.00.

**"A Joan of Arc Machine"**

"SHE withstood everything in the field and above all was, and still is, the last and only car to survive until the cessation of hostilities"—Extract from a letter received by Ford Motor Company from a British Soldier, in Africa.

Over shell-torn roads, through water soaked fields, second only to the tanks in its power to climb debris and crater holes, the Ford car made a world famous record in the fighting area of the great war. In press despatches, in field reports, in letters, in rhyme and song the praises of the Ford were sounded.

- In France - 700 cars out of 1,000 were Fords
- In Italy - 850 cars out of 1,000 were Fords
- In Egypt - 995 cars out of 1,000 were Fords
- In Mesopotamia 890 cars out of 1,000 were Fords

The Ford power plant that established this world-wide record in every theatre of the war remains the same. It will be in the Ford you buy.
