INCREASED EXPRESS RATES.—Effective on Sept. 8th, express rates were increased in some cases by 100 per cent throughout Canada. Coming on top of previous increases it will tend considerably to increasing the cost of living. The increase is made under an order of the Board of Railway Commissioners and is supposed to be justified by the increased cost of conducting the express business. Coupled with the absurd restrictions as to hours of receiving and delivering express it does not tend to increase the popularity of these carrying companies.

HIT BY A BASKETBALL.—Willett Snell, son of Mr. John Snell, lies in St. Joseph's Hospital, London, with a badly injured face and injured eye, being the victim of an accident on Labor Day. Willett, who had been spending the summer months at his uncle's farm at Corunna, near Sarnia, was watching a baseball game and was struck in the face by a hard driven foul drive, injuries being chiefly inflicted in the neighborhood of the eye. He was at once sent to London for Specialist's examination where it is said the condition of the wounded optic is critical. However Dr. Thompson, the specialist has good hopes that his eyesight will not be impaired. Mr. Snell who was in London visiting his son over the week end is hopeful of his complete restoration.

MR. J. GRAHAM REMEMBERED.—On Wednesday afternoon, ratepayers and school children of Rocky Saugeen School section, gathered in the school basement to honor their former teacher, Mr. John A. Graham and to show their appreciation of his splendid services for the past six years. Mr. Duncan McLean, chairman, in a neat speech, explained the cause of gathering and called upon two of the scholars, Violet Noble and Ada Middleton to officiate in reading the address and making the presentation of a fine electric reading lamp, a self filling Swan fountain pen and piece of money. Mr. Graham replied very suitably and was followed by brief remarks from a few ratepayers, visitors and Mr. Jackson, the new teacher who is making a fine start in filling Mr. Graham's place. The address is crowded out this week.

MR. THOS LAUDER'S HOUSE.—An animated scene on Tuesday night when the people of Rocky Saugeen section and a few town friends gathered to honor the son of the house and his bride, who have recently returned from overseas. The homes of the section were well represented and an evening of games, music and dancing, made the night one that will live. During the evening's fun a pause was made to allow Mr. Duncan McLean to make a few remarks and after doing so asked Mrs. Thos. Turnbull and Mrs. Alison Middleton to come forward. These ladies in turn wished to speak to Mr. Thos. Lauder Jr and his bride. Mrs. Turnbull then read the address, bespeaking the section's happiness in "Tommy" and his new station, coupled with wishes for his English bride who was assured would soon learn to like Canada for its own sake. With the address Mrs. Middleton handed them a purse and in it a cheque for \$50 as a small though practical expression of the section's appreciation of his work for his country. "Tommy" made a neat response, thanking them for the gift on behalf of himself and Mrs. Lauder and felt it was easier to face a bunch of Germans in a dugout, than the sea of faces in front of him. A brief program of song and speech followed. Solos were sung by Mrs. W. H. Lauder and Mr. Peter Ramage and pithy speeches by Messrs. John Graham, Harold McKeelnie and C. C. Ramage. The Mr. Arthur family and Mr. Robt. Lawson royally entertained the gathering on the piano and violin at intervals in the evening. Lunch was given about midnight when all took part after which the light far taste was tripped a few hours.

Rev. Arthur J. Orr of Wellandport, has accepted a call to Annan and Daywood churches near Owen Sound, vacated last May when Rev. Mr. Jones accepted the Pricerville call. Rev. Orr is a young married man, and will assume his new charge early in October. The salary is \$1500 with a month's holidays.

WANT THE \$200 GRANT.—Durham branch of the G. W. V. A. along with other branches all through the country, have wired Premier Borden at Ottawa, to consider his decision in refusing to meet the Veterans' Committee to discuss raising the soldiers' gratuity to \$2000. They have also wired our member Mr. R. J. Ball, requesting his attention in their behalf.

TO THE MEN OF THE 17TH BATT.—The Colors of the Battalion are to be deposited in the Public Library, Owen Sound, on Tuesday, September 16, and every member of the Battalion and their friends are cordially invited to be present and take part in the Ceremony. The parade will form up at 10 o'clock sharp at the Y M C A. Permission has been received to wear uniform for the occasion. G. F. McFarland, Lieut.-Col.

WELL DONE DUNDALK.—A meeting of the Riding Temperance executive was held in Durham yesterday and some important steps taken. The Dundalk delegation was the strongest, they are enthusiastic, they passed over \$25 to the campaign fund as a beginning, and brought the cheering news that at a meeting of their G. W. V. A., 27 1/2 attendance, 25 of them are backing the temperance view in the Referendum. We sincerely hope Durham G. W. V. A. can show the same or greater proportion. Stories have been circulated that returned soldiers would vote beer, it looks like a calumny. "Rum in the trenches may be all right" says one. "We don't need beer here." Four crosses in the "No" column, one to each square, less one. This is Ontario's safe guard.

MORE ACCOMMODATION REQUIRED.—So congested is the Primary form in Durham Public School with over 70 little tots on the roll that the Trustees are planning to divide the responsibility and re-advancing for another teacher on the staff. There has been one vacant room in the school since the High School was removed; it will now be utilized and new seats secured. With half the number Miss McMillan will still have an average roomed. The Fourth class have about 35 attendance, while the other rooms have from 40 to 45, so there was no other course open but to secure an additional teacher. In the High School, some similar move may have to be taken. Form III has about 17, Form II 24, Form I is overcrowded with 53 on the roll, and proper seating accommodation is not available.

MR. THOS LAUDER'S HOUSE.—An animated scene on Tuesday night when the people of Rocky Saugeen section and a few town friends gathered to honor the son of the house and his bride, who have recently returned from overseas. The homes of the section were well represented and an evening of games, music and dancing, made the night one that will live. During the evening's fun a pause was made to allow Mr. Duncan McLean to make a few remarks and after doing so asked Mrs. Thos. Turnbull and Mrs. Alison Middleton to come forward. These ladies in turn wished to speak to Mr. Thos. Lauder Jr and his bride. Mrs. Turnbull then read the address, bespeaking the section's happiness in "Tommy" and his new station, coupled with wishes for his English bride who was assured would soon learn to like Canada for its own sake. With the address Mrs. Middleton handed them a purse and in it a cheque for \$50 as a small though practical expression of the section's appreciation of his work for his country. "Tommy" made a neat response, thanking them for the gift on behalf of himself and Mrs. Lauder and felt it was easier to face a bunch of Germans in a dugout, than the sea of faces in front of him. A brief program of song and speech followed. Solos were sung by Mrs. W. H. Lauder and Mr. Peter Ramage and pithy speeches by Messrs. John Graham, Harold McKeelnie and C. C. Ramage. The Mr. Arthur family and Mr. Robt. Lawson royally entertained the gathering on the piano and violin at intervals in the evening. Lunch was given about midnight when all took part after which the light far taste was tripped a few hours.

Nine Successful Matriculants
Two of Them Partial

The long delayed Junior Matriculation results appeared on Saturday, and Durham High School has again, as in other examination results, made a very creditable showing. Out of eleven writing, seven passed in full: Marie Cole, Campbell Grant, Sybil M. Lawrence, Armetta McKeelnie, Stella McCrae, M. Jemima Lawrence, Harold Ramage, Edith Huchce passed in all but one subject (Algebra) and she will write this off in Owen Sound on Friday. Edna Browning has three to write off before securing a full standing. This is really a nice successful, an 82 per cent standing, and we extend congratulations to pupils and teaching staff.

GEO. M. LEESON

South Grey Farmers' Candidate, who says in a circular he has issued: "I wish to be thoroughly understood that I am an Independent Farmers' Candidate with a free hand to support any measure that I may deem to be in the interest of the Farmer, the Laborer, or any industry, or class, or person in the Constituency."

Date of Referendum Voting

On Monday Premier Hearst announced the above date for the great and important vote on the question of Repeal of the Ontario Temperance Act and three other eventualities.

The date being known should spur friends of Temperance to renewed activity. The "enemy" which in addition to brewers, distillers and devotees of the liquor traffic, includes the so-called Liberty League, are pressing the battle to the gates. They have money to spend and are spending it. They are using in some cases despicable means, which must be met and fought. The Liberty League advertising the Globe says is a scandalous party to its falsity, and we may rest assured that as the campaign warms up things will grow worse.

Repeal the Ontario Temperance Act! That Premier Hearst and hundreds of responsible public men give credit for the greatest improvement in social and moral conditions ever witnessed in Ontario! Never! Question I should have written four crosses in the "No" column as forever to settle that.

But the other questions are also important. A majority for any one of the three would be a leak in the sluice that would weaken the dam stemming the vile traffic. This must not be so: let there be torrents of crosses in the "no" columns, opposite each of the three questions also.

The points to remember are:

- All four questions must be answered: to vote only for three of the questions or fewer makes the ballot useless.
- The voting is done by a cross: to write "no" or "yes" or anything else, spoils the ballot.
- To ensure a victory for temperance every question should be answered by a X in the "No" column.

The date of the election is not yet announced and it is possible it may be on the same day.

Presentation to Ex-Prin. Allan

At the first meeting of the High School "Lit" on Friday last, the most interesting part of the program was a presentation to Mr. Thos. Allan from the pupils of last year. Mrs. Allan was remembered by a lovely bouquet and to Mr. Allan, accompanied with an appreciative address was a handsome reading lamp and at the same time an enlarged portrait of himself to hang in the school, was unveiled. When Mr. Allan got over his surprise he thanked the donors warmly for their kindly remembrance to himself and Mrs. Allan, and made an address replete with good advice closing up in the hope that under the new Principal there would continue the same kindly relations that he had experienced.

CHOPPING—At McKechnie Mills Feed grain and wheat wanted.

Resolution on gambling practices

At the regular meeting of the Presbytery of Saugeen held in Mt. Forest, on Tuesday, Sept. 9th, the following resolution was unanimously adopted:—
"Whereas gambling practices and Sabbath breaking have flourished in several towns upon the occasions of various fairs and celebrations; and whereas such practices are both morally wrong and contrary to law.
Therefore this Presbytery protests against these practices and calls upon all citizens and officers of the law to use their utmost diligence that they be not permitted."

Mr. F. W. Wigg, formerly of Cayuga, has rented the former Greenwood residence on George St. and we learn will enter business here. Mrs. Wigg was formerly Miss Robena Fletcher of Bentinck.

Rec' ruling of the Government makes it illegal for anyone other than a licensed representative of the Dominion Government to deal in wheat. R. S. McGowan, Durham, is authorized for this District.

VETERANS AT HOME.—Durham Branch of the G. W. V. A. are holding a two-day "At Home" on Friday and Saturday of next week and invite all their friends to visit them at their new quarters in the Armouries. On Friday the Club rooms were opened from 7 to 10 o'clock and on Saturday from 3 to 10 o'clock. The Veterans are providing suitable entertainment and extend an open invitation to all.

THE LATE MRS. FAW.—The death occurred on Sunday last of Mrs. John Faw of Dutton at the age of 53 years. Deceased whose maiden name was Flora Stewart and who was a daughter of Mr. Alex Stewart, 2nd Con., Bentinck had been in poor health for a year. On Friday last in her condition became more critical and she was taken to Victoria Hospital, for medical treatment. Skilled attention there availed nothing and she passed away two days later. To mourn her loss there are her husband, her father, two brothers, Dena C. Bentinck and Neil in the West; four sisters, Mary, Christina Kate and Annie, the latter being Mrs. Fred Faw. The funeral took place from her brother's home in Bentinck on Tuesday and was largely attended by many who had long known and esteemed the deceased. Many beautiful wreaths surrounded the casket. Interment took place in Latona cemetery, Rev. Mr. Sillars officiating.

Mr. Wm. A. Campbell until recently a pilot in the Royal Air Force, has received his discharge from the service upon his arrival in Toronto from overseas. This well-known Durham boy has had a lengthy term of service and had a miraculous escape from death while flying at a height of 2000 feet while flying at a height of 2000 feet, his machine was placed "hors de combat," but he was able to subjectively control the plane to make an abrupt landing, but not without sustaining serious injuries, resulting in a period of many months hospital life in England. Before armistice was signed he was again using his wings and was again using his wings. His many friends will be pleased to hear of his safe return full of adventure at the front.

H. H. Dewart at Lib. Convention

As will be noticed by advertisement on this page another Liberal Convention is to be held for the purpose of "deemed expedient" of placing a candidate in the Local House. This will, if carried out, be almost certainly Dr. Mearns of Hanover, who was nominated before, but new conditions make it desirable that fullest sanction be given to his candidacy.

Mr. H. H. Dewart of Owen Sound is also expected to be present on this occasion, and great interest will be taken in the presence of Hartley Dewart, the new Liberal leader, who is making a name for himself in this campaign by stirring addresses.

Thursday, 18th Sept., is the date of Convention, in Durham Town Hall. Two candidates are already on the war-path Dr. Jamieson, the Conservative candidate, and Mr. Geo. M. Leeson representing particularly the farming interests. If a third element will take part, a three-cornered contest which will keep the politicians guessing.

Durham High School News

Sept. 2nd witnessed the re-opening of the D. H. S. with many familiar faces. The attendance in Form I has exceeded that of former years, being 31, making so crowded that two have to sit in a single seat.

The examinations having turned out so well for a great many this year, a lot of old faces were seen, and new ones have taken their places.

Mr. Hamilton, the Principal, is the only new teacher on the staff this year.

The school has raised its standard by introducing a Fourth Form, which is on a workable basis.

A presentation was held Friday last in honor of Ex-Principal Mr. Allan and Mrs. Allan. Many instructive speeches were given. A lively program by the pupils was given and an enjoyable afternoon was spent. The main feature was the presentation and the hanging of a portrait of Mr. Allan in the school.

A meeting was held on Tuesday for the purpose of re-organizing the Literary Society 1919-20:
