ROB ROY MILLS, Limited

Provincial Platform of the U.F.O.

Whereas the rural population of Ontario has been declining for many years, being now 139,000 less than it was in 1881 and this in spite of natural increase in population, immigration, and the extension of settlement.

And whereas rural life has been rendered difficult and trying and farm production has been checked.

And whereas the present condition in the rural districts is justly attributable to the unequal rewards of farm and town industry, owing to the dominance, in Parliament and Legislature, of privileged urban interests.

And whereas the Provincial public debt has increased at an alarming rate (now exceeding 100 million dollars) and the annual expenditure of the Province has increased almost five-fold in the last 15 years.

And whereas both of the old parties are responsible for this state of affairs.

We, therefore, the United Farmers of Ontario, deem it our duty, to ourselves and the Province, to seek independent representation in the Legislature, with the following objects:

- 1.—To cut out all expenditures that are not absolutely essential.
- 2.—To abolish the system of party patronage.
- 3.—To limit governmental activity respecting commercial co-operation to legislation facilitating co-operative effort, to the keeping of accurate records, and to the general education along co-operative lines.
- 4.—To provide equal educational opportunities for all the children of all the people, by greatly extending and improving educational facilities in the rural districts.
- 5.—To substitute for the policy of expensive Provincial highways a policy of organized continuous road maintenance, and of making good roads for all rather than high-grade roads for a few, the cost of road construction and maintenance being equitably distributed between city and country.
- 6.—To promote a system of forestry which will maintain and increase the public revenues from this source, protect and perpetuate our forest resources, reforest the waste places of Old Ontario, and encourage municipalities to engage in forestation enterprises.
- 7.—To encourage and cheapen Hydro Electric development and maintain effective public control over it.
- 8.—To enact and enforce such prohibitory legislation against the liquor traffic as the people may sanction in the approaching referendum and as

lies within the power of the Province. Prohibition is an integral part of the Farmers' Platform, and the U. F. O. will use its influence in that direction.

9.—To extend the policy and practice of Direct Legislation through the Initiative and the Referendum.

10.—To apply the principle of Proportional Representation to our Electoral methods.

Camouflage

No better illustration of the word "Camouflage" could be had than is found in the frothings of the so-called "Liberty League." In urging everyone to vote "yes" they well know, none better, they are doing the work of the liquor traffic under the sacred name of Liberty. Liberty is a camouflage to hide the real purpose.

In trying to form branches they failed at London, Belleville and some other places. The President of such a society at this juncture would sacrifice his claim to good citizenship.

Even the official ballot is a sample of camouflage. The question says "are you in favor of light beer," notice the "light," containing "not more than 2.51 per cent weight measure of alcohol" which brewers well know is 5.40 per cent proof spirits. Why hide this? The present beer is 2.50 per cent proof spirits, so that the beer of the ballot is more than double the strength. The using of the "2.51 per cent weight measure" is a camouflage to hide the real strength as compared with present beer.

To have a clean moral, progressive Ontario, the Ontario Temperance Act must be returned without the blemishes, questions 2, 3, and 4 would give it. To keep it perfect there must be a majority of "no's" on every question. A cross in every "no space" is the only safeguard.

Maple Grove Farm, the home of Mr and Mrs Thos Brigham, was the scene of a very pretty wedding on Wednesday Sept. 17, when their eldest daughter, Catharine Frances, became the wife of Mr Gordon Fisher of Chesley, son of Mr and Mrs G. Fisher. The ceremony was performed under an arch of evergreens, Rev Mr Farney of Chesley officiating.

The bride who was given away by her father was prettily dressed in white crepe de chene with veil of tulle with orange blossoms and carried a bouquet of bridal roses and maiden hair fern.

The bride's sister, Miss Pearl, was maid of honor and was charmingly attired in grey and carried white and pink asters.

The groom was attended by his brother Earl. Miss Linda Fisher played Lohengrin's wedding march and during the signing of the register Miss Vena Fisher sang "Because." The groom's gift to the bride was a sunburst, to the bridesmaid, a sapphire brooch, to the organist an amethyst brooch, to the groomsmen, a pearl tie pin. After the ceremony the guests sat down to a sumptuous repast, after which an enjoyable evening was spent.

Mr and Mrs Gordon Fisher left on Thursday for points south, the bride travelling in a suit of navy serge with hat to match. Upon their return they will reside in Chesley.

Those Who Fought Endorse the Citizens' Liberty League

The Citizens' Liberty League is proud to state that the following Organizations of Veterans have signified their approval of the League's objects and are supporting it in the endeavour to obtain sane, moderate temperance legislation.

- Great War Veterans' Association—Toronto Branches:
- Parkdale Central Riverdale West Toronto Elscourt.
- The Grand Army of Canada. His Majesty's Army and Navy Veterans' Association. The Naval Veterans' Association.
- 75th Battalion Association. 75th Battalion Officers' Association.
- The Originals' Club. 83rd Battalion Association.

These great Organizations of men who were the first to answer the call in the fight for liberty are endorsing the platform of the Citizens' Liberty League because they know, with the League, that the Ontario Temperance Act unduly restricts the liberties of the citizens of the Province.

These men ask,—and what men in the Province have such a right to ask?—that you vote "YES" on questions two and three on the Referendum Ballot—and so assure to the citizens a beer containing 2.51 per cent. alcohol by weight, absolutely non-intoxicating—the Beer of the Ballot.

Vote "YES" on all Four Questions

Remember, every voter must vote on every question or his ballot will be spoiled.
