George Goodwill, a farmer of Glencelg township, was sentenced to three years in Kingston Penitentiary for attempted criminal assault. The Judge severely reprimanded Goodwill, commenting on the fact that the womanhood of the nation had to be protected, particularly when living in isolated districts as on the farm. That Goodwill was a man about fifty made the case worse, and also that a long sentence could hardly be imposed the evidence was that Goodwill, who although married is separated from his wife and is living alone, went into a neighbor's house when he knew that the man was away, and insulted the wife.

PECULIAR BUG APPEARED.—A new bug has appeared in Hanover potato patches which is killing the potato bug in much the same way as a spider kills a fly. This new bug has a flat back like a beetle and rather heavily marked, and is not longer than the ordinary potato bug. The bug kills the potato bug with a sort of spear which he carries doubled up underneath his stomach when not using it in attack. The new bug does not appear to harm the potato leaf, and in local patches it is not unusual to see little bunches of dead potato buds lying on the ground where the new bug has been at work.—Hanover Post.

TAUGH OPPOSITION FOR LUCAS.—Over 300 enthusiastic farmers nominated Lt. Col Carmichael at Rocklyn as U. F. O. candidate in East Grey, and with the unanimous choice, and strong personality of his opponent, Hon. I. B. Lucas is likely to have the fight of his career in that Conservative stronghold Lt. Col. Carmichael served four years in the army, three in France and won promotion from Captain to Lt. Col. in command of the 116th Fatt. His chief services were with the famous 88th batt., with which a number of Durham boys were connected. He was twice wounded—at Vimy Ridge and Avion, and won the D. S. O. with bar, and Military Cross with bar. Two of his brothers and one sister also served their country in the war, one brother giving his life in the service.

L.C.E. CORP. FRED KNOX, M. M.

On August 27th about 200 Canadian heroes who had won distinction on the field of battle in France and Flanders received their decorations at the hand of Edward, Prince of Wales. The presentation took place at the Canadian National Exhibition, Toronto, before a large concourse of people at the grandstand. One of the soldier heroes was Fred Knox, son of Robert Knox, Swinton Park, who enlisted in the 248th Grey Battalion and after going overseas was transferred to the 88th Batt. It was in the battle of Arras in Sept. 1918 when Fred was acting as stretcher bearer and coming out of the trenches when a shell burst killing eight comrades and wounding 29. He gave first aid to the wounded and appeared to be the only one of the party who was able to give his pals help at the time. He was later wounded himself at Cambrai and was in hospital when the order was given for decoration.

The medal is of silver and is engraved with the motto "For Bravery in the Field" and the soldier's name and number and on the reverse side a bust of King George V with abbreviated titles in Latin. It is one which the young soldier may well feel proud of.—Dundalk Herald.

THE PEOPLE'S MILLS

How to say "No!"

Mark Your Ballot with an X after Each Question under the word "No"

1	Are you in favour of the repeal of the Ontario Temperance Act?	YES	NO <input checked="" type="checkbox"/>
2	Are you in favour of the sale of light beer containing not more than two and fifty-one one-hundredths per cent. alcohol weight measure through Government agencies and amendments to The Ontario Temperance Act to permit such sale?	YES	NO <input checked="" type="checkbox"/>
3	Are you in favour of the sale of light beer containing not more than two and fifty-one one-hundredths per cent. alcohol weight measure in standard hotels in local municipalities by a majority vote favour such sale and amendments to The Ontario Temperance Act to permit such sale?	YES	NO <input checked="" type="checkbox"/>
4	Are you in favour of the sale of spirituous and malt liquors through Government agencies and amendments to The Ontario Temperance Act to permit such sale?	YES	NO <input checked="" type="checkbox"/>

Above is an exact reproduction of the Referendum ballot, showing the correct way to Vote in order to sustain the Ontario Temperance Act as it stands.

Everybody should study the four questions and realize exactly what they mean. Do not be misled by the insidious demand for "light" beer.

The beer of the ballot is 118% stronger than the Ontario Temperance Act now allows, and over five times as strong as the limit allowed for beer defined as non-intoxicating in Great Britain and the United States.

Answer Each Question

1. Unless you vote on every question your ballot is spoiled.
2. You must mark your answer to each question with an "X" only. Anything else would spoil your ballot.
3. Unless a majority vote "No" on question 1 the bars will be restored and the sale of all kinds of intoxicants permitted.
4. Unless a majority vote "No" on questions 2, 3 and 4 the Ontario Temperance Act will become almost worthless.
5. The only SAFE course is to mark your ballot as shown above.

"No!"—Four Times—"No!"

No repeal; No government beer shops; No beer saloons; No government whiskey shops.—Four X's, each under the word "No."
