OFFICIAL PROSPECTUS

"The Bridge from War to Peace"—The Prince of Wales.

THE MINISTER OF FINANCE OF THE DOMINION OF CANADA offers for Public Subscription the

Victory Loan 1919

\$300,000,000. 5 1/2% Gold Bonds

Bearing interest from November 1st, 1919, and offered in two maturities, the choice of which is optional with the subscriber as follows:

5 year Bonds due November 1st, 1924
Principal payable without charge at the Office of the Minister of Finance and Receiver General at Ottawa, or at the Office of the Assistant Receiver General at Halifax, St. John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary and Victoria.

15 year Bonds due November 1st, 1934
Principal payable without charge at the Office of the Minister of Finance and Receiver General at Ottawa, or at the Office of the Assistant Receiver General at Halifax, St. John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary and Victoria.

Bonds may be registered as to principal or as to principal and interest, as hereinafter provided, at any of the above-mentioned offices.

Interest payable, without charge, half-yearly, May 1st and November 1st, at any branch in Canada of any Chartered Bank.

Principal and interest payable in Gold. Denominations: \$50, \$100, \$500, and \$1,000

Issue Price: 100 and Accrued Interest, Income Return 5 1/2% per Annum

The proceeds of the Loan will be used to pay indebtedness incurred, and to meet expenditures to be made in connection with demobilization (including the authorized war service gratuity to our soldiers, land settlement loans, and other purposes connected with their re-establishment into civil life), for capital outlay upon shipbuilding, and other national undertakings forming part of Canada's industrial reconstruction programme, and for the establishment of any necessary credits for the purchase of grain, foodstuffs, timber and other products, and will be spent wholly in Canada.

Payment to be made as follows:

10% on application: 20% December 9th, 1919; 20% January 9th, 1920; 20% February 10th, 1920; 31.21% March 9th, 1920.

The last payment of 31.21% covers 90% balance of principal and 1.21% representing accrued interest at 5 1/2% from November 1st to due dates of the respective instalments.

A full half-year's interest will be paid on May 1st, 1920, making the cost of the bonds 100 and interest, 5 1/2% per annum, for capital outlay upon shipbuilding, and other national undertakings forming part of Canada's industrial reconstruction programme, and for the establishment of any necessary credits for the purchase of grain, foodstuffs, timber and other products, and will be spent wholly in Canada.

This Loan is authorized under Act of the Parliament of Canada, and both principal and interest are a charge upon the Consolidated Revenue Fund.

The amount of this issue is \$300,000,000, exclusive of the amount (if any) paid for by the surrender of bonds of previous issues. The Minister of Finance, however, reserves the right to allot the whole or any part of the amount subscribed in excess of \$300,000,000.

Payments

All cheques, drafts, etc., covering instalments are to be made payable to the Credit of the Minister of Finance. Failure to pay any instalment when due will render previous payments liable to forfeiture, and the allotment to cancellation. Subscriptions other than those paid in full on application must be accompanied by a deposit of 10% of the amount subscribed. Official Canvassers will forward subscriptions or any branch in Canada of any Chartered Bank will accept subscriptions and issue receipts.

Subscriptions may be paid in full at time of application at 100 without interest, or on any instalment due date thereafter, together with accrued interest at the rate of 5 1/2% per annum. Under this provision, payment of subscriptions may be made as follows:

If paid in full on or before November 15th, 1919, par without interest or 100%.

If remaining instalments paid on Dec. 9th, 1919, balance of 90% and interest (\$90.52 per \$100).

If remaining instalments paid on Jan. 9th, 1920, balance of 70% and interest (\$70.84 per \$100).

If remaining instalments paid on Feb. 10th, 1920, balance of 50% and interest (\$51.08 per \$100).

If remaining instalment paid on Mar. 9th, 1920, balance of 30% and interest (\$31.21 per \$100).

Payment of instalments or payment in full after November 15th, 1919, can be made only on an instalment due date.

Denomination and Registration

Bearer bonds, with coupons, will be issued in denomination of \$50, \$100, \$500, and \$1,000, and may be registered as to principal. The first coupon attached to these bonds will be due on May 1st, 1920.

Fully registered bonds, the interest on which is paid direct to the owner by Government cheque, will be issued in denominations of \$50, \$100, \$500, \$1,000, \$25,000, \$50,000, \$100,000, or any multiple of \$100,000.

Payment of Interest

A full half-year's interest at the rate of 5 1/2% per annum will be paid May 1st, 1920.

Form of Bond and Delivery

Subscribers must indicate on their applications the form of bond and the denominations required, and the securities so indicated will be delivered by the bank upon payment of subscriptions in full.

Bearer bonds of this issue will be available for delivery at the time of application to subscribers desirous of making payment in full. Bonds registered as to principal only, or fully registered as to principal and interest, will be delivered to subscribers making payment in full, as soon as the required registration can be made.

Payment of all instalments must be made at the bank originally named by the subscriber.

Non-negotiable receipts will be furnished to all subscribers who desire to pay by instalments. These receipts will be exchangeable at subscriber's bank for bonds on any instalment date when subscription is paid in full. All receipts must be exchanged before 1st June, 1920.

Form of Bonds Interchangeable

Subject to the payment of 25 cents for each new bond issued, holders of fully registered bonds without coupons will have the right to convert into bonds with coupons, and holders of bonds with coupons will have the right to convert into fully registered bonds without coupons, at any time, on application to the Minister of Finance or any Assistant Receiver General.

Forms of application may be obtained from any Official Canvasser, from any Victory Loan Committee, or member thereof, or from any branch in Canada of any Chartered Bank.

Subscription Lists will close on or before November 15th, 1919

Keep Canada's Farms and Factories Busy

PRICEVILLE AND LIMITS

Mrs Graham of Priceville visited her friends, Mr. and Mrs. McLeod, S. Line, for a few days last week.

We are sorry to hear of Mrs John Beaton of this town being under the Dr's care. We hope she will soon be around again.

Harold Karstedt is after making a beautiful edifice of McDowell's old buildings. This was originally the Catholic church which stood on the hill, east of Priceville where in olden times the faithful came from all directions to be there in due time in the morning.

Vet McIntyre was under the weather for some time but pleased to see him about again as it would not do to have him laid up too long to prevent him from attending to his business.

As was seen in last week's paper the death of the late Wm Smellie, we have very little to add, only Mr Smellie's father was Lowland Scotch and his mother highland (being an aunt of the writer). Mr Smellie landed in Durham with his father and mother in 1857, settled for a year or two west of Dar- noch and moved in the latter part of the 50's to the Kelsey farm, one mile north of Durham and from thence he came to the Old Durham Road, Glenelg, in the early 60's buying the late Donald Muir's 50 acre lot, now Otto Konold's. He then bought the farm he lived on the rest of his days. Mr Smellie was a first class carpenter and a good penman. He served for many years as returning officer at Municipal elections at the Glen, Glenelg and was always good at the duties connected with said office. Of late years the infirmities of age be- gan to tell on him and had to retire from the duties on the farm, and other matters.

The funeral on Tuesday of last week was largely attended. His pastor, the Rev. Mr Jones of Priceville, preached a very fitting discourse, taking for his subject "From the rising of the sun till the going down of the same. The sun rises in the East and is at its strength

at noon and gradually loses its strength till it settles down in the West. So in a man. We follow him up from his youth and as the sun is at its strength at noon so is man and gradually sinks like the sun to rise no more. Mr Jones said he didn't believe in red vermin at funerals as yet his discourse was highly appreciated to the many of his hearers inside doors.

(Balance crowded out this week)

In Memoriam

In loving memory of Thos. L. Mather, of Priceville, who was killed at Passchendaele, October 26th, 1917.

Sleep on dear boy, and take your rest. God chose you and he knows best.

Mother, Brother and Sister.

HOPEVILLE

Quite a new condition of the roads now appears since our rain of Saturday and mad plentiful.

Root digging was the order of last week.

Mrs Angus Ferguson and daughter Marjory returned last week to their home in Pense Sask., after six weeks visit with relatives at Esplan.

We are sorry to report Mrs A. H. Burnet not feeling as well as we would wish.

Mr and Mrs Marshall, Toronto, are visitors at Mr Will Burnet's.

Mr and Mrs Will McKinney attended the funeral of the late Mrs George Pryde of Dundalk Friday.

The last of our soldiers' receptions will be given in the hall this Tuesday eve, in honor of Messrs Albert Star- rock and Reginald Wade.

Mr and Mrs Jno. Hill, Dromore, spent Sunday at Mr George Christie's.

Mr and Mrs R. Burnet and Mrs Burnet of Durham motored over to the latter's sister, Wednesday week.

Mrs Jas. Fettes visited her father in Owen Sound last week.

Seed Grain Distribution

The annual free distribution of samples of seed grain is being conducted at the Central Experimental Farm, Ottawa, by the Dominion Cerealists.

The following kinds of seed grain will be sent out this season:

Spring wheat (in about 5-lb. samples), white oats (about 4 lb.), barley (about 5 lb.), field peas (not garden peas) (about 5 lb.), field beans (early ripening, only for districts where the season is short) (about 2 lb.) flax for seed (about 2 lb.) and flax for fibre (about 2 lb.)

Only one sample can be sent to each applicant.

Applications must be on printed forms which may be obtained from the Dominion Cerealists at any time. As the stock of seed is limited, farmers are advised to apply early to avoid disappointment. No application forms will be furnished after Feb. 1st, 1920.

C. E. Saunders, Dominion Cerealists.
