THE PEOPLE'S MILLS

The Refinement of Purity

CAREFUL cooks know the value of purity. In the making of cakes or pastry they use those ingredients which they believe to be pure and wholesome.

To apply this "insistence on purity" to sugar, is no easy matter—for nearly all sugars look alike to those not expert in detecting variation. The safe course is to use a sugar that comes from refineries in which purity is a boast.

In the Dominion Sugar refineries the boast is backed by a standing invitation to the public to visit and inspect the plants in which Dominion Crystal Sugar is made.

In Dominion Crystal Sugar the housewives of Canada have one sugar that can be depended upon for that Purity which is so essential to successful culinary effort.

This is the only sugar that may be rightly termed "Canadian from the ground up." We do import the finest raw cane sugar and refine it—but our pride is in the product we make from Canadian sugar beets.

The Spiritual Conference held in the Methodist Church was well attended last Friday afternoon, though the evening audience should have been larger. The sessions were most inspiring, the speakers, Rev. Lloyd Smith, Toronto, and Rev. Dr. McJor Lavelle, Winnipeg, presenting the needs and objects of the great Forward Movement now being undertaken by the Methodist Church. Rev. Mr Trux, Grand Valley, chairman of Mt. VARNEY

Since our last appearance in the 'Review' many changes have taken place in the village, but Varney is Varney, well marked on the Provincial map.

Mr James Kerr and family are enjoying their first week in the new house. It certainly looks capable of promising them the comfort and pleasure awaiting them.

Mr John Noble is busy moving into the premises recently vacated by the Kerr family and it is rumored that Mr Dezell is to occupy the house and lot next to the post office.

Sorry to report the critical operation on Saturday of Miss Lillian Keller but are pleased to hear that she is progressing favorably.

Mr James Leeson is undergoing an operation this week in Toronto. His trouble seems to be affecting his eyesight. We hope and trust that "Jimmy" returns with the assurance of better sight.

Mr Thomas Gray returned from the West Friday last after an eight months' stay with his brothers. He reports the crop a shade lighter than usual but still nothing to grumble at.

Mr and Mrs Jas. Allen left Saturday for a Western destination. They are anxious to keep in touch with their former work. Before leaving, the church people made a pleasing presentation to Mr and Mrs Allen, which will no doubt be in remembrance of many friends in this neighborhood.

Halloween passed by very quiet in the village, no harm done with the exception of one lonely gate afloat on the pond.

Congratulations to Miss Mamie Mountain and Mr Ernest Leeson who are away on their honeymoon to Buffalo, Washington and other points. Wedding bells, oh! wedding bells are still ringing.

ALLAN'S CORNERS

The fowl supper which was served in the basement of St. Paul's church, Egremont on Tuesday, Nov. 4th was a decided success, regardless of the snow storms, and no doubt the inner man was amply provided for. Thence in the church a splendid program of speech, song and story followed with Mr W. Irwin in the chair. An interesting address was given by the Rev. F. Hardy of Durham, the chairman gave a lengthy recitation, Mrs Joseph Lennox favored us with a recitation. Miss Gertie Lawrence, a couple of solos, Mr Harding and Miss M. Hunter a couple of duets, Mr Allan Bell two solos, Miss Winnie Blyth of Varney a solo, and Miss Ruby Morrison a recitation after which the singing of God Save the King brought the evening to a close. \$60 clear was realized after expenses were paid.

Mrs E. Leeson who spent a couple of months at her home in the States, has again returned to the home of her daughter, Mrs A. Allan.

Mrs Robt. Gadd and children spent a few days visiting her sister, Mrs W. J. Allan.

Mrs W. A. Allan and children spent a few days with Mr and Mrs W. Ferguson.

Mr Fred Noble is again able to be around on crutches, as he has been laid off for a week or so from a scaffold fall in the barn.

Mr Jas. Hunt of Holstein with his ditching outfit is busy at present doing some work for Mr J. Johnson.

Mr Lorne Allan is engaged with Mr W. J. Allan cementing the latter's stables.

A Good Investment

Speculation is one thing. Investment is another. The majority of citizens want an investment, not a speculation. And they want a safe investment. Victory Bonds fill that requirement as does no other investment. Because behind every bond there is the national wealth of Canada—a wealth so great that it staggers the imagination. Buy a Bond.

Be true to yourself. Buy Victory Bonds. You did it before. You can do it again. Buy Victory Bonds.

If the fighting were still raging, you wouldn't hesitate to buy Victory Bonds. If you appreciate a good investment you will buy a Victory Bond. You decide no one can help yourself when you say you can't afford a Victory Bond.

DROMORE

Rev. B. M. Smith attended Presbyterian Synod meeting in Toronto last week.

Miss Nellie Bunston returned to her home here from the O. A. C. Guelph on Saturday.

Mr and Mrs Nelson McGuire and Andrew Hay motored to Belgrave on Saturday to visit Mr McGuire's parents.

Peter Hay of Durham visited at his home here Friday and Saturday.

Chas. Small Jr. returned from Saskatchewan last week.

The boys of the foot ball club held a very enjoyable and well attended dance in the hall on Friday night.

Pte. Wm. Moore, who enlisted with the 147th Batt. and served during the greater part of the war returned last week with his bride and is at present staying with J. G. Johnston. Pte. Moore is the last of the boys who enlisted from this neighborhood, to return. He was fittingly welcomed in Amos Church on Sunday morning by the minister and people.

The Women's Missionary Society will hold their annual Thank offering meeting in Amos Church on Sunday morning, Nov. 16th. Rev. Mr Robold of Toronto will give an address.

NORTH EGREMONT

Mr A. B. McDonald has sold his Egremont farm—the last one on the 22nd con. to Mr Thos. Harrison, sawmiller, who in turn sold to Mr Lou Frook, but retaining the timber.

Miss Janet McDonald is recovering slowly from her recent illness.

Mr Joseph Campbell and son Tom have sold between them 34 acres of sweet clover for next years cutting at \$1200, free of all cutting or trouble with it, to Mr R. Kinnell and Geo. Duncan from near Dundalk.

A presentation was given to Mr Dugald Ferguson and his mother on Tuesday of last week, before leaving for their new home in Holstein, having sold their farm to Mr Jas Weir. A pleasant time was spent in speech and song and story. Mr Colin McMillan, Dromore who sold an delivered the fine couch, acted as chairman on the occasion and also had the honor of leading off in the dance which followed.

Mr Noble Wilson took a novel and expeditious way to deliver a load of hogs to Dundalk by engaging Mr Howard Watson as his motor truck. All went well till near there when the engine like many another mule, balked requiring the assistance of an obliging farmer and his wagon. Mr Wilson is the possessor of a fine bunch of cattle, 10 in number, and has also very modern conveniences for cutting, pumping and grinding.

Mr and Mrs Edward Harrison left for Toronto on Tuesday last to further consult from a more reliable source about his eye. Mr Wm Tucker is running the institution in their absence.

Mr Crawford Harrison has a fine water system installed in his stables pumped by an engine.

Mr and Mrs Alfred Tucker expected Miss Susie Tucker and her sister Mary, Miss Case and Annie home on a visit last Thursday, but the telegram wrongly addressed went astray, informing them that they had decided not to come as the temperature in the west then was 10 below zero.

Miss Miriam Hornsby was visiting her aunt Mrs Moore at Rob Roy last week end.

The Anniversary services at Ebenezer last Sunday and Monday passed off successfully. Talent from a distance included the Rev Mr Bowes, a former pastor from Angus, Mr H. McLean and Miss Esther McLean, Priceville, who delighted the audience with music and recitation.

Mr Palmer Patterson having bought Mr Harry Wilkinson's farm, has sold his own, the Lee farm to Mr Geo Lawrence. The latter has assisted in filling silos and chopping grain for the neighbors with his tractor, a new "Avery."

Miss Louise Ramage from Wingham came home on a visit to her parents last week end accompanied by Mr. Alex. Darroch. Mr and Mrs Stanley Williams were home also at the same time from Bootsville.

Mr and Mrs Karl Harrison arrived from the West on the 20th but not in time to give a vote for the U. F. O. Well pleased with prospects there but frosty and cold.

Mr W. Hunter shipped a carload of potatoes to Galt this week at \$1.30 per bag.

We were wrongly informed last week as to sex of Mrs Jos Wilson's baby. 'Twas a boy, nothing effeminate.

Mr Hunter's new lights recently installed are giving fine satisfaction. While churning or washing, etc, it is generating electricity at the same time for the lighting plant, not lightning this time. Lights are installed in stables, barn, pig pen as well as the house upstairs and down.

To Mrs. Ferguson and son Dougal:

We, your friends and neighbors, are gathered together to bid you farewell on the eve of departure from our midst. Realizing that you have to leave this vicinity, we feel that we can not let you go with us expressing to you our regret at the thought of your leaving.
