The New Edison Phonograph

The new Edison is the only phonograph which is capable of sustaining the test of direct comparison with living artists. The tests have been made before large audiences in almost every city of the United States and Canada.

The Dallas Times Herald says "It was necessary for members of the audience to watch closely either the lips or bow either to see where the voice or violin left off and the air was carried on by the phonograph.

Come and let us demonstrate. You ought to have one in your

ROB ROY MILLS, Limited

The change in government which has taken place in Ontario is wholly different from that which would have occurred had Mr Dewart and his fol lowers obtained a majority in the new Assembly. That would have been merely a change of centrol from one party to another party bearing a different name but with the same gen eral viewpoint. As events really have developed power has passed Minister of Labor and Health-Walter here from the hands of professional politicians to those of the people. The term Attorney General-W. F. Nickle, K. C. "the people" is used advisedly, be cause the element that will control Provincial Secretary-H. C. Nixon, B. the new Administration does not represent merely one class or even Provincial Treasurer-Peter Smith two classes. It is true candidates for the Legislature nominated by the U. I". will form the largest body in the new Legislature. It is also true that representatives of Organized Labor Everyone's Interests Interlinked will have a place in the new Administration. But these men have been entrusted with the government of the in reading of what the Victory Loan sy-Province, not because of their class stem does for the tarmer in the sale of great mass of the people of Ontario come in ,and assume that our great sale were tired of the old party politician of agricultural products through governand his ways and demanded a new deal under which meaningless partireal effort made to give the Province ing community means good tinks ich a sane and honest administration of other classes. Canada is able to maintain
