THE PEOPLE'S MILLS

Have You Discovered

the importance of asking for sugar by brand name? Do you realize that to have a sugar which will give unfailing satisfaction in preserving, in baking, and for all sweetening purposes, you should ask for—and insist on getting Dominion Crystal Sugar.

Women who use this brand have found it to be all that a sugar should be—pure, sparkling, finely granulated. And it is with satisfaction they realize that this finest of sugar is "Canadian from the ground up." A large part of the output of our three modern refineries, is obtained from raw cane sugar—but our pride is in that increasing proportion of our output which is made from Canadian sugar beets.

Try a 20-Pound Bag

Most grocers have Dominion Crystal Sugar in 20-pound bags as well as in barrels. They take pride in selling this superior Canadian product. Ask your grocer for it.

Wanted—An Organist for Holstein Presbyterian Church. Duties to commence December 7th. Applicant to state salary expected. Communications addressed to D. Allan, Secy. Managing Board.

The special services being held in the Presbyterian Church by Rev. Mr Koukie, will come to a close on Friday evening. The attendance at the fortnight's meetings was quite good, though not as large as desired, and the spiritual life of the community has received a decided uplift.

In the last few days of the Victory Loan campaign last week end, Durham and Egremont district went to the front with a rush. About \$480,000 has been subscribed in the district, just double the objective, and Chairman W. Calder of Durham has now received four crests in addition to the honor flag. This gives second place standing in the County. The three Egremont canvassers, Messrs Philip McArthur and Ramage secured a considerable amount of the 'big total'. District and County may well be proud of their liberality in loaning to the nation.

SOUTH BEND AUTUMN

Now the frost has changed to crum: The leaf of the maple fair. And the yellow leaves are sweeping O'er the uplands brown and bare.

Memory recalls the vanished days, Of sunshine, birds and flowers, And we think of hopes that have passed away.

Like the fleeting summer hours, We think of dear ones on whose graves Dead leaves and flowers lie.

And rain drops fall (like human tears) From the cold November sky. But though the flowers are dead and laid low.

Like those we loved the best, Let us comfort take from the blessed thought That it is but nature's rest.

For as spring recalls the stumbling flowers In fields and gardens gay, So God will call for our loved and lost.

To bloom in Eternal day.
