JNO. McKECHNIE, DURHAM

many miles away from home. By these deeds of kindness and unity which all our Empire worked for was the secret of our success. My wish is that our country will always prosper and peace will reign forever.

To Sergeant George Pilgrim,
We have taken this liberty to assemble here this evening to give you a welcome on your return from overseas. When war broke out you were among the first to answer the call to don the khaki. Though it meant such great sacrifice to leave a wife and child and home ties, you responded to the urgent need of your country. We honor you and are proud of your faithful service and of all other brave Canadians who have given their all in this great struggle in defence of those principles of right and justice which we all hold so dear. You know a great deal more than we do of the awful horrors of that war but we do know sufficient to convince us that never in the history of mankind has there been such an unwarlike war of studied treachery and educated hate.

As a slight token of our esteem for you and appreciation of your services and with best wishes for future success to you and your family, we would ask you to accept this club bag and that the same loving God who brought you safely home, may spare you to a long and useful life. Signed on behalf of old acquaintances and friends,
Mrs Archie McDougall
Mrs Robt Twamley
Miss Annie Hobkirk

NATURE'S WAY

Alcoholic tonics and dangerous sedatives are fast falling into disuse. When the body is debilitated the effectual means of restoring strength is

SCOTT'S EMULSION

which does what your regular food should do but all too often fails to do—nourishes and strengthens the whole body. It is the results that follow the use of Scott's Emulsion that have made its multitude of friends.

The citizens of Mulock are keeping up their good work in the way of welcoming back the returned soldiers. Wednesday of last week a goodly number of Mulock friends met at the home of Mr and Mrs Wm Cook to honor Sergeant Geo. Pilgrim who recently returned from overseas. Mr. Alex Hobkirk was appointed chairman, several speakers were then called upon and these paid fine tributes to the returned hero. During the progress of the evening's entertainment, Serg't Pilgrim was asked to come forward when the following address was read by Miss Etta Twamley and club bag presented him by Miss Mary McKechnie.

The Sergeant very capably replied: Mr Chairman and Friends,— I am sure this is quite a surprise to me not expecting anything of this kind. I am taken quite unawares and I find it very hard to find words to express myself sufficiently and I can't thank you here this evening for your kindness in coming fine club bag as a token of your appreciation for the work I have done in the great war. I am sure although married and having one child, I only did my duty, not for the sake of wearing khaki, but for the principles we have been fighting for, freedom and honor. I will never regret it as long as I live and would if necessary take up arms again in defence of Canada. Although we had our hardships we were content to know we were fighting for a just cause. I also again thank the Red Cross workers of Mulock for their kindness in all ways remembering me boys while in France by sending us comforts for our need and which cheered us in our renewed confidence. In our country you were always thinking of us while
