PRICEVILLE AND VICINITY

PRICEVILLE AND LIMITS

Another small winter. This Monday the 24th Nov. sleighs were out and seemed to get along all right.

The Communion held in the Presbyterian Church last Sunday was well attended considering the slushy roads. Eleven new members joined the church, mostly young people of both sexes, two on certificate from other parts. Mrs. James Weir from Scotland and Thos. McDougall. This speaks well for the new pastor, Rev. Mr. Jones. He is a worker amongst the young folks. It is good to see the young people identifying themselves with the visible church, although many of the older ones are holding back, but may be good people for all. We notice that the women are better in attending in general than their husbands, for some come independent of extra conveyance, only the Creator gave them. The women of our churches cannot be praised too highly for their fidelity in church matters at all times. The choir was placed in front of the pulpit some time ago and commands a good view. Some fine voices may also be heard in different parts of the church.

Hector McDonald, discharged soldier, arrived here from the east and is calling at Toronto on his way. Our mill man here, Mr. Watson, is kept busy so much chopping being done at this time of year. Our town is booming and a good general business done.

We hear a lot of talk about sweet clover, Victory bonds and the Forward Movement.

Autos will soon be stabled up for the winter as we saw only one at church last Sunday. The faithful horse will now be fallen back on, as he is more reliable to get over the mud and snow.

Miss Kate McDonald spent a few days with her aunt, Mrs. Neil McCannel of Durham.

John Stohart is shipping a carload of stock Tuesday of this week.

This Tuesday morning, 25th Nov. is dreary looking, snowing from the east and aged people feel like old cats by keeping as near the stoves as possible. But the stoves are not much comfort without the heating element for a great many are not prepared for the snow and winter. But no matter, the seasons will come in their turn.

Aged people who are deprived of their company by death are feeling lonesome and now reflect on the many comforts they enjoyed during their existence. But such is life. This world is only as a shadow which passes away and those left need not expect many dreary winters in this life.

GODERICH DOCTOR FINED—"Rum for external use only," was the label on an empty bottle found at Duncannon near Goderich, following a dance the other night. Investigation by authorities reveals the fact that the bottle had been obtained in Goderich on prescription of Dr. J. B. Whitley, and had presumably been used by a Goderich patient. On production of further evidence, Dr. Whitley was charged before Magistrate Reid of Goderich with a violation of the O. T. A. to which he pleaded guilty. It was his second conviction, and he was fined a total of \$40.

STARTLING EVIDENCE IN THE TEMPLETON CASE

Public interest in the Templeton case has been accentuated by a volume of further evidence which has been submitted to prove that Templeton's Rheumatic Capsules do remedy Rheumatism, Sciatica, Gout, Lumbago and many of their kindred diseases.

Canadian soldiers from the front claim that these capsules were of the utmost benefit in relieving them of sciatic pains and preventing the development of rheumatic troubles. One well known Canadian General was a constant user of T.R.C.'s and his persistent demand for them is proof that they gave him the relief he sought.

Men such as our Canadian soldiers are not prepared to make false statements. T.R.C.'s fixed them up and they are glad to say so in order that others may benefit by their experience. There is no denying the fact that T.R.C.'s do all we claim they will. Convince yourself. Try them.

Ask your Druggist or write us for our new booklet: It is interesting and costs you nothing (Templeton, 142 King West, Toronto). We mail T.R.C.'s anywhere on receipt of \$1.00.

—Lord Jellicoe landed in Canada from Australia last week and will be in Oshawa this week sometime. His mission is to give counsel to the Dominionists, if asked, as to naval defense. He naturally thinks now is no time to cut down naval estimates.

—J. J. Morrison, the efficient Provincial Secy. of the U. F. O. is not in the limelight, yet there is no doubt he is a power behind the throne. The way he effaced himself when he might have had the Premiership, was worthy of all praise, and we think he is worthy of more compliments than he is getting.

Prince Edward after making New York drunk with delight for five days left on Sunday for Halifax, escorted in the Renova by eight American war vessels. From Halifax he sends a last ringing message to all Canada and then home for more well-earned Christmas.

—Many compliments have been paid to Premier Drury and some of his ministers, for broad and state-manlike utterances in speeches so far delivered. From the record of the individual members we are not surprised. That record and present performance gives assurance of honest and capable government.

—A Nations' League without the United States involves a setback for the world, says the French press, and a reverting to pre-war conditions. The pivot of it! The failure of the United States Senate to sanction the League is due to party exigencies. "Anything to beat Wilson."

SWINTON PARK

On Friday evening, the 14th, the young people of this place gathered at the home of Mrs. J. Knox to spend a pleasant evening with Mr and Mrs W. J. Knox who were recently married and to present them with a set of dishes and fruit set. At a suitable hour the following address was read by Miss Beth Stewart:

To Mr and Mrs Wm. Knox: As friends and neighbors, we have gathered here to spend a pleasant evening with you and to extend to you our best wishes for a long, prosperous and happy wedded life.

We would ask you to accept this set of dishes and berry set, not for its value but as a small token of our esteem for you both.

We especially wish to welcome Mrs Knox as a new neighbor and hope that this little reception this evening will help to make her feel more comfortable in her new surroundings.

On behalf of the people, R. T. Knox, B. Wilson.

Mr Knox made a fitting reply on behalf of himself and his wife for the kindness bestowed on them, thanking all for this kindness. The evening spent was a jolly one and everybody was delighted with the outing.

The ladies of Swinton will hold a social evening in the Presbyterian church on Friday night.

A select party was held at Mr Neil McLeod's one evening last week.

A few of the youth and beauty attended a Ball in Proton last Friday night. Mr A. Ferguson is engaged for the winter with the Hardy Bros. Hunting is the order of the day. The foxes here have a hard time dodging the hunters.

Winter has at last arrived. Sleighbearing seems the best way of transportation.

Reeve E. E. Hockridge, Deputy Reeve A. Richardson are in Owen Sound this week attending County Council.

Mr and Mrs Werry left Monday for Vancouver, B. C. by way of Winnipeg, Hamiota and Mossbank.
