PRICEVILLE AND VICINITY

PRICEVILLE AND LIMITS

This is our birthday, 22nd March. Time is on the march and the many Marches that passed by since we saw daylight in Canada West makes us feel that the Marches are more numerous than they were long years ago. March always brings to our memory sad events of many years past. On the 16th March many years ago our beloved partner in life passed away to the Great Beyond in the prime of womanhood aged 33 years. On the 18th March, two days later, our brother was left lonely by the death of his beloved wife at the age of 28 yrs. Coming now nearer to our view one year ago on the 21st March, our niece that noble girl nurse, Charlotte McDonald was called away, after being only a few days in Brandon, Man. To the mother and daughter in Durham and the sisters far away, the 21st March to them was a sad memorable day. It could be engraved on this faithful nurse's monument that she denied her own comforts to relieve her patients and restore them to health but like many others the time of her departure had arrived.

The asserment on Sunday last was one of the largest in the Presbyterian church for some time. The day was an ideal one, the good roads afforded opportunity to all who had desire to attend to be there. Many new members joined and two adults were baptized, one a man with a family and the other a young lad. This shows that believer's baptism can be done by sprinkling.

Miss MacIntyre who is organist in the Presbyterian church here has been unwell for the past couple of Sundays and Mrs. Karstedt (nee Rebecca McMillan) kindly attends the organ in her absence.

Union prayer meeting will be held at the Misses James' residence on Friday evening of this week. Miss Jennie James is bedfast for a number of years from the effects of rheumatism but she bears her troubles patiently knowing that all will end well with her in the future life.

Mr Robert Patton who is attending high school at Dundalk was home on Sunday and attended Sacrament. Mr Patton is preparing to attend the University and later the ministry. We wish the young man success in his future studies.

The young man who attends the Standard Bank here is always on hand Tuesdays and Fridays and dutiful in attending to business.

Auctioneer McPhail is always busy. Last week he had sales every day and this week the same.

This Monday morning, the 22nd of March, has the appearance of being soft before noon. Some are preparing to go to the sugar camp this a. m. The high cost of living effects a great many people but when a change of seasons come we hope for the best.

The crows are busy cawing this morning and Peter McArthur (Globe) says he saw a flock of blackbirds lately but he might be mistaken for whitebirds or snow birds.

Our Dr is always kept busy as there is a lot of sickness here and there from the effects of cold or something else.

Ray Mr. Jones gave a good address at the communion yesterday and his address from the words 'be ye faithful to the end' was a fitting lesson on the solemn occasion.

HOPEVILLE

The light snow flurry of Friday made sleighing good over the week end but to day spring is here in earnest.

Maple syrup is the talk of the hour. Mr Wil Burnett was in Durham Saturday.

Mr David Scott has purchased Mr Geo Pettes house and lot in the north of the village.

Mr Will McKinney is re-decorating the old McArdle home previous to

Mr Wm. Fook had a successful sale on Saturday. There was a large crowd and everything was well sold.

Mr. and Mrs. J. Porter who were critically ill with the flu, were glad to say are much improved.

Mr S. Irwin of Markdale is moving to his new home here, having purchased one of the farms of the D. J. McCormick estate.

Mr and Mrs Wm. Knox visited last week with friends in St. Catherine's. Wm returned on Wednesday but Mrs Knox stayed over the week end.

Mr F. Knox is engaged with Mr J. Haw who has his mill in operation and cutting out the season's stock of logs.

Mr. B. Martin has purchased a driver from the city. It will be needed as it is too long a drive for a heavy horse in vacation time.

Mr H. McMillan who has been laid up for a few weeks is slowly improving.

Miss C. Hutcheson spent Sunday with her friend Miss Ruth Stewart.

Mr. S. McMurdo has moved from John Lane's house to Eothville. Sam doesn't believe in moving far from Swinton.

The Rale McKie! Ay!

The Murdison concert in the Hall last Friday evening under the auspices of Durham Hockey Club was very successful. One of the performers, a Miss McLean was unable through illness to be present but our own soprano, Mrs Moore McFadden was impressed into the program and the gap could not have been better filled. She was approached at the close by Mr R. T. Cowell to see if she could not fill some dates with them. This fine compliment was appreciated but circumstances forbade. Of Mr Cowell as accompanist too much cannot be said; his work was a prominent feature of the evening and whether accompanying violin or voice he displayed such taste and efficiency as to compel the admiration even of amateurs.

The violinist Mr Geo Fryogle contributed several numbers on the king of instruments which proved him to be a master of the violin which all but spoke in "The last rose of Summer" and "Annie Laurie."

Last but not least was Murdison himself, a young Scotchman from Berwickshire, who proved a splendid interpreter of Harry Lauder and gave some numbers of his own equally good. The Doric is his mother tongue and with a touch of humor in himself, his stories as well as his songs delighted the audience. We would suggest however that less prominence be given to "Whuskey" as an embellishment. Like Lauder he uses changes of costume and even the crooked stick is in evidence.

God Save the King closed a fine meeting which was free from objectionable features.

Prominent Minister Endorses Hacking's Heart and Nerve Remedy

Was almost a Nervous Wreck from Overwork; this wonderful remedy brought back his old time Vigor and Vitality. Read the story of a Great Minister, in three letters. \$100 in cash will be paid to anyone who can prove that these letters are not genuine. The name of Minister will be given to anyone who doubts these remarkable statements.

Here is Letter Number One

"Please send me one box of HACKING'S HEART AND NERVE REMEDY. I am suffering from a bad attack and have been unable to fill my pulpit for three months, doctors say that it may be six months or more before I am well again. I used to be able to hold my large congregation from start to finish, now, I can scarcely hold my own thoughts.

My Heart Action is bad and I am subject to Faintings and Dizziness, and am very dependent, I hope that your remedy will help me."

We sent on the one box of Hacking's Heart and Nerve Remedy and 11 days later we receive this letter.

Letter Number Two

"Please send me 6 boxes of Hacking's Heart and Nerve Remedy. I have used the box you sent me and I feel that it has already helped me. My head is clearer and the pain that has followed the preparation of my sermons has been greatly relieved and I feel that with proper treatment I will again be restored to my old-time vigor.

I am so pleased with the success of your remedy that I am giving part of it to some of my friends."

Now comes the proof in letter number three, a few weeks later.

Letter Number Three

"Having used your medicine, Hacking's Heart and Nerve Remedy for a few weeks for Neurasthenia (Nervous Breakdown) I have become as a new man. For five months I have suffered from Sleeplessness, Nervous Chills, Fainting Spells, Severe Headaches and I could not place my mind on the preparation of my sermons. To-day, my old ambition and strength is renewed—thanks to the use of your remedy, which I am pleased to recommend to anyone suffering from Nervous Diseases."

This testimonial comes voluntarily from one whose reputation is unassailable and is given for the sole purpose of helping others. The above statements are true—or as near to the truth "as the men of Benjamin could throw a stone" Jul. 20 18.

Renew the Soil Make Your Farm Pay Better

SOIL renewal as practiced in Europe accounts for the very high yield per acre attained in European farms, and soil renewal simply means restoring plant food and humus.

HARAB-DAVIES Fertilizers

This is done by applying ordinary stable manure and commercial fertilizers. Harab Davies Fertilizer is a scientific compound which contains Nitrogen or Ammonia, Phosphoric Acid and Potash in readily soluble form. Experience absolutely proves that it is more profitable to work 50 acres with a good fertilizer than 100 acres without it.

It is strictly a quality article. Pound for pound it is positively the cheapest as well as the best fertilizer offered. Write for our booklet, "Fertilizer Results by Satisfied Users"—sent free on request. Read what farmers in all parts of Canada have accomplished with Harab-Davies Fertilizer.
