LOST.—Between the 24th and 28th of March, between Durham and Hutton Road, a carpet rug in good condition. The finder will oblige by leaving at Review office.

The attention of our Board of Works should be given to a dangerous hole in an Upper Town sidewalk. Mr Gilbert McKechnie made a temporary improvement, but a six foot drop might be serious.

At McMaster University on Wednesday, Miss Jennie Wright, of Dundalk, received the degree of B. A., and Walter T. Steven of Mt Forest had the degree of Bachelor of Theology conferred upon him.

COMING CELEBRATIONS.—Markdale Lacrosse Club are holding a celebration on May 24, and Flesherston Baseball Club are booming June 3rd for a big day. Durham Intermediates will cross sticks with Markdale Aberdeens on the 24th in an exhibition contest.

TOM LONGBOAT FOR EDAM—Tom Longboat, some years ago famous as a long distance runner, was in Battleford Park recently on his way back from the vicinity of Edam, a neighboring town, where he will take up land and become a Western Canada farmer. His wife was with him and Tom is quoted as saying that he likes this part of Canada better than the older parts down east.

BUYS OSPREY TIMBER—The Durham Furniture Company have recently purchased 170,000 feet of logs from John Earle of Feversham, Osprey township. With a motor truck, the company is purchasing the logs will be brought to the factory at Rock Mills or to Ceylon station. While on the surface, it looks like this is a large purchase of timber, it does not appear so great when it is learned the company's daily consumption amounts to between 8000 and 10,000 feet.

METHODIST CONFERENCE.—Durham has been chosen as the meeting place of the Methodist District Conference on Wednesday, the 19th inst. Morning and afternoon sessions will be held, the latter being open to the public. While it is not definitely known what subjects will be up for discussion, it is possible that reports of the recent church campaign will be received and ministers' salaries will be discussed. Rev. J. Traux of Grand Valley is chairman of the District.

PRESENTATION TO MISS L. B. WALKER—On Monday evening the Public and High School teachers and other personal friends met at the home of Mrs Jesse Hughes and presented Miss Walker with a miscellaneous shower of articles comprising chinaware, silverware, fancyware, etc. Each gift included name of donor with an original poetic effusion, the reading of which produced a pleasing diversion. Miss Walker has been a valued member of the public school staff for six years and on the occasion of giving up her room at Easter, was made the recipient of a choice piece of silverware and an address by her class. She leaves Durham in the course of a week after being one of the important parties in a social event of which the Review of next week will make a note. The Review in the meantime extends heartfelt congratulations and best wishes.

WEL BUILD BRIDGE.—Normanby Township Council is calling for tenders to erect a steel bridge at Lot 20, on 5 and 6. The structure is to have a 75 foot span.

Citizens are hereby reminded that all wells, closets, back yards, &c., must be cleaned and put in a sanitary condition before May 15. By Order. J. G. Hutton, M. D. Medical Officer of Health

FLOUR SOARING UP.—Retail flour prices are again on the ascension. This week they have climbed approximately \$1 per bag higher. Manitoba Flour previously retailed at \$7.25, blend flour of the local millers at \$6.50 and pastry flour at \$6.00. Add \$1 to each quotation and you will have approximately the new amounts. The farmers cannot be blamed for the increase, but the principal cause is that the millers are obliged to make much larger returns on the wheat flour.

Mr. A. H. Tomlinson, lecturer in landscape gardening and Forestry at the O. A. C. Guelph, is being brought here by Canadian Greys Chapter, I. O. D. E., to help them in the laying out of the Library grounds. He will also assist private house owners or others free of charge in the laying out of their grounds, but to facilitate matters he would like them to have rough sketches ready for him. Mr. Tomlinson will be at the Library all Friday morning and part of the afternoon.

Re Soldiers' Memorial

We have been favored with an interview by a member of the G. W. V. A. who informs us they have arranged for a canvas of the town to ascertain the choice of three propositions: a monument, a memorial hall, a hospital.

This will no doubt be interesting but as far as we can see will decide nothing. The hall idea has been so prominently the choice of the G. W. V. A. that when presented by this body, it carries a bias in its favor, even though presented in all fairness. But what avails it (as we tried to impress our visitor) should the Hall choice receive 90 per cent of the vote? It does not stop the monument, that is decided upon, the choice of design has been made by those most interested, the monument is a community idea, the hall is for the town only, and if the vote favors the Hall and gives the promoters the courage to go on with it, we certainly shall not object. It will be a town memorial alone, the monument represents town and community.

There is we understand \$500 in the G. W. V. A. treasury, earmarked for a memorial, and 75 per cent of the net proceeds of the coming 1st July demonstration is promised for that purpose also. Should the canvas favor the monument all of these sums go to the monument, we are assured, which attitude shows progress since a year ago when a public meeting was assured by a G. W. V. A. delegate, that recognition would be given only to a memorial hall. Should the canvas favor the hall, the \$500 and the 75 per cent both go the Hall and the monument stands where it is at present, a going concern, planned for, provided for, quite independent of any canvas.

This being understood why the necessity of including the monument in the canvas or why the canvas at all? Surely it is not the intention to use the vote as a lever (should the hall idea carry) to detach the \$500 already granted to the monument? Would the G. W. V. A. like to be found in this position: a monument erected for the heroic dead, partly by the help of the town and they, so far from honoring their fallen comrades by a contribution, be found pulling down instead of building up? We cannot and will not believe it of our Durham boys who shared in the horrors of the war.

The Veterans are making it clear that the Hall is not to be a dance hall, as the seats of the auditorium are to be fastened to the floor. No estimate of cost has yet been made, but it will mount into the thousands.

We believe that were the G. W. V. A. to recognize the monument as a fact, make towards its cost a generous contribution, it would so redound to their credit that sympathy and support in a much larger measure would be given to every enterprise they undertake.

Death of Mrs. Calder, Sr.

Wednesday of this week at the advanced age of 87 years, 8 months, the spirit of Mrs Eliza Calder left its mortal tenements, having survived her husband, Alex Calder by twenty five years. Her health for some time has been precarious and more than once she was near the border land, but surprising vitality pulled her through.

Mrs. Calder, (nee Miss Taylor) was a native of Banff, Scotland, and in early young womanhood came with her parents to Canada, where she met her husband and was married in Hamilton over 60 years ago. Shortly after the young couple moved to Normanby where they were among the very first of the pioneers of the "Calderwood" neighborhood and shared to the full the toils and the triumphs of early days in "the bush," by industry and thrift acquiring modest competence.

To them were born two sons and three daughters, William of Durham. George in Holstein, Mrs Jasper Smith on the old homestead, and Misses Eliza and Mary who have been guardian angels of deceased during her declining years. Over four and a half years ago they left the farm and bought a home in Durham.

The life long habits of industry that was a marked feature of her character, was well shown during the war. Few there were, at least of her age or near it, more indefatigable in knitting for the soldiers. The death in the war of her grandson Roy, was a severe blow to her also, but while able, she did not relax her efforts to provide comforts for the sons and grandsons of others. The example of her life will long remain a precious memory to those who knew her best.

Interment will take place on Friday at Durham cemetery, service at 2 p. m.

Varney Church Re-Opening

Favorable weather, a fine community spirit and bright services were the principal factors which brought success to the re-opening of Varney Methodist Church on Sunday and Monday. During the past three weeks, which was a period devoted to renovation of the church interior, congregational services and church meetings were held in the Orange Hall, and it was with a note of rejoicing that the Sunday saw them back in their church home.

The re-decorated interior presents a modest, simple but inviting appearance. The wall papering has been neatly done and decorative designs have been nicely carried out and contrasts favorably to the more garish appearance of the past. While the actual work was in the hands of Alex. Graham and Mr. Dezell, the local preacher, the main credit for the rehabilitation goes to those two right hand supporters of every progressive church, namely, the Ladies' Aid and the Young People's Society. They contributed largely to the funds required for the work, amounting to close \$100, and also gave personal effort in behalf of the cause.

Two inspiring sermons were delivered on Sunday. Rev. Mr. Cole of Durham, preached in the morning and Rev. Mr. Wren of Mt. Forest, occupied the pulpit in the evening. At the latter service the crowd was so great that all could not gain admission.

On Monday evening a pleasing entertainment was given and despite the busy season, there was a large audience. Rev. Mr. Cole was chairman, and the program contained some fine musical numbers, all of which were well received. Following are the main items: Two cornet solos, E. W. Leeson; recitations, Miss M. Cole and Mr. Robt. McArthur; addresses, Rev's Lovegrove and Cole; duett, Rev. and Mrs Cole; solos, E. W. Leeson, Miss Anna Cars, Holstein; quartette, Misses F. and K. Kerr, W. Blyth and Mrs E. Mead; three anthems by the choir.

S. McBeth, Durham's enterprising druggist has secured the agency for Templeton's Rheumatic Capsul sand Razmah for Asthma. See advertising elsewhere in this paper.

There were no cases to be heard at Division Court here Tuesday and Judge Sutherland did not come. With no sitting as well two months ago, Durham and district evidently has very few disputes or quarrels.

H. C. DUFF GOING TO DOBBINTON.—Mr. H. C. Duff, who for nine years has been Grey County's Agricultural representative is leaving for Dobbinton where he will conduct his own farm. Since coming to Markdale in June 1911, Mr. Duff has rendered remarkably valuable service to the county. In agricultural lines he is very efficient, he is a very public spirited man and has been very popular in county and particularly in Markdale where the County's office is situated. His departure is very much regretted. His successor, Mr. T. S. Cooper, is completing arrangements for large free sheep dipping demonstrations to be held at various Club centres throughout the County.

Annual Meeting Women's Inst.

The Annual Meeting of the Durham Women's Institute, was held last Thursday at the home of Mrs R. Isaac and was fairly attended and proved very interesting. President Mrs S. Mrs John McGowan; Secy Treas., Miss Winnie Blyth; Dist. Director, Mrs Wolfe; Directors, Mrs F. Irwin, Mrs W. Weir; Program Com., Mrs McGirr, Mrs Knechtel, Mrs Isaac; Auditors; Mrs. Mcraith, Mrs T.
