THE RED FRONT HARDWARE

Are You Ready for Haying?

This year we have made a special study of your possible requirements and have purchased our stock accordingly. This you will find to be complete in all the small lines required. Our aim this week is to call your attention to our large stock of **Farm Machinery Requirements**, consisting of

LUBRICATING OILS AND REPAIRS

We are Agents for the Famous **I. H. C. Repairs** and any orders entrusted to us will be carefully looked after.

Who wants an Imitation?

Would you call on your local merchant and ask him for "imitation" sugar, or raisins, or coffee? Would you ask him to sell you a pair of Shoes made of something "just as good" as leather? Or a suit of clothes "made for" a man, whether or not it fits you?

Get the Genuine Inter'l Repairs

When you need repairs for your I. H. C. Farm Equipment, buy the genuine repairs. See that the trademark appears on each piece.

Genuine I. H. C. repairs are made from the original patterns—all others are copied from copies. Genuine I. H. C. repairs are made of the same material, have the same finish, fit as accurately, and wear just as long as similar parts purchased with the original implement or machine.

There is one certain and infallible way to secure genuine I. H. C. repairs—buy them from us. And remember that International service, rendered by us, can only be 100 per cent right when International machines are equipped with genuine International repairs

MAXWELL
Has Won Its Through Its

THE metals used in chassis compare favourably with the pound with the world has put to metallurgists.

There is a real reason for Maxwell.

The fundamental purpose carry the same passenger load and at the same speeds as expensive cars.

But it must perform the truly economical way.

Therefore the Maxwell is make it strong as well as best of materials can be made.

Hence, the quality metal that Maxwell has developed.

And it is through the fact that Maxwell has developed.

This is a following of the ago with a foundation of a mark of 100,000 new Maxwell 1920.

300,000 Maxwell now two continents are a demonstration of this great car.
