Constipation Cured By Christian Science

Seventy five people out of one hundred can be cured by Christian Science methods, which prove the great power of the Mind over the Digestive Apparatus and the frequency of Nervousness as a cause of Constipation.

When these methods fail Hacking's Kidney and Liver Pills are recommended. They are purely vegetable and do not grip or irritate; many people have found them excellent for Headache, Dizziness, Stomach, Coated Tongue, Loss of Appetite, Indigestion, Gas on the stomach, and many other evils that are due to Constipation.

Where there is Extreme Nervousness and you are "all run down" and "tired easily" it would be just as well to take Hacking's Heart and Nerve Remedy along with these Pills. This combination goes well together and restores the good health of your younger days. The Heart action becomes normal, the Nerves take on new Life, Power and Vigor and the "human machine" becomes full of "pep" and vitality.

If you are tired of sickness and have lost the Power, Ability and Nerve Power to do your daily work and your Nerves are all shattered just give these two Remedies a trial and we will positively guarantee beneficial results. Go to your dealer to-day and ask for Hacking's, and do not take any other kind for if you do you will be fooled right at the start and you will not get the results that we guarantee. Hacking's Limited, Listowel.

What about the Early Timers?

People who complain because they cannot get some of the little luxuries they used to enjoy in the pre-war days might do well to remember that their forefathers lived without sugar till the thirteenth century, without coal till the fourteenth, without butter on their bread till the fifteenth, without tobacco and potatoes till the sixteenth, without tea, coffee and soap till the seventeenth, without umbrellas and lamps till the eighteenth, without trains, telephones, gas and matches till the nineteenth.

Strayed on to the premises of the undersigned, Lot 1, Con. 15, Egremont, two calves. Owner may have same by proving property and paying expenses.

A very pretty June wedding took place at the home of Mr. and Mrs. Peter Mutch, Egremont, which was decorated with prunias and orange blossoms, on June 23rd at half past five, when their daughter, Nellie Irene, was united in marriage to Mr. Roy McGillivray, son of Mr. Allan McGillivray, of Egremont, by their pastor Rev. G. S. Scott. The bride, who was given away by her father, was attired in a gown of beaded white Crepe de Chine with pearl necklace and wore the groom's gift, a gold wrist watch and carried a bouquet of carnations and sweet peas. About 30 guests, immediate relatives, sat down to a dainty lunch after which the evening was spent in social intercourse. They received many valuable and useful presents. LEAGUE STANDING

Team	Won	Lost	Tied	Points
Dromore	1	0	1	3
Orchardville	0	0	3	3
Yeovil	0	0	2	2
Holstein	0	1	2	2

Dromore played Holstein Friday, June 25th, to a score of 3-2 in favor of Dromore. Dromore started strong scoring 3 goals in the first half, Edgar Henry scoring two, and A. Long the third. Henry and Patterson played star games for Dromore. Holstein came back strong in the second half, Eccles starting the scoring when he beat Renwick on a free kick. The next goal was scored by G. Burrows in a hot scramble around the goal. Holstein played hard the last half to tie the score and only tough luck prevented a draw. The game was kept clean by good work by Tracey McLuhan. The League is fortunate to procure such an experienced referee.

Yeovil and Orchardville played a fast game at Yeovil Tuesday, June 29 resulting in a tie, 0-0. On account of showers in afternoon, the grounds were wet and consequently the ball was heavy, making the play a little slower than it otherwise would have been. All credit to the boys for turning out and playing.

Holstein plays the return game at Dromore Friday night. These two teams have made a record for scoring goals. Come and see a battle royal—the best game of the season.

GAMES YET TO PLAY

July 2—Holstein at Dromore.
9—Holstein at Yeovil.
30—Orchardville at Dromore.
Aug. 6—Holstein at Orchardville.
10—Dromore at Yeovil.
13—Yeovil at Orchardville.

The game, Yeovil at Dromore which was postponed, has not been arranged by Committee as yet.

YEovil

Once more summer vacation arrives and we hope teachers and pupils will thoroughly enjoy the coming two months. The majority of the pupils have been successful in their promotion examination and we wish those writing these days on their Entrance examination success also. To any who have failed or may fail we would say "Don't be discouraged. Try again. Not failure but low aim is crime."

To-night, Tuesday, we expect to see a strong contest between the Yeovil and Orchard football teams, here, Last Friday the tie was first broken in the League, when Dromore beat Holstein at the latter place by 3 to 2. Last Wednesday the Holstein Junior team came over and played a fine game with our Juniors, resulting in a 2-0 victory for Yeovil. We hear the Holstein boys say they are going to do better on the return match. Never mind as long as a clean, sporty game is played—that is what the onlookers like to see.

Congratulations to Roy McGillivray and bride (see Nellie Mutch) who last Wednesday were married by their pastor, Rev. Mr. Scott, at the home of her parents. We wish them a long life of happiness.

Miss Ethel Langdon of Arthur, visited relatives here last week. Her cousin, Percy White took her home in their new car, which arrived last week.

Alfred Haas is having a change from farm routine this week by working at his old trade—fixing a barn for J. Bunston.

Was it Isaac Walton who years ago said "Doubtless God might have made a better berry than the straw-berry, but doubtless God never did?" This year the wild strawberries are plentiful and luscious but the picking of them spells work and hot work too. However they will be very appetizing when the cold winds blow next winter.

NORTH EGREMONT

The barn raising of Mr. Frank Scott—a heavy frame one—took place on Friday last. Sides were chosen with Jos. Crawford Harrison and Fary Lawrence as Captains, the latter winning by a narrow margin. Hands to the extent of 100 or so were there from far and near and the feminine side of the community was equally well represented.

The old fashioned roadwork is in full swing this and last week. Good jobs are being done in some localities while others are questionable, a considerable amount of travelling being done on the sidewalks incidentally to the concession/bleeding County roads.

Entrance examinations are on at Dromore Centre S. S. No. 13, with Mr. Neil McEachern, Cedarville in charge. 11 pupils are writing.

A good many from this part intend taking in Owen Sound's July 1st celebration.
