## TOWN TOPICS

**Housemaid Wanted.**—Apply at once to Mrs David Jamieson.

**FOR SALE.**—One Chevrolet Baby Grand Car, good as new. Can be seen at Chevrolet Garden, Durham.

A garden party under the auspices of Trinity Church will be held on the Rectory grounds on Tuesday, Aug. 10th. Durham Band in attendance.

**REWARD.**—\$50 reward is offered for information leading to the conviction of the parties responsible for the cutting of the hose on my gasoline pump on the night of July 28-29, 1920.

J. H. Parke, Dornoch.

The Annual Garden Party of Burns Church, Rocky Saugeen, will be held on Wednesday evening, August 11, on the lawn of Mr Lachlan McLean. Supper served from 7 to 8. A good program is being prepared. Admission, 25c, and 15c.

A sensational tragedy is stirring our sister town of Chesley, Thursday of last week Joshua Green shot and wounded H. H. Cavill, drayman. The latter died on Monday and Green is now held in Walkerton jail. In due time his trial will be staged.

The Fairbanks Morse Co., of Toronto wish to introduce their Delco Lighting system into farm homes in this vicinity. and to this end the grounds of Mrs John Bell, Glenelg, will be electrically illuminated at the Pres. Mission Band Garden Party, Friday evening, August 6th.

Another splendid Entrance class record is that of Mr Herb Hannam, Principal of Nottawa P. S. Seven of his pupils wrote and all were successful, two Seniors and one Junior capturing honors. This and the fact that his entire class passed last year fully sustains the reputation for thoroughness and ability that characterized Herb when a student at D. H. S. and later as a most successful teacher.

**CAPTURED AN EAGLE.**—The Willie Sank, Press, relates an adventure that befell Dan McKinnon, son of Mrs. Allan McKinnon, Upper Town. While driving home a party of girls from a camp a young eagle lit on the road in front of his car. He stopped, captured it, "without the aid of salt either" says the paper. The bird very gallantly was given in charge of one of the young ladies.

Congratulations to Misses M. Koch and M. McIlraith whose names appear in the list of successful passers at the Upper School examinations. The former has now passed Parts I and II: the latter Part I and has taken honors. Misses Ursie Matheson and Miss W. V. McCuaig both well-known here, have also passed the former Part II with honors, the latter Parts I and II. The two first named, graduated from Durham High School, the two latter from Owen Sound Collegiate.

Motor propelled vehicles have increased over 25 per cent in a year, and greatly increased also is the use of farm tractor-marine engines, and factory and farm equipment. As these all depend on gasoline for power there seems to be a probability of a prediction of 75c gasoline coming true. The motorist has to face not only the rising price of gasoline, but the unpleasant assurance from Hon. F. C. Diggs, Minister of Highways, that next year motor licenses will be raised. Presently to \$15.00. The revenue from this source this year amounts to \$2,000,000.

**RECONSTRUCTION** is the order of the day. If you have formed the Savings habit you are prepared to meet its opportunities; if not, reconstruct your methods and begin today. We have a Savings Department at every Branch.

**Maid Wanted.**—Apply to Mrs. J. F. Grant, Durham.

Mr. J. Levine has purchased from Mr. J. W. Johnston his fine 250 acre farm just north of Durham.

**FOR SALE.**—One fresh calved Cow. Apply to A. McCormick, R. R. 1, Durham.

**Car Marker Lost.**—No. 140829, between Mulock and Durham on Sunday evening, July 18. Finder please leave at Review Office. Reward.

The regular monthly meeting of Canadian Greys Chapter, I. O. D. E. will be held in the Public Library on Tuesday, Aug. 10th at 8 p. m.

Don't forget the Garden Party at the home of Mrs. John Bell, Glenelg, on Friday, Aug. 6. The Durham Band will be present and a good program will be given by the Presbyterian choir. Admission 25c and 15c.

Messrs Duncan Clark, Ben Coutte, Jos Patterson, Bentinck, Harry Williams, Robt. McFadden, Geo. Stewart, Irwin Anderson, Glenelg; Ben Woods and Robt Nicholson, Egremont; A. A. Cotton Durham, are recent purchasers of Ford cars through C. Smith & Sons, local Agents. Mr Cotton's car is a Coupe.

Two changes in newspapers in this locality have recently transpired. Mr Nolan has sold out his share in the partnership of the Chesley Enterprise to his partner, Mr Wm. McDonald and has purchased the Barrie Advance, an old established paper. Mr T. H. E. McCullough of the Chatsworth News has sold out to the Fleming Pub. Co., publishers of the Sun Times, Owen Sound, who are placing a lady editress in charge.

## Semi-Final Lacrosse Match

Sarnia Plays Here  
Wednesday Next

The first of the semi-final games, Sarnia vs. Durham will be played in Durham on Wednesday, August 11th, at 4 p. m. Sarnia have captured their district also and have a strong line up. "It will be a great game and no one for miles around should miss it. Admission only 25c and 20c. The return game will be played in Sarnia Saturday following, and goals count on the round.

## U. F. O. Picnic at Bunnessan

Though Bunnessan U. F. O. ran into unfavorable weather on two previous occasions for their picnic, they were favored with a splendid day Monday, Civic Holiday. A big crowd attended and enjoyed the sports, though the day was somewhat marred by an unfortunate accident which befell Angus McCormack, son of Dan McCormack of Glenelg Centre in the baseball game. He was at bat for Glenelg Centre and was struck with a pitched ball behind the ear, which dropped him unconscious. His condition was serious for a time but we learn to-day, Tuesday, he is recovering. Ceylon won the game.

Several races were pulled off which resulted as follows:  
Men's 100 yards—Sam Arrowsmith and E. Burke tied, Thos Ball.  
Boys under 14—L. Wilson, J. Betrunck.  
Young ladies—Hazel Beaton, Irene Whittaker.  
Running hop, step and jump—Ovie Anderson 35 ft 7 in. Sam Arrowsmith 34 ft 4 inches.  
Running jump—Ovie Anderson 16 ft 5 in. Sam Anderson 15 ft 5 in.

G. M. Leeson, M. P. P. was the chairman for the program and delivered a brief address, as did also Messrs George and Thos Binnie. The feature of the program was the fine three quarter hour address of Miss McPhail which received good attention. The main points of her speech are given in the report of Allan Park picnic where she also spoke, in another column. Swinton Park Pipe band interspersed good music at intervals during the afternoon and booth and dancing platform were liberally patronized well into the night. The proceeds were about \$300 of which \$60 will be clear.

## Hon. Rollo, Minister of Labor

Addresses Gatherings at Allan Park and Hanover

A bright afternoon following a heavy noontide shower allowed of a great gathering at Robt Brigham's fine picnic grounds under the auspices of the U. F. O. on Thursday last. The chief attraction was the presence of Hon. Walter Rollo, Minister of Labor in the Drury Government and scarcely less so was the desire to hear Miss McPhail, whose reputation is becoming provincial wide. Then there was Mr S C McKee, the commercial expert of the U. F. O., our own M. P. P. Mr. G. M. Leeson and the Mr. Forest pipe band so there was almost more than enough for a program on a bright July day.

Mr Leeson was chairman at the Park, and made his remarks brief but to the point, seeing there was ample outside talent.

Mr McKee representing the co-operative activities of the U. F. O. is a fluent speaker and holds the audience through masses of figures as few can. The political and co-operative departments were, he said, as man and wife, each belonged to the other.

Some concrete examples of co-operative benefits caught his audience. There had been delay in getting sugar ordered in March last, but it was coming and would be supplied to the fortunate ones, who had their orders in at 17c a lb as promised.

Their department had in one year handled 350 carloads of Co. Grey live stock representing a value of \$900,000. In the whole province 60,000 carloads of cattle and 80,000 of hogs had passed through their hands.

Another concrete example to show how the farmer profits by using U. F. O. facilities. A large shipment of Manitoulin cattle were ready to send to Toronto, a speculator offered \$80 a head. The offer seemed good but the young man in charge decided he would not accept, went himself, paid freight by boat and rail and cleared \$115 on each beast instead of \$80, by using the organization.

A similar result was shown in their handling of cream, so with poultry, eggs, coal, twine, &c.

Illustrating exorbitant charges of middlemen he analyzed the cost of a suit of clothes, figures obtained from experts; the cost of wool, manufacturing, dyes, lining, buttons, &c. and giving reasonable profits amounted to \$25, yet he paid \$47. 50 for it. Who got the difference?

Referring to timber scandals he said Premier Drury had made a beginning and recovered \$1000 from timber profiteers, and hundreds of thousands more were expected. He defended the premier as to railway question: Why build a fourth railway, say from Toronto to Belleville, when already C. P. R., G. T. R., C. N. R., run parallel and when there are places in Ontario 12 to 15 miles from a railway?

Mr McKee was a farmer up to his 50th year but lost his only son in the war and had to give up.

Miss McPhail was in fine fettle in the Park and in Hanover Hall where she again followed Mr McKee. As usual she has had rubs for "the bunch at Ottawa I like so well" who cling to office in spite of demands to resign from civilian and soldier organizations. It had been charged, she said that U. F. O. stood for "United for Office" and with this meaning it could be aptly applied to the Ottawa government.

She used to pronounce the new premier name Mech an, but was glad he had told us how; it was "Me-en," which pronounced as one syllable (Mean!) just described him and his government! A sally received with applause and more followed as she accused the Liberals of using a platform like gangway plank on a boat, then pulling it in! Both parties had exploited the people. There was still going to be two parties; in one would be found the honest, the thrifty, the industrious; in the other the profiteers and graters.

She repeated the house furnishing story showing for a modest workman's hon a duty charges of \$305. She puts a bride and groom into it now and over their clothing brings the sum over \$400.

Out of the making of a plowshare, labor gets 4c and all other charges brings cost price up to 27c. Yet in the same town, the consumer pays for that plow-share 68c?  
She urges direct taxation to overcome tariff profiteering. The high cost of implements she asserts is not all caused by high wages to workmen. Ford cars in Canada cost in 1916 \$133 more than in the States yet the States workmen got as good wages as the Canadians and the same thing applies in 1920 to other things than automobiles.  
Tariff injustices to farmers, labor and

consumers in general, she said was "building a top heavy civilization which will, unless remedied, topple over some day and cause disaster."

She closed by an appeal to "send men to Ottawa with backbone, not gristle."  
Hon. Mr. Rollo, Minister of Labor, says of himself "I was born a worker, not an orator," yet he's a substantial part of the government fabric, has his facts well marshalled and tells the labor and union story with vim and clarity though up to May of 1919, he was at work as an ordinary workman.  
He opened with compliments to the previous speakers which was a demonstration that the U. F. O. has abundant material to tell of its aims and objects.
