Hold - and Buy More !

Every barometer by which investment values are appraised points to a strengthening tendency in the Victory Loan Market. The Minister of Finance announces there will be no increase in the supply of these bonds. There has however, been an increase in the income tax. These two factors alone add substantially to the value of Canadian Victory Bonds. Every owner should make the strongest effort to retain his present holdings. Also, he should do his utmost to buy more at present prices. We recommend:

Table with columns: To those with incomes exceeding \$5,000 a year; 1933 maturity (tax free); 1937 maturity (tax free); To those with incomes less than \$5,000 a year; 1934 maturity.

Accrued interest to date of delivery must be added to these prices. Our prompt attention and quick delivery is a convenience to our clients.

Toronto Club won from Egremont's Picked Team

Score 4-1, but play was quite even. Fine Concert at night.

All roads again led to Holstein on Monday last, where a large turn-out of Egremont's youth and beauty and old age came to cheer the football clubs of Egremont to victory if possible.

The first game between Yeovil and Dromore Juniors was called at 3 o'clock. Dromore scored first, a penalty kick made by Reg. Ramage, but Yeovil came back strong scoring three goals, all by Norman Drimmie, making the score 3-1 at full time in favor of Yeovil. The line-up:

DROMORE: Small goal, Lamont H. Atchison backs, D. Ferguson C. Eccles M. Long Jas. Hooper half backs, Geo. Troop Percy R-nwick Bob Henderson Percy Harrison Ferguson C. Scales forwards, Cliff Rogers Small Melvin Long N. Drimmie R. Ramage N. Haw M. McGillivray A. Hastie E. Ross

Referee - Roxborough, Toronto

Before the big game between the Massey-Harris team from Toronto and All-Stars of the four clubs in Egremont, a generous lunch was served to the large crowd present. The result of the game, a 1-0 in favor of M.H., was a surprise to themselves, who freely expected a much larger count. It was nearly six o'clock when the game started, and every nerve of the onlookers was unstrung wondering how our boys would stand up against the visitors from Toronto. Some looked for a walkover on the part of Toronto and those who did not see the game might think so by the score but when it is taken into consideration that 2 goals were scored by Toronto on penalty kicks and 1 headed in by an Egremont man, it will be seen that the visitors scored only one by real strategy and without this luck, the score would have stood 1-1. The All-Stars deserve great credit for the game they played. It was fast, clean and very even. One could see however, with what ease the visitors played through training and position on the field. The Toronto boys admitted that had the local boys the training, they would have been unable to score. They also said it was the hardest game they had played all year. Deward Henry, an old Egremont boy several years in Toronto, was on the latter line-up.

The first two goals were scored by penalty kicks which caused a little interference on the part of the spectators, thinking the Egremont boys were getting a raw deal. They had good grounds for objection especially the first penalty, as the foul was caused by the opponents. The next goal was scored on a shot by McLaren being headed into the goal by McKenzie who misjudged the ball. Half time 3-0.

The second half was even faster than the first, N. Dickson scoring Egremont's lone tally on a corner kick. Toronto ten minutes later scored the nicest goal of the game. Time-1 hour and 30 minutes.

ALL STARS: Goal-John Reunick, Dromore Backs-Bruce McKenzie, Holstein Bert Gibson, Holstein Half back right-Percy Whyte, Yeovil centre-Roy Dickson, Orchard left-Norm Dickson, Orchard Forwards, r-wing-S Patterson, Dromore -E Henry, Dromore centre-F. Coburn, Holstein left wing-Al Nicholson, Yeovil -Jas Nicholson, Yeovil

The receipts at the gate were \$313. \$100 of which went to the M. H. team for expenses. Along with proceeds of the crowded hall, it will leave the tidy sum of over \$200 out to the League.

The Harmonic Male Quartette of London, which gave such pleasure a few weeks ago, drew a packed house for the concert at night and the audience left delighted with the entertainment provided. All four possessing voices of unusual merit, their blending, harmony and precision was a treat to the ear. They were equally at home in standard or humorous numbers, some of their best numbers being "The Battle Eve," "Carry me Back to Old Virginia" and "Annie Laurie." "Little Jack Horner," "Two Foolish Little Flies" and the twin song brought down the house. Several numbers given at the anniversary concert were repeated by request, and were none the less appreciated.

Win 2 points; Loss 0 points; tie 1 point.

NORTH EGREMONT

On Monday evening, July 26th, a pleasant surprise was accorded Mrs Walter Hastie, wife of our ex reeve and present County Auditor. Her daughter Effie—with the assistance of her friend Miss Fickers, both from Toronto on their holidays—took occasion to make a fine birthday cake during her mother's absence at Mt. Forest for a day of the week previous. The secret was well kept until a goodly company of neighbors and friends began to arrive to help celebrate the mother's birthday which fell on the day before. At the proper time the company retired to the dining room, where a sister layed among other fine things was this cake surrounded by as many wax candles or tapers indicating the years of the celebrant.

She was good enough without any of the foolish restraint generally attributed to women, to tell us her age, but it is not our province here to let the general public know, out of courtesy to the lady in question, suffice it to know that she is generally credited with looking ten years younger than she is. Many will join with us we are sure in offering hearty congratulations coupled with good wishes for many happy returns of the day. She is along with Mrs T. Atchison, a contemporary of the earlier days, members of the choir to which their daughters belonged, which perhaps accounts— we will say so anyway—for their present youthful looks.

Misses Florence Renwick and Effie Hastie who will again soon be leaving at the close of their holidays, favored the congregation to a couple of quartette volunteries on Sunday last, Reginald Ramage and his father filled in the other parts.

Mr and Mrs Wm. A. Lawrence and two daughters, Gerrie and Eva, accompanied by Mrs Ector from the West, and Mr Lawrence, motored to Welland to visit their brother Tom on Thursday last and returned on Monday night. Messrs Harvey Williams and Wesley Baxter are doing the cooking act, and do not require so far, any dog to look the dishes.

Messrs John and Lemuel Borthwick with their wives, motored from Guelph on Saturday last, on a visit over the Civic Holiday to their uncles, Thos Reid and Simeon Williams.

Christian Endeavor and Dromore choir held a moonlight picnic at the Lake Thursday evening last, when boating was the chief amusement. This breaking of a swing rope nearly caused a serious accident.

We are constrained to write about a recent ride we had in an up-to-the-minute Ford car with all the latest improvements, one that appears to stop when the driver and the forward by my side "hollered wooo." This friend was rather dubious about trusting his precious neck in the thing, until assured by a kind neighbor that he would come along behind and pick up the remains. This somewhat mollified him, the only regret he expressed then, with rare conjugal elicity, was that he had not said good bye to his wife before leaving home. As a precautionary measure he sat with the open door in his hand—should the car take an elevating notion to climb a telephone pole or have a depressing intention to crawl through a culvert—prepared to do an acrobatic stunt, which would qualify for the C. N. E. Such a leap might act as a good cure for rheumatism if well taken, easier to take we imagine than exposing the part affected to the sting of a bee. However the journey was safely made and no regrets, that word which is so suggestive of a cannibal feast, were to be picked up.
