The bye election to fill the vacancy in E. Elgin, has been fixed for 22nd November next. This riding has been vacant for almost six months and this promises to be a spirited fight between the candidates of the Meighen government and of the U. F. O. So far no Liberal candidate is spoken of.

A number of Durham lacrosse enthusiasts are away to Orangeville to-day, Wednesday, to witness the last district match, Orangeville vs. Weston. The teams were tied and Weston won the first game at home by only one goal, 7 to 6, last Friday.

A BIG CATCH.—While fishing out at Princeton Tuesday evening Messrs Shirley and Allie McIntyre, Arch. Robertson and Robt. McCracken landed some large speckled beauties. Shirley pulled one out after 20 min. play for it, 17 inches in length and weighing 2 lbs. 6 oz. It was caught with a small No. 8 fly hook, and was bigger than had been hoped for. Arch secured half a dozen fine trout, two of them going about 2 lbs. each.

The contract for the motor vehicle license markers for 1921 has been let by Hon. F. C. Biggs, Minister of Public Works and Highways. The number will be hypenated in groups of two and two—for instance, 13-92-72. The Canadian-born Secretary of State for New York State, the Hon. Francis M. Hugo, originated this plate hypenization scheme. It was found that numbers more readily and accurately seen and remembered.

Friends of J. P. Whelan, formerly of Durham, Warton and Hepworth will be pleased to know that he is one of the most prominent business men of Hamilton. Since leaving Hepworth some fourteen years ago he has steadily forged ahead until he is now managing-director of the Arcade Ltd., the largest departmental store in Hamilton. He is also one of the principals in a newly incorporated buying company capitalized at over a million.

After all had gathered and been seated, supper was served and an attractive program followed, with the pastor, Rev. Mr. Cole in the chair. The program was brimful of many fine recitations, musical numbers and two inspiring addresses by the neighboring Baptist pastors, Rev. Mr. McEwen and Aird. Misses Lily Black, L. Varty, Esther Firth and little Clara Jack contributed recitations all of which caught the public favor.

The Methodist Male Quartette of Durham are popular entertainers and rendered three quartettes: "Speed Away," "Steal Away" and "Let the lower lights be burning." No fewer than four or five duets were given; Mrs. Thos. Cook and Miss Jessie McFarlane sang "Beautiful Ohio," Mrs. J. O. Greenwood and Miss Muriel Beaton "Golden Gate," and also Misses Carrie & Katie McNally and Mrs. W. J. McFadden and Mrs. R. T. Cook with Mrs. McFadden accompanying. Miss Janet Marshall, recently teacher at Zion rendered "The Sunshine of Your Smile" and Miss Katie McKechnie of Markdale and P. Ramage Durham also contributed songs. Instrumental numbers on violins and organ by the Misses McNally and Mr. George Ritchie brought heavy scores.

"God Save the King" concluded the program but not the evening's fun, for the social time was continued and the young people enjoyed games for some time later. The proceeds at the gate were over \$80.

Mrs. Whaley's sale of household furniture on Monday afternoon was largely attended and realized good prices under Auctioneer McPhail's hammer. She retained some of the furniture and left Thursday for her home in Zorra.

The Woodstock Sentinel-Review (daily) has raised its rate from \$4 to \$7 a year, an increase of 75 per cent. The Guelph Mercury and the Peterborough Examiner have each gone to \$6 a year; all Alberta newspapers are now charging \$8 a year by mail or \$13 delivered by carrier boy; the Victoria (B. C.) Times is now \$12 a year delivered.

AN UNEXPECTED WINDFALL.—Quite a nice-sized little fortune is to drop into the hands of Mr. Mal. McMillan, 3rd con, N. D. R., Gleneig, so he learned recently. A bachelor nephew who was a wealthy sheep rancher in Australia, died some time ago leaving an estate of \$90,000 to be divided equally among four heirs, of whom Mr. McMillan is one. He has received word that his share will be forwarded in a short time and is to be congratulated on dropping in to enough to spend his declining years in comfort, after years of hard work in "hilly Gleneig."

LIGHTNING DAMAGES PRICEVILLE CH.—One of the worst storms of the season passed over Priceville on Saturday and left its mark on the spire of the Presbyterian church which is damaged to an estimated extent of \$500. Some paper on the floor of the basement also caught fire, but burned itself out before communicating with the woodwork, or there might have been a more damaging story to tell. A despatch to an O. S. paper says: "The heat, however, was sufficient to blister the paint on a nearby door and to completely burn the paper label off a large oil can but fortunately the oil was not ignited or the church might have been destroyed. We rejoice with the community in the escape of their fine church which has been recently re-decorated and wired for electric lighting, soon to be installed.

Zion Garden Party.

In common with other outdoor events this month, Zion Methodists were favored with a fine evening last Friday for their annual garden party. A heavy shower fell not far distant a couple of hours previous, but at Mr. Blair's, where the event was held, only a few drops fell. The grounds were brilliantly lit by the Delco lighting system this being the fifth garden party C. Smith & Sons have lighted this summer and the fine illumination has enhanced their enjoyment.

After all had gathered and been seated, supper was served and an attractive program followed, with the pastor, Rev. Mr. Cole in the chair. The program was brimful of many fine recitations, musical numbers and two inspiring addresses by the neighboring Baptist pastors, Rev. Mr. McEwen and Aird. Misses Lily Black, L. Varty, Esther Firth and little Clara Jack contributed recitations all of which caught the public favor.

ROUGH HOUSE AT SARNIA

Defeated Durhams 16-3 but Game is Protested

As an exhibition of how lacrosse should not be played, the return Durham-Sarnia semi-final in Sarnia last Saturday was a grand success. Smarting under their 9-4 defeat here, the Sarnia team and spectators were out to win by any means and to batter the Durhams into submission was the surest method. In this they were ably abetted by the spectators who encouraged their team by such calls as "cut him open," "lay him out" and many more vile expressions. The players as well told others of the team to "get him," etc. There was no police protection of any kind, the on-lookers crowded in onto the field from both sides until a narrow lane was confined to a narrow lane. Referee Harcourt and Collins of Toronto appeared either helpless or indifferent to check the rough play, and Sarnia received very few penalties; in fact the referee was even heard by the Durhams, coaching the Sarnia players. Under such circumstances it is little wonder that the Durhams "let go" by half time when Sarnia was only four goals ahead 6-2. In the last half Sarnia added 10 more to Durhams 1, whereas in the last half of the match in Durham, where the game was kept clean the Durhams outscored them 7 to 0, Kerr, last season with Durham's credit, led with playing the "dirtyest" game for Sarnia, while several of his teammates were little behind. Farrell was laid out for the last half of the game and Zimmer was also laid up in the 3rd period. The rest of the Durham team continued in the game.

It appears a very distorted write-up of the Durham game was published in the Sarnia Observer, in which Durham was charged with rough play on the field and other discourtesy off. As a matter of fact, the game was quite clean here, efficient referees penalizing only one Durham man to six of Sarnia's, while their team was given every courtesy, being met with bears, and medical attention and a car laid out once provided for one of their players accidentally hit by the ball, and laid out.

Sarnia's team gathered from the four points of the compass will probably not long enjoy their victory, for Durham has entered protest against four of their number—Kerr, Karn, McAllister and Glintz, who are ineligible. The O. A. L. A. will decide the protest this week, and chances are they will be thrown out.

JUVENILES TRIMMED Owen Sound Juniors

The local Juvenile team were seen in their first full game here on Wednesday, when they took the measure of Owen Sound's Junior team by a 7-4 score. The visitors were a much heavier aggregation but appeared to have little system, while the home lads were ever aggressive, and what they lacked in weight, they more than balanced up in team work and stick-handling. Play was quite even in the first half as was the score 3-3. Thereafter the Durhams gradually pulled away, making it 5-4 at 3rd period, and 7-4 at finish, almost monopolizing the ball in the last session. Two of the Durham regulars, McGirr and Snell were absent and unwell, Heugill and Ernie McDonald, playing 3 and 1 periods in their stead and subs. The balance. Cecil Wiggins looks a find in goal, and the two little chaps Albert Kress and S. Rowe held up their end well. The locals are a fast bunch for their first season in lacrosse, but we imagine will require to tighten up considerably yet to take the round from Sarnia's fast-traveling juveniles. Here's hoping they prove equal to it. The Durhams were: goal—Cecil Wiggins, point—Heugill, cover—Hilton, Rowe, defence—Harry Kress, Harold Mountain, centre—Cliff Buschlen, home—Sherwood Rowe outside—Albert Kress, inside—Erben Elvidge. Subs—Snell, E. McDonald, R. Burnett. Referee—Howard McDonald.

Co. Grey Grand Champion Says the Farmers' Sun

For some time the Sun has been a sort of clearing house for abnormal grain growths sent into it from all parts of the country. We quote from its issue of August 18th:

Grey has finally managed to get hold of the odd champion, and now has three to its credit, while Peterboro, the nearest competitor, has but two. We therefore announce Grey grand champion county by sent in sweet clover 11 feet, 1 inch long. How it even grew so big is a mystery. By the way, next time you sent in an entry, Mr. Cooper, send it addressed to The Farmers' Sun. We had some trouble getting your letter and entry. That secured the honors for Grey county. Grey deserves the credit, but some of the other counties should see that she does not hold the title too long.

Rev. Peter Nichol of near London is visiting relatives in this locality. Miss A. C. McKenzie has returned from holidaying at Milton and was accompanied back by her sister-in-law, Mrs. John McKenzie.

TELEPHONE RATES GOING UP.—The Bell Telephone Co. has applied to the Railway and Municipal Board for permission to make a substantial increase in telephone rentals. For Durham and similar sized places with 400 or less phones, the charge is to be \$33 for a business phone, \$26 for a two-party line and \$21 for rural phones a boost of 25 to 50 per cent. Toronto is up in arms over the threatened increase, as business houses there will be much harder hit. If the Board granted permission to levy the new rates, they will go into effect on Sept. 16.

Some have gained the impression from our item last week that the U. F. O. executive of South Grey had decided not to nominate a candidate. This is erroneous. They have simply deferred action for the present but intend to bring out a candidate, at a later date.

The death took place at the home of her great niece, Mrs. Wm. Robertson, Sullivan on Tuesday of Mrs. M. McKelnie, formerly of Rocky Saugeen, at the age of nearly 90 years. She has resided with Mrs. Robertson the past 10 or 11 years since leaving the Rocky, where she took the place of a mother to Miss Bessie Campbell, recently with Dr. Smith's Durham, and to her sister Susie (Mrs. Robertson). She was an aunt of Mrs. J. W. Smith of Aberdeen. She has been ailing for some time and succumbed to dropsy. The funeral took place on Thursday.

Hymenial

A pretty home wedding took place in Mt. Forest on Wednesday, Aug. 18th, at 2 o'clock when Rev. D. Wren, pastor of the Methodist church, united in marriage Elsie Forest, only daughter of Mr. Wm. Pickering and the late Mrs. Pickering and Joseph Lynn Yule, only son of the late Alexander and Mrs. Yule of Harrison.

The bride was brought in and given away by her father, looked lovely in a white satin and georgette dress embroidered veil and carried a bouquet of orchids and roses. She was attended by Miss Grace Wright and by her niece, Miss Dorothy Pickering of Durhams flower girl. The groom was supported by Mr. Walter Pfeiffer of O. Sound and the bride's cousin, Mrs. D. C. Braund of Bradford, played the wedding music. After the ceremony and congratulations, the bride and groom retired to the lawn where a buffet luncheon was served after which the bride and groom left by motor, the bride travelling in a racy blue tulle dress with hat to match. After a boat trip the bridal pair will go directly to their home in Owen Sound.

The bride who is a sister of Dr. C. Pickering of Durham, is held in highest regard in Mt. Forest where her skill as a musician and her amiability have made her very popular. For a number of years she has been organist and choir leader of the Methodist church and will be missed in musical, social and church circles. Mr. Yule is organist of Division St. Presbyterian church, O. Sound, is also musical director of the Owen Sound public schools. He is well known by many in town where, as Lieut. Yule he recruited for the 28th Overseas Battalion in Durham, later going overseas.
