Markdale and Durham High Schools will hold their annual Field Day on Durham grounds Friday afternoon. Boys and girls' baseball games are the leading events in the list of athletic sports. Markdale won first honors, Durham the second last year, so Friday's winner will have the "edge."

The unwanted snowfall of Oct. 1, when some five or six inches of snow fell, did more than knock out shows that day. Orchards suffered considerably, the wet clinging snow falling on branches in full foliage, sometimes heavy with fruit, broke them off and occasionally ruined the tree. The snow was gone in a day but it left its mark.

FINE \$200 AND COSTS—Appearing before Magistrate Laidlaw Friday morning last, Mr. Geo. Shier was fined \$200 and costs for an infraction of the O. T. A., the charge being having liquor stored elsewhere than in his private dwelling. It had been kept in a vacant house owned by him on Durham Road. 22 bottles of ale secured there were smashed by order of the P. M.

CONSIDERABLE SAVING TO LITIGANTS.—Beginning on September 1st the jurisdiction of the Division Court was doubled. Now it is possible to sue in this court up to \$400 and interest on an ascertained account; \$200 on an open account and up to \$120 damages. As compared with the cases which heretofore had to be tried in the County Court there will be a considerable saving to litigants in the matter of costs.

While Mr. Harry Falkingham was driving his car down the 2nd con., Glenelg, last evening, a metal clip around the front tire caught on a nut under the fender, which resulted in a bent steering gear, and the car toppled over on its side into the ditch. Mrs. Falkingham received a shaking up, but fortunately none of the occupants were injured. The top and windshield of the car were smashed.

That Rev. W. W. Prudham, formerly of Warton but now of Drayton, is always full of new ideas as an egg is full of meat is evident in a novel circular which was distributed in Drayton last week and a copy of which appears below. The idea is certainly an original one and we understand resulted in a monster church attendance. The circular follows: "Autumn Sunday, Sept. 26, '20, Drayton Methodist Church. Everybody who has an automobile is invited to use for church services next Sunday. The services will be special and unique. 11 a. m.—Sunday School Rally. The Programme will be given by the Sunday School. Bring a load of boys and girls, your own and others. 7.30 p. m.—Your automobile a gospel preacher." Rev. W. W. Prudham will preach a special sermon. Bring a load of people who do not usually go to church. Make your car work for God.—Echo.

Durham Show in Hard Luck

An October, Snow Storm Knocks Out the 2nd Day

Thursday of last week was not altogether promising, but it allowed exhibitors to South Grey Fall Show to come out with a goodly display of home and farm products. But Friday!—the big day! opened drearily with rain, turning early in the forenoon to snow, and snow it did all day, a soft heavy snow, that put all thoughts of showing or sightseeing completely out of mind. It was hard luck, but there was no one to blame and nothing to do but settle down to the hope that 1921 would be more promising for 1920 was clean knocked out. There was a thought of choosing another day, but difficulties loomed so big, the idea was dropped.

The pity of it too! Not for years, if ever, was there such a display in the upstairs part of the hall, of ladies' work, home cooking, preserving, &c. Downstairs the roots and vegetables were also most creditable. Great pumpkins, corn of giant length, grain in artistic sheaves, tempting fruit, lovely flowers and foliage and much else was not wanting. An exhibit by Wm. Ramage of a "wheel of life," the radiating spokes of which were composed of all the grains and grasses of the district, drew much attention as it did at Holstein, and must have taken much work to arrange. C. P. Kinne had an extensive display of harness, in the hall and other contemplated displays outside had all to be abandoned.

To the horsemen, who for a day or two had been gathering with their steeds, the shut-off was a great disappointment. Arrangements were made to have the races on Monday, but not under Society auspices. The Society made a small grant to them to help meet their expenses.

THE CONCERT.—Contrary to expectations the Town Hall was well-filled for the concert put up by the Ionic Quartette of Brampton, who excelled in quartette work and individual numbers also drew applause. Each member is a finished soloist, and they branched out into comedy as well, as they branched into their negro skit, and plantation songs. The "Hydro" also went wrong that night compelling both artists and audience to suffer somewhat. But it was a good concert and enjoyed we think by all. Miss Margaret Hunter acted as accompanist.

Methodist Anniversary.—Last week the Baptists this week Durham Methodist church had their Anniversary, and two fine audiences on Sunday listened to uplifting discourses by Rev. Mr. Cozens of Walkerton and enjoyed the special choir and solo music provided by the gifted voices of the Methodist church. Good weather prevailed all day, and in the evening every available space was utilized by earnest worshippers, and some could not be crowded into the church and went home or elsewhere.

In the morning the text of a fine sermon was from Lev. 27: 30, "And all the tithe of the land is the Lord's." The question every Christian should ask is "What does God want me to do with the portion of this world's goods committed to my care?" God calls for his share: 1-7th of our time and 1-10th of our income and in 30 years' experience he never known a man to grow poor by tithing. God said "They that honor me, I will honor" and this is shown by the British Empire and the States possessing the great wheat, wool and cotton lands of the world. It is not always right to give only the tenth to God; to ever win this world we must give more; as we get nearer to Heaven God expects more of us.

In the evening, after the usual opening "Praise God from whom all blessings flow" there was an unusual departure from the regular program, by bringing on a solo by Mr. Bert Saunders "Peace be Still" and the fine rendering and suggestive words drew from Mr. Cozens some impromptu remarks that were timely and suggestive. The great Apostle admonished "Covet earnestly the best gifts," and the gift of song was one of the three earthly gifts we would take to the life beyond, the others being love and prayer. A comprehensive prayer, missionary in tone followed which was closed by the Lord's prayer sweetly intoned by the choir.

An anthem followed, the refrain of which was "God is the King of all the earth" and the fine harmony and spirit put into it, made it an attractive contribution. Towards the close the male quartette—Messrs Bert Saunders, H. McCrae, Wm. Glass, J. Bloor—gave one of their fine numbers. "I am the Shepherd true."

Mr. Bloor, a new voice in Durham, also gave of his talent in a solo, "Lead Kindly Light."

Rev. Mr. Cozens read the Scripture lesson from the 4th chapter of John's gospel, which relates the famous interview of Christ and the woman of Samaria. He took his text from verse 4. "He must needs go through Samaria."

Our Saviour, said the preacher, had come from Jerusalem, which for 1000 years had been a centre of religious worship, and should have welcomed the grace of God as presented by Jesus, but he did not. He had illustrations to show how similar gifts and blessings were often wasted on individuals even brilliant men being brought low by neglect of the gifts of God.

He pictured the hatred of Jew and Samaritan, so bitter, that the direct road from Judea to Galilee, (which was through Samaria) was shunned by Jews, but He, "He must needs go through Samaria." It had been up-grade preaching at Jerusalem now he had a pupil of another kind in the woman at the well, a woman differing in every respect from Martha, Mary and Salome, a soiled woman yet with good in her and he dwelt on the importance of all finding some good in every one, by direct methods such as Jesus used. He took the woman by surprise, put himself under obligation to her, and this was the true way to discover the real spirit of the person interviewed. i. e. to get his or her point of view.

Another method of the Great Teacher was to arouse her curiosity something which always brings results. Curiosity discovered America, led Watt to discover the power of steam, and has led to the discovery and settlement of the earth.

Our Saviour revealed himself to the woman as the Messiah before he had done so to his disciples, and he had some fine thoughts on how God had honored women in all times. Because this woman at the well went and brought others to see Jesus, she became the first Christian Missionary.

Death of Arch. Beaton Sr.

The grim reaper came to the Archie Beaton home in Glenelg on Tuesday, 5th October, and gathered in one of the pioneers fully ripe. He attended both services of the Baptist Anniversary a week ago and was greeted by many friends and now he is shifted to the niche of memory, after only a few days illness, springing it may well be from old age, seeing he was in his 85th year.

He was born in the Isle of Mull, Scotland, and came with his family to Canada at the age of 14 years, and with them entered the then wilderness near Rocky Saugeen where he lived for about three years and then moved to the well known homestead on 3rd con N. D. R. where as boy and man he lived for 70 years, loved and respected, and saw the long process of the melting of the forest to give place to smiling farms.

He married over 50 years ago Miss Mary Beaton a distant relative, and the union was blessed with a large family of seven sons and three daughters, who all survive though the wife and mother died 20 years ago. The sons are Archie on the home farm; John (Hoan) in Smithers B. C.; Duncan, Malcolm and John in Herschel, Sask.; Jas. in Vancouver and Angus in Nebraska. The daughters are Mrs. Jno Fallaise, Glenelg Centre; Mrs. Colin McIntyre, Dornoch, and Mrs. Jno. O. Greenwood, Zion, Glenelg. One brother survives him, John G. in Durham, and two sisters, Mrs. J. McGillivray, Mulock; Mrs. John Cameron, N. Dak.

He was a devoted member of the Baptist church, liberal in politics, loved in his home and respected as neighbor and friend. He is being buried Thursday at 2 p. m. in the old cemetery, Priceville. Rev. Mr. McEwen conducting the services.

Good Bouts Were Staged.—The boxing events held in Durham Rink Wednesday evening by the G. W. V. A. were good exhibitions, and pronounced by Referee Lou Marsh of Toronto as equal to most seen in the large cities. The local Veterans had gone to considerable expense in securing first-class boxers, erecting a fine ring, and in advertising the event, and they will unfortunately be considerably "in the hole" financially as the attendance was not large. The first 6 round bout was awarded to Dilton of St. Catharines over a Buffalo opponent, Wagner, the second between Hogan and Harris resulted a draw, being featured by too much clinching. The last, a 10 round bout, was the best when Drummond of Montreal got the decision over Connors of Scranton, Penn.

PERSONAL MENTION.—Mrs. Wm. Scarf of Toronto, visited at Mr. Wm. Ritchie's and other town friends returning Monday.

Rev. Mr. Mann, late of Port Elgin, will occupy Durham Presbyterian pulpit Sunday.

Mr. Ernest McGirr, returned home this week after a summer in Saskatchewan, and left Friday to enter his second year at "Varsity."

Congratulations to Miss Reta Torry of Windsor, younger daughter of Mr. R. Torry, Durham, who was wedded Wednesday in Windsor to a Kitchener young man, now employed in the Border City.

Mr. and Mrs. Don. McArthur and family and Mrs. Thos. Banks, attended the gaelic services in Priceville church on Sunday last and afterwards called on the latter's son, George, near Ceylon.

Messrs. Jas. Atkinson, Toronto, B. Coultts and Herb Atkinson motored to Toronto last week end. Mrs. Atkinson who has been here a couple of weeks with her mother, Mrs. J. Weir Sr., is still remaining for awhile.

Mr. and Mrs. Thos. Allan and Mr. and Mrs. C. Ramage motored to the induction services at Drumore on Tuesday.

Mr. and Mrs. Neil Sinclair with her brother Angus McCormick motored to the Rocky Wednesday, where Angus will visit his sister, Mrs. D. McQuarrie for a few weeks.

The marriage of Elizabeth May, eldest daughter of Mr. and Mrs. Geo. Gertley, Tara, to Geo. Adlam, eldest son of Mr. and Mrs. David Adlam, of Durham, was solemnized Wednesday evening at the home of the bride's parents, by the Rev. J. W. Currie.

Mr. M. W. Armour, of Kansas, struck Durham this week, and is meeting with a few old friends. Mr. Armour is a native of Bentinck, learned blacksmithing at Allan Park and left here in 1879 for Winnipeg and in 1884 went to Kansas where he has been since conducting his trade. His wife accompanies him and they are centralizing while here at Mr. Ben. Sharp's, who is a relative.
