

PRICEVILLE AND VICINITY

PRICEVILLE AND LIMITS
(Arrived too late for last week)

October is more like July than to be the last month of Autumn. We see dandelions in full bloom but we didn't see any raspberries. So the climate at or near Durham is milder than at Priceville as was seen in last week's paper.

which was destroyed by lightning some months ago, was again rebuilt this week.

Miss L. Mather who had an operation for inward trouble a short time ago, is getting along as well as can be expected. Miss Mather is a young lady who has experienced largely of the troubles and trials of this life by having some years ago met with a railway accident.

Miss Margaret McLean, late of Vancouver, visited friends on the S. Line and is at present with her sister, Mrs. McCannel, Durham.

Miss Minnie McIntyre who spent a few months with friends in this part, left again for her home a few days ago.

Mr. Arsb. McCraig attended meeting of the Grey and Bruce Insurance Co. last Friday in Hanover.

PRICEVILLE VILLAGE

The second meeting of the Quarter Official Board of the Priceville Ch.

cut will be held in the church at Priceville on Monday, Nov. 8th at 2 p. m. Important business calls for a full attendance of the members of the Board.

Ebenezer S. S. Anniversary

The Sunday School Anniversary services held at the Ebenezer Methodist Church on Sunday, Oct. 31st, were quite successful though the attendance at the evening service was smaller on account of the rain. On Monday evening the church was filled to listen to the interesting program provided. The treasurer's report was given in such a manner that it proved to be one of the very interesting items on the program.

Rev. C. S. Jones of Priceville, Rev. J. W. Burnett of Dromore and Rev. Henry Berry gave three interesting and helpful addresses. This was the first occasion on which Mr. Jones and Mr. Burnett have been to Ebenezer but we trust that we may have the pleasure of having them again.

During the evening the Superintendent of the Sunday School, Mr. W. R. Watson who is about to move to a farm near Durham, was called to the platform while an address was read by Mr. W. L. Dixon and a hymn book and a pair of cuff links were presented to him by Mrs. A. Tucker. Mr. Watson has been a most faithful Superintendent for eleven years. His work and his influence have not only been a great help during these years but will continue to be a blessing and inspiration to us for the future.

Arnel Love Will Train For Religious Work in Chicago

Arnel Love is practically a free man and is now working at the Queen St. asylum in Toronto, and will be there for another month or so, when he will spend a few days visiting friends in Owen Sound and possibly Fiesherston. He intends to go to Chicago in about six weeks and will there train for Christian work, possibly for evangelical work. The above facts were contained in a remarkable letter received a few days ago by a prominent business man.

Some time ago it was stated that Arnel Love would not be tried for the murder of his mother for which his father had paid the death penalty. Though he confessed to the murder his confession has not been accepted by the authorities as conclusive evidence that he committed the crime, and to bear this out, noted alienists have agreed that Arnel Love's confession is the result of a mental obsession, and their finding is the real controlling force. No jury would convict him on his own evidence with noted alienists giving evidence against conviction.

And there is also the consideration that should Arnel Love be tried and convicted for the crime for which his father was hanged it would make further convictions for murder almost impossible under the existing death penalty. With no trial of Arnel Love there is no court record of a possible miscarriage of justice, and the explanation given by the authorities will be accepted in most courts.

has very strong religious convictions that cannot but be of value in the bettering of the lives of those with whom he may come in contact. He has a fair education and a strong determination to properly equip himself for the fight for right. There are few people who would demand that he be brought to trial, almost every one agreeing that he may eventually become a power for good - Sun-Times.

Car Stolen: Thief Caught

A rather remarkable evidence of the efficiency of our provincial constabulary occurred last week. A Ford car belonging to Mr. D. Muir, Ceylon, was stolen at Priceville on the evening of Wednesday last during the progress of the big concert held in the Presbyterian church there. When the owner came out of the concert his car was missing and there was nothing to show where it had gone.

The chief of police at Toronto was immediately communicated with and a description of the car given. Next morning a Priceville lady said she saw a man take the car and described his dress. The C. P. R. train staff said they had pit a man answering the description of the train a few miles west of Priceville that afternoon. Cards were printed and sent broadcast giving an excellent description of the stolen car, Thursday afternoon, about twenty hours after the theft, a message came over the wire stating that car and thief had been captured at Millbrook, 15 miles north of Port Hope and about 185 miles distant from Priceville. The tank was full of gasoline when it was stolen, which gave the thief a long run before he had to replenish the supply.

At Millbrook he tried to dispose of the car, also of an overcoat. Arousing suspicions, the constable there arrested the young man, whose name is Harry Turner and wired Toronto police department, which instructed him to hold Turner and a man would be after the car. Constable Cook and Clarence Muir went down to Millbrook. Turner was remanded to Cobourg jail, where he now is. Turner denied having stolen the car and said he had never been up here. He is unaware that a Priceville lady saw him take the car and can describe his clothes. He claimed to have bought the car in Toronto for \$250. Turner's mother is a widow and goes out washing for a living. Her son had been away from home for a couple of years and she had not heard from him until he sailed home with the stolen car. Mr. Clarence Muir returned home with the car this week. - Advance

Mrs Chas McArthur Laid to Rest

The funeral of the late Mrs. Chas. McArthur who died in Toronto took place from the residence of her son, A. B. McArthur, 339 Glenlake Avenue, Toronto, Thursday, Oct. 14th, at Park Lawn Cemetery. The service was taken by her pastor, Rev. G. Kendall, of Dundalk, assisted by Rev. Jas. Buchanan, a former pastor, Rrv. S. Reid, pastor of Albion Presbyterian Church, Toronto, and Rev. Jas. Skene, of Havelock, cousin of deceased. The pall bearers were her five sons.

The late Mrs. McArthur was the daughter of the late Mr. and Mrs. Alexander Black of Oak River, Manitoba. She was born in Bentinck township and came to Dundalk with her husband thirty eight years ago. She was a life-long member of the Presbyterian Church, a member of the Ladies' Aid and always took a deep interest in Church work.

During Mrs. McArthur's long residence in Dundalk she was always regarded as a good neighbor and kind friend in all circumstances. Her sudden demise is much regretted here and heartfelt sympathy is extended to the bereaved husband and family.

Those left to mourn are the husband, five sons - John at Winnipeg, Alex, Archie Lorne and Mell, of Toronto; two daughters, Belle and Vada, of Toronto. It tells—but only partly tells—the Story of Misery in Central Europe.

Within the great territory between the black lines millions of destitute children are doomed to grow up weak and deformed through want of fats, milk and sugar, unless immediate help comes from without

HERBERT HOOVER, invited to speak at a Canadian Red Cross meeting, said:—

"Our problem over the forthcoming winter appears to be about 3,500,000 to 4,000,000 children.

"These children are the obligation of every man, woman and child in the Western Hemisphere, for we have suffered less; but, beyond this, they are a charge on the heart of the whole world."
