Canadian Greys I. O. D. E. have received a further cheque for \$25 from the Fulton Paper Co. for the Society's waste paper. The local order discovered an error was made and notified the Company whereupon they returned the balance. This now makes the receipts from the fund over \$270.

Writing from Imperial, Sask., on 18th Nov. Mrs. Jno. Austin, (nee Miss Lizzie Johnston) says, they are enjoying splendid weather and no snow, and contemplate a visit "to old Durham" some time next summer. "We thank her for a fine remittance, and hope she will carry out the resolution and of course visit the Review, where she was a competent compositor for some time.

L. O. L. No. 632 will hold a box social and dance in Town Hall, Durham, on Friday evening Dec. 3rd. Everybody come and have a good time. Ladies bringing boxes free. A prize will be given for the best waltz.

ICY STREETS—A peculiar vagary in the weather on Sunday and Monday was responsible for some disagreeable experiences. Saturday was soft and streets were getting broken up, when suddenly temperature dropped and streets were frozen in their roughness. Then rain began to fall coating everything with ice and we believe weighing some trees to the breaking point. Tuesday it is softer again and ice yielding.

COAL AT SHELBURNE?—The Owen Sound Sun-Times gives considerable space to opinions and operations connected with the alleged discovery of coal at Shelburne. Prof. Colman of Toronto University and other scientists have always said that geologically coal could not be found in this Ontario formation, but "facts are chieftains that winna ding" and samples of the "stuff" are said to compare favorably with anthracite. The important point is not yet settled, will the deposit be of such size as to warrant commercial operations? Meanwhile the "Chamberlain Coal Syndicate" keeps boring, and the community keeps hoping.

The "Pumpkin pie" social in the Baptist Church last Thursday night, was an enjoyable event, over 100 being present. The pastor, **Rev. Mr. McEwen** was in the chair. The program revealed some new talent to a Durham audience. Mr. Duncan McLean of Aberdeen who gave a spirited recitation, and Mr. Ronald Giles who is an ideal raconteur. Mrs. Abraham and Mrs. Griff in solos. Miss Annie Graham a recitation, Mrs. Giles and Miss J. McLean a duett, and Mr. J. A. Graham a short address completed a fine program. Two entertaining contests followed, then the lunch, of which pumpkin pie in plenty was the main appetizer. \$21 was realized, which goes to purchase choir music.

Intermediate Hockey Organiza'n

A largely attended meeting of the Hockey enthusiasts of town was held in McDonald and Mitchell's barber shop on Wednesday evening when it was unanimously decided to enter intermediate teams both in the Northern League and the O. H. A. There is yet no proposed grouping even, but it is possible a bye in the Ontario O. H. A. may be given. **W. A. McGowan** was elected President, **Guy Kearney, Secy Treas.**, and **J. H. Harding, Manager**. Considerable heated discussion arose over the Managing Committee and the motion carried to have three, two from the players and one outside man, to be appointed later. All were agreed that it was time Durham had some representation in the Northern League management and **Howard McDonald** was unanimously adopted for the Executive.

With a dozen or more players to select the team from, prospects are bright for a fast line up. In **Cowan and Zimmer**, two good men are absent, but the rest of last year's team are here, with **Farrell, McDonnell and McNamara**. **Hengill, Allen** and perhaps others. The Juniors are also organizing to-night.

Mr. Wm. Vessie has sold his threshing outfit to **Mr. Thompson Boyd**, of Benfitinck.

The ladies of the Methodist church will hold a bazaar, Saturday, Dec. 4th. Watch for further notice.

Have your crock of butter packed by Durham Creamery. Special prices and the highest grade butter obtainable.

Make over 6 per cent on your money by investing your spare cash in Victory Bonds—the safest investment on earth. Invest at once. See, phone or write **P. Ramage** at Review Office.

Come and have a cup of tea at the I. O. D. E. bazaar on Saturday, Nov. 27th.

Don't miss the beautiful display of fancy work on sale at the I. O. D. E. bazaar on Saturday, Nov. 27th in Mr. Kelsey's store, just south of Garafraxa St. bridge. Nothing will be set aside or sold to members or others till the doors are open at 3.30 p. m.

December meeting of Durham Women's Institute will be held at the home of Mrs. Dan. McAuliffe on Thursday, Dec. 2nd at 3 p. m. The report of the delegate to Toronto Convention, Mrs. McIlraith, will be given, besides the regular program. All ladies welcome.

Rev. Mr. Burnett, the new minister of Dromore and Knox preached last Sunday morning in Durham, exchanging with **Rev. Mr. Smith**. He is a young man of ability and preached a fine sermon from **Josh 1: 4** where the children of Israel were given **Caanan**, but it was their part to subdue it. Around his topic "the gifts of God are the tasks of men" he wove a logical and suggestive discourse emphasizing that God's gifts to us are never for ourselves and that if we fail to use the gift, we lose both gift and giver. "As the arm unused soon becomes paralyzed so the soul is paralyzed that does not get out of itself." **Mr. Burnett** is a clear convincing speaker with a fine platform manner and speaks without notes.

Important Announcement

Renew at \$1.50 before Nov. 30.

The Publishers of the Review intend on Nov. 30th next to follow the majority of publishers of rural weeklies in advancing the annual subscription to \$2.00. We have been loath to make the change but conditions of the paper market and other overhead expense have become so exacting that in fairness to ourselves we have to ask the increased price. One cent a week will cover the extra cost, and we believe our readers will recognize that the new price is reasonable in view of prevailing conditions. Not a few of our readers have advised us to take this course and some have even sent the \$2 for one year's subscription, recognizing in the Review good value.

As a concession to bridge over the change we make this offer: we will accept arrears and renewals for next year—up to Nov. 30th, 1920, at the old rate of \$1.50 per year, it being understood that in no case will this reduced rate be applicable beyond 31st Dec., 1921.

After 30th November the rate to all is \$2 per year in advance, \$2.50 if not so paid. To the United States the rate will be \$2.50 in advance.

IN MEMORIAM

McGILLIVRAY—In loving memory of **Angus R. McGillivray**, who died November 24th, 1919, aged 18 years, 10 months. "To live in the hearts of those he left is not to die."
Father and Sister

Renew This Month

Our mailing sheet was corrected up to November the 4th. Since then quite a number have renewed and their labels will be advanced at next change about first week in December. We invite all to examine their label and renew at old rate during this month as many are doing. After Nov. 30th, the rate is \$2.00 per year in Canada, \$2.50 per year in United States, in keeping with the great advance in material and overhead expense. Printers have been warned that another "sharp advance" in newsprint may be expected on Jan. 1st.

Is Old Ontario Selfish?

We received a few days ago an interesting letter from **Mr. James Hastie, Fort Frances**, from which we make a few extracts. They are looking on the timber enquiry with a degree of interest different from that of old Ontario. **Shevlin and Clark**, timber contractors, are, he says big factors in the life of the district, and 90 per cent of the people are anxious for the investigation may drive them away. They are heavy employers of labor and buy a tremendous quantity of what is produced on the farms. Here is a dose most New Ontario men hand out to old Ontario just to keep her humble, but we think the alleged grasping spirit is not so prevalent as would appear.

"The people here look upon the natural resources of this District in a different way from what you people in old Ontario do. You people want revenue from them. We want them used for the development of this district. In the same way as many farmers here are using good timber on a part of their farm, viz: using it in developing the good farming land so that when the timber is gone the good land is in shape to produce a living. If this thing is pushed very far I expect to see new life given to the secession cry. I was at the big Convention at North Bay and I saw new light on some things.

If you were here and saw how the O. T. A. is being enforced you would see that we are still in the grip of the big interests. A sample: a carload of booze (on appeal is returned to the owners but the fine of \$200 stays.) The opposite—a man without influence is given six months in jail, no option of a fine for dealing in two or three bottles."

Photographs for Xmas—What could be more appreciated? Make your appointment with **Rev. Mr. Smith**. Fifteen photos in each dozen until after Xmas.
Kelsey Studio.

MILLINERY SALE—As we must make room for our Christmas stock, we are offering 25 per cent reduction on every hat in the store. Come early and get your choice.

The Misses Caldwell.
A QUICK CHANGE—After 27 years of faithful service to the public behind the counter in **Limin's** and latterly **Lawrence's** butcher shop, **Mr. Ed. McClocklin** last Saturday night gave up his position. His health of late has not been the best, and he felt the necessity of a rest or a change, not having had a holiday of any account in that time. He will not long be idle however, as last Monday night the officers of the Durham Amusement Co. met and appointed him as manager of the skating rink for the coming season. Here he will be the right man in the right place, and the Co. were fortunate that his services were available.

Grey County Council

This body is in session this week and it is expected no contentious question will arise.

Warden Irwin Morrison gave his address Monday night. It opened with a welcome, an expression of thanks to Providence for a fine harvest. Regretted the absence of **Dr. Mearns** and **Mr. Boyd**, the former through illness, the latter gone west.

The four outfits of road machinery owned by the county had made good progress during the summer and here recommended a patrol system for maintenance work and hoped the connecting link in urban municipalities would soon receive the attention of the Highway Dept. Steps to complete separation of O. Sound from the County would be reported to Council. The Frost property had been made into a comfortable home for the Children's Shelter.

Compliments were paid to the management of the House of Refuge. The Council was asked to ratify his appointment of **John McCaffrey** as a County Constable and closed by hoping business would be transacted in a fair and impartial manner.

PERSONAL MENTION

Messrs. **N. Harding** and **Trimble** of Stratford were guests at **Mr. E. Limin's** Monday.

Miss Jean McLachlan, sister of **Mrs. Walter Nichol**, spent last week with her aunt, **Mrs. D. McCormick, Priceville.**

Mr. and Mrs. Henry Seim and **Mr. and Mrs. Jas. O'Brien** of Durham, Sunday with **Mr. and Mrs. Con. Schenk** and family.—**Ayton Advance.**

Miss Margaret Hunter is spending a week with Toronto friends and relatives.

Mrs. Rev. Morris of London visited her parents, **Mr. and Mrs. E. Limin** Tuesday leaving her two children here for a time. Her sister, **Miss Flo**, is now home after a month's visit in London.

Mr. and Mrs. Walter Duggan, (nee **Miss Grace Petty**) of Flint, Mich., spent a few days at her parental home, **Mr. and Mrs. Chas. Petty**, last week, after attending the funeral of **Mr. Duggan's** mother at **Goderich** on the 16th inst.

Mr. C. M. Bowman, President of the Ontario Club for the past five years, and still President, was made the recipient of a handsome silver tray and tea service last week by his associates in the club. The tact and judgement he had shown during the war commended him highly to the Club.

Rev. Mr. and Mrs. Wm. L. Falkingham of Fairground, Ont., announce the marriage of their daughter, **Bertha Elizabeth** to **Mr. Earnest A. Whitebone**, Norfolk Co., on Dec. 8, 1920.

Mr. John Trafford after an absence of nine years is enjoying the parental home at present. He enlisted in the West and following his years of war service went back again. He is not enamored of eastern weather since his arrival in Durham.

Rev. Dr. Farquharson lately moved from Quebec to St. John, N. B., for the winter months to continue his work as immigration chaplain. To not a few the "glad hand" of the Dr. has been a pleasant incident on arrival and we can well understand his urbane manner will be a pleasure to the stranger as he sets his foot on a new shore.

The marriage took place in Calgary, Alta., on Tuesday, Nov. 16th, of **Miss Annie Marshall**, second daughter of **Mr. Jas. G. Marshall**, formerly of Durham and Boothville, to **Mr. Philip McCarty**. They purpose coming east to his relatives at **Goderich** for Christmas, and about New Years will visit his sister, **Mrs. Chris Wheeler** and other relatives in **Egremont** and Durham. On behalf of many friends in town and country the Review extends congratulations.

Notice
