MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities - Macdonald's has always been recognized as the smoke.

MACDONALD'S CUT "BRIER"—the same tobacco but in new form-maintains every Macdonald tradition since 1858, and gives to smokers-more tobacco for the money.

The Markdale--Dundalk combination were too much for the Durhams in their first O. H A. intermediate home game here Tuesday night. Though the 7-1 score for Markdale scarcely was indicative of the play, yet the visitors undoubt. edly had an evident margin on it, and the locals may well credit Ernie McDonald's stellar goal-tending that Markdale didn't run it up into double figures He must have blocked a hundred shots, speedy and slow, high and low, far out and close. He attended to all kinds of them.

It was superior speed and getting away that won for the visitors. They are stalwart, alert and aggressive.
