Durham - Hanover Games

Only two games remain to be played. Durham in Hanover Thursday night and Hanover in Durham next Monday. Durham can take both, they finish top. if they break even, it's a tie between all three teams, which would necessitate a play off later. Come to Durham rink next Monday night and aid the boys to win, and at least tie the district.

Chesley Surprised Them

After a 7 to 4 victory right in Chesley, Hanover looked easily strong enough to take the return match at home, but hockey games are not won before they are played, and Chesley team kept itself on the Senior Northern map by winning in Hanover 8-7 last Friday At end of 2nd period Chesley led 6.2, but Hanove finished strong, scoring 5 2 in final set

ver victory as expected would have given Hanover a strong grip for district honors. As it is, Durham, Chesley and Hanover now have practically an even chance so it's yet anyone's district.
