## The National Way to Western Canada

With the approaching Spring season, many are contemplating the journey to Western Canada to their farm interests there and to these the service afforded via the Canadian National Railways has a particular appeal.

The National, leaving Toronto 11.00 p. m. daily, carries through Tourist sleeping and Colonist Cars, Toronto to Winnipeg with connection at the latter point for Manitoba, Saskatchewan, Alberta and British Columbia points. The Tourist Cars on these trails are of exceptionally high design, of steel construction, electric lighted, and include the many little conveniences heretofore confined in standard sleeping cars only. In fact the only difference between the two cars is in the upholstery, which in the Tourist Car is of leather, rather than plush. On these cars, therefore, the traveller is afforded the maximum of comfort and convenience at moderate Tourist sleeping Car rates.

Alternative train from Toronto leaves 8.45 p. m., routing via Salisbury, Port Arthur, and Port William.

For full particulars, apply to nearest Canadian National or Grand Trunk Agent, or write General Passenger Department, Toronto.

S. McBeth, local agent for Templeton's Rheumatic Capsules and Raz-mah for Asthma, says these two standard remedies are selling better every day.

## Early Spring Millinery on display at Misses Trux.

The Willing Workers Mission Band of the Pres. Church, spent an enjoyable evening Tuesday at Mr Wm Derby's, Bentinck.

FORD OWNERS—Before buying Non-Glare lens, see the Patterson demonstrated at the Ford Garage. Standard equipment on Ford cars.

Percival Drane, a young Keppel T. man of 24 years, was instantly killed Saturday when cutting logs in the bush by a falling tree.

This is President Wilson's last day in office, to-morrow it will be President Harding. Wilson may have had his faults but he will go down with the immortals.

NOR GUILTY—Such was the verdict of the jury, after brief deliberation, at the trial of Inspector Spracklin last week for shooting Trumble, the hotel man. It was demonstrated by the evidence that the Inspector was acting in self defence.

An executive meeting of the South Grey U. F. O. was held Saturday here. No convention was decided upon, nor choice of candidate discussed, but the main business transacted was allocating the number of delegates to each municipality.

MARSDALE STORE PARTLY BURNED—Marsdale suffered a severe loss by fire early Sunday morning when the large general store of F. T. Hill and Co had a very narrow escape from being a total loss. It is said that the fire originated in the Hardware Dept. at the rear of the main store, and spread rapidly to the upper floors where the Boots and Shoes and Millinery Departments were. It is estimated that the loss will be about \$50,000. The fire is said to have been caused by faulty electric insulation.

LACROSSE IN THE AIR—To get off to an early start, the lacrosse organization meeting for 1921, is called for Friday night, March 4, in J. H. Harding's store when all interested are requested to attend. An item in last Friday's Toronto Star suggested J. H. Harding for the O. A. I. A. Council as Honorary of Honorary. The notice was not inspired here, but there is no doubt he would make a splendid executive officer, being actively interested in lacrosse, while Durham has never yet been represented on the O. A. I. A. board, though an old lacrosse town.

## Obituary

ALEX. HOBKIRK  
The death occurred on Sunday of good hearted and well liked "Sandy" Hobkirk of Bentinck in his 50th year. Nearly two years ago he was pitched out of a rig at Elmwood and received such injuries that he has not been well since. He was the elder son of the late Jas Hobkirk who died over 50 years ago, leaving a young family. A brother, John Hobkirk looked after affairs till Alex grew up and on him fell much responsibility. For many years he took a great interest in the Presbyterian Ch. work, was honest and industrious and of strict integrity. He was Liberal in politics.

He leaves as chief mourners his aged mother, now 86, one brother James and two sisters, Annie at home and Janet, Mrs Hugh McDonald, Durham.

Rev. Mr. Steele, Elmwood, conducted appropriate services speaking from Psalms 16:1, "God is our Refuge and our Strength." A large assemblage of friends and neighbors paid the last tribute, there being no fewer than 75 rigs in the procession! The pall bearers were A. C. McDonald, Don McDonald, Edward Boyce, Arch McDonald, Alex Brown, Harvey Boyce.

Among those present from a distance were Mr and Mrs Alex McGregor, Chesley; Douglas and Malcolm McKinnon, Sullivan; A S Muir, Oeylon; Alex Walker, Toronto; John McDonald, Hamilton; D H. McDonald, Toronto, the latter sending also a beautiful wreath.

Varney choir sent in their choice and were delighted to win the competition, the \$25 check arriving Monday. Miss Winnie Blyth, organist, made the selection.

## Durham Girls Won in Hanover

Durham girls hockey team came out with flying colours in their opening game this winter in Hanover last Friday. They put it over the home girls by 4 to 1, and incidentally scored more goals than in all their games last winter. It was an interesting game throughout. Durham scored twice in first period and twice in last while Hanover counted their one just before time was called. Three 15 minute periods were played, R L Saunders refereeing. Durham's line-up was: goal Sadie Hartford; defence, Sadie McDonald, Ottillie Limin; centre, Nellie Levine, right wings, Florabel Nichol, left wings, Margaret Hutton, sub, Mary Turnbull, Frankie Burnett.

## Successful Carnival

Durham's first and only carnival of 1921, passed off successfully last Thursday night. A good crowd was present and as the prizes were attractive mainly to the younger people, there were quite a large number in costume. A broomball game between the "Longs" and the "Shorts" among the younger business men with Dr Hutton as referee, created considerable fun and ended a 1-1 tie. The prize winners were:

## Two Liquor Convictions in Dundalk

In conjunction with Magistrate McMullen of Ceylon, Magistrate Wm Laidlaw of town was in Dundalk Monday evening, sitting on two cases for infraction of the liquor law. It was the "old time" trial, there being a hundred or more spectators. One of the cases was against Chas Montgomery, cattle buyer, charged with having liquor in his possession other than in his private residence. It appears he and a friend named Thompson had run the car into the ditch and when getting it righted, the bottle in the car was revealed. A fine of \$800 and costs was imposed.

The second case was another interesting legal battle between Insp Beckett who prosecuted, and Barrister Henry of Marsdale who acted for the defendants. In this instance Robt. Johnston, a young farmer near Dundalk, was charged with being intoxicated outside of his residence. He it seems, had consumed some liquor and come to Dr Martin for another 60c prescription. This was given him but the Dr, then deciding he was intoxicated, quickly instructed the druggist by phone not to fill the prescription. It was brought out that the druggist would otherwise have done so. Two more infractions would then have occurred. It is not legal for a doctor to prescribe liquor without first making an examination, and it would have been illegal for the druggist to fill a prescription for one who was intoxicated. This case was wound up by a fine of \$25 and costs being imposed upon Johnston.

Miss Margaret Lesson spent a week or more in Toronto and besides visiting friends attended the short course lectures given at the university.

Farmers in this vicinity have taken advantage of the snow and are busy hauling logs to Hyspden.

All that is required now is a man and a good buzz saw to cut the immense piles of poles that every farmer in the locality has ready.

A NEW GARAGE—The well known old McKeechic store stand recently occupied as a pool room, is being remodelled and transformed into the Gray-Dort garage, to be occupied by the agent Ab Noble. Part of the old front has been removed and a large door erected for a front entrance.

The late I. De Witt Kalmage made the statement in one of his sermons that the Apostle Paul said that the man who through neglect failed to provide for his family during his life time or after his death was worse than the man who rejected the Scriptures. Make provision with a Great West Life Insurance policy A. W. A. Leader.

At the Men's Class in the Veteran Star Theatre next Sunday afternoon, the problem of immigration, will be discussed. Where do our immigrants come from and why do they come? The economic, militaristic and religious influences will be noted and also these same influences upon our national life when they arrive. Should we have more restrictive legislation between Canada and the other classes or nationalities? What about stricter medical examination or literacy test? How shall we Canadianize them and shall we insist upon one language for all?

## Saugen Presbytery

This body met in Palmerston, on Tuesday, Rev W. H. Smith and Mr. J. S. McIlraith representing Durham congregation.

Great interest was taken in the resignation of Rev. Mr. W. Cooper from Mt. Durham and Mr. Forest, and his was a successful and popular ministry. Rev Mr Scott, Holstein is appointed moderator during the vacancy.

Rev. Mr. Mills of Drayton and Rev. Mr. Sturgeon of Bethel and E. Norm anby, both handed in resignations on account of ill-health. The charge of Midway and Aylton is also vacant, and steps may be taken to form them into a mission station or perhaps come to an understanding with the Methodists to form a union. Such is being done in several places now waiting till the Big Church, courts bring it about.

## Ban Indians From House of Refuge

While the County Council was in session here last December, Capt. Garland, Indian Agent at the Cape Croker Reserve phoned Keeper Wiles of the House of Refuge to the effect that he had reached O. Sound on his way down to Walkerton a couple of Indians for the Refuge. The Keeper informed the Capt. that he need not come any farther as the aborigine would not be admitted at the Institution. After protesting stoutly Garland returned with his charges to the Reserve. Two weeks ago, however, he wrote the Keeper here that he had been advised by the Prov. Inspector of Prisons and Charitable Institutions to the effect that the Refuge here would have to accept the Red man and intimating that he was about to start another pilgrimage with his indigents to the county town. The Keeper got him to delay the trip until he got in touch with the County Solicitor, the latter of whom wrote the Prov. Inspector and voiced the objection that as the Indians are wards of the Government and the Reserve forms no part of the county for municipal purposes, that Bruce cannot be compelled to admit them as inmates to its Refuge. The Inspector in reply agreed with the County Solicitor's views on the matter, and denied having advised Mr. Garland that the Bruce Refuge authorities must admit indigents from the reserves. Had the bronzed pair not encountered here they would probably have been by the advance guard of an ever-increasing army from the Reserves that would have made the pale-faces in the Refuge seem, in comparison, like an atom in the Red Sea. —Walkerton Herald-Times.
