PRESENTED WITH CHEQUE.—Bruce Presbyterians wishes to place on record an appreciation of the service rendered by Rev. Alexander Leslie, M. A., who, at last meeting vacated the clerkship owing to physical disability. We regret he found it necessary to do so. We believe he adorned the office, also that of the Christian Ministry. The members will miss his counsel, his guiding hand in the routine of business, his cheerfulness and forbearance, also his figure at the desk. We lose the personal touch of one of God's gentlemen, who was kind to all, who did not magnify our faults, whose bright spirit goaded us to do our best. We ask him to accept this check as a slight appreciation, and as the sunset draws near, may there be light, may there be joy, may there be peace. Signed on behalf of the Presbytery of Bruce, J. C. Robinson, A. H. Wilson, J. A. Tuer.

The W. M. S. of the Presbyterian Ch. held their monthly meeting on March 10th, the President presiding. Mrs. N. McKechnie gave the Bible reading, Mrs. Rice an interesting talk on the topic, "Missionary spirit of the early church." The annual meeting of the Saugeen Presbytery will be held in Durham, May 27. After an appeal by the President, it was decided to ask for a special offering in aid of the starving children in China. Contributions will be kindly received by Mrs. McClraith on or before the next meeting of the Society. "Inasmuch as ye have done it unto me." Surely we who have so much can give something, even if it is so little and the Society would like every lady of the congregation to do her share.

METHODIST BANQUET A SUCCESS.—The Methodist ladies are to be congratulated on the success of their banquet on Friday night last, all who were there, speaking in warm praise of the delectable supper. A large crowd turned out as was evidenced, when \$75 was gathered in at the Entrance. The supper tables were prettily arranged, decorated in green, with carnations as the flower decoration. Following the supper an attractive program was presented with Rev. Mr. Cole as chairman. The following assisted in the program: Orchestra selection, Messrs Yirrs and McCrae, Misses Yirrs and McCrae; cornet solo, Mr. Huggill; Irish solo in costume, Wilma Smith; Harry Lander song, Roy Wiggins; Will Carlton selection, Wm. Irwin; Irish recitation, Mrs. Cole; violin duet, Mr. G. Yirrs and Miss Myrtle Yirrs. The latter number "The Mocking Bird," was an exceedingly realistic number and not hard to imagine that a mocking bird was in the church.

Death of S. F. Morlock

The town received a shock last Saturday when the news got around that Mr. S. F. Morlock had died that morning. For a year or more he was largely confined to the house with a hip affection, but was bright and cheerful. Only a few days before his death he conversed with his son Bryson in an animated manner with no sign of impending trouble. A little later his wife remarked to him that he was not looking well and would call a doctor. He raised objections, but the doctor came and found all was not well. Everything was done which skill and kindness could suggest, but he got worse and though he rallied occasionally the end came on Saturday morning, a victim of uremic poisoning.

He died by a co-incidence on his 57th birthday. He was born at South Easthope, in Perth County, where he received his education. Early he entered on a mercantile career showing an adaptability that stood him in good stead when he assumed business for himself. The firm of Ramsay and Morlock started business in Durham in 1894 and very shortly after the former withdrew and the business has since been conducted by the townsman whom we mourn to-day. In his business he made many friends and prided himself always on his "quality" store.

Twenty four years ago he married Miss Hattie Cochrane, (daughter of the late Robt Cochrane.) The union was a happy one and one daughter Jean and two sons, Frank and Bryson remain with the mother to mourn his taking off in the active years of life. He was one of a family of ten children, of whom eight still survive, all at the funeral but Wm. G. in Vancouver and Mary, Mrs. Falk, of Michigan. The others are John, in Hanover; Ezra, in Michigan; Levi, in Guelph; Mrs. Wilker, Sebringville; Mrs. Myers, Mich.; Mrs. Oachtriker, Crediton. A niece, Mrs. Wm. Zoellner, of London, was also present at the funeral.

Banks of flowers spoke love and sympathy of many friends and the large attendance at the funeral was a tribute to the worth of the deceased. His pastor, Rev. W. H. Smith, of the Presbyterian church spoke words of comfort and consolation from the verse in Ex. 19: 9, where God told Moses "Lo I come unto thee in a thick cloud." So, often still, in life we meet Him in days of darkness and trouble for as the poet has it "Often times celestial benedictions assume this dark disguise." Interment took place to Durham cemetery, the pall bearers being Messrs Arch. Robertson, Toronto; John Towner, Stratford; (both warm friends of deceased while resident here) W. C. Pickering, P. Gagnon, D. C. Town, S. D. Croft, A. H. Jackson.

The late Thos. McFadden

In addition to our brief notice last week of the death of the above gentleman, we add the following particulars; The funeral took place on Saturday last, and was very largely attended by towns people, by old Glenelg neighbors, by those associated with him in the work of the council amongst these being the veteran Clerk, Mr. J. S. Black, who was a warm friend. 30 years ago 1891, Mr. McFadden entered the council of Glenelg and served as councillor for six years.

In 1897 and '98 he was deputy reeve and met his only defeat in 1899 by five minority while running for reeve. In 1901 however he got the reeve's chair and held it for eight years and might have had it longer had he not resigned. This long term was surpassed by only two reeves of the township, Jas. Edge and Finlay McRae.

Mr. McFadden was born on Yonge St. near Toronto 75 years ago and came with his parents to Lot 1, Con. 1, S. D. R. Glenelg when about five years of age. About 60 years ago he married Miss Young, sister of Mr. W. J. Young of town and she with daughter Miss Maggie and five sons survive him, also one brother John of Durham and one sister Mrs. John Whitmore a pioneer of North Egremont.

We were interested to learn that deceased was methodical in his habits and for long years kept a diary of events whose perusal now is most interesting. Appropriate and impressive services were conducted by his pastor Rev. W. H. Smith and interment took place to Durham cemetery.

Present Historic Pictures to High and Public Schools

Thursday evening, of last week, the I. O. D. E. added another feather to their cap by a public spirited presentation of pictures of historical interest to Public and High Schools. One is a large lecture of Chief Joseph Brant, an Indian leader, who in the troubles with the United States over a century ago, rendered noble and patriotic services to the British forces in a trying situation. Had he and his braves supported the enemy there might have been another story to tell. The other picture is entitled "Canada's Answer" and shows the fleet of transports that conveyed the first contingent across the Atlantic.

Reeve Wm. Calder occupied the chair and at the proper time Mrs. D. B. Jamieson, ex-Regent of the Chapter, came to the front and amid applause she removed the flags that veiled the pictures. The chairman then asked Messrs J. R. Koch and J. S. McIlraith to come to the platform, Chairmen of High and Public School Boards respectively. Needless to say both accepted the gifts with becoming gratitude and paid complimentary tribute to the ladies for their public spirited activity along educational lines. But there was more than this function and going back to the opening again we note that Mrs. G. McKechnie, the Regent, led in their usual opening exercises and followed with a brief address on the aims and objects of the Society.

Miss Kathleen Lavelle opened with an instrumental which was heartily applauded. Twice during the evening there were choruses by the school, which showed careful training and lacked nothing in vim. The same may be said of choruses by the Junior pupils. Other and excellent features were a piano solo by Miss Florabel Nichol, vocal solo by Miss Olive Heath, a recitation by Miss Annie Graham and a rendering of a Harry Lander song by Mr. Roy Wiggins which brought him a rousing encore. Get a crooked walking cane Roy and dwell a wee bit longer on the "bur" and you'll be complete.

Come out to the Presbyterian choir cantata on Friday, March 26th and hear Miss Dorothy Engel, soprano soloist. Admission 35c and 25c.

WEDNESDAY, MARCH 23RD.—Mr. Dan. Edge, lot 43 con 2, B. G. R. Glenelg, will sell by public auction, Farm Stock, Implements, etc. See advt. on page 4.

The undersigned will receive tender for the erection of 60 rods of wire fence at Maplewood cemetery, up to March 20. For further particulars apply to Wm. Grant, R. R. 3, Durham

The Men's Class next Sunday will study the problem of Socialism and the economic and political conditions out of which it sprang. There are various definitions, ideals and outgrowths exceedingly important for citizens to understand; more especially Syndicalism, (in America and Canada known as I. W. W. and O. B. U.) and Bolshevism. It is noteworthy that the most radical socialism is found in countries with the greatest autocratic rule in church and state. The Protocols of the wise men of Zion reveal the methods used to bring about world revolution and establish the super government when the old industrial systems and political regimes are destroyed. Here is one point of their policy published in 1905 and only evident ten years later: "We will force up wages, which however will be of no benefit to workers, for we will at the same time cause a rise in the prices of the prime necessities." It is an interesting commentary on the Bolshevist movement that Lenin is considered by thousands of Russian peasants as the Anti Christ, foretold in the Scriptures and the Soviet government finds it necessary to carry on a widespread propaganda against the belief. We can only combat base materialistic selfishness by high idealism in character and service. The world needs the gospel of Jesus Christ.

POWER FARMING

SO COMPACT, economical and powerful is the Fordson that many farmers are doing power farming by using a fleet of them.

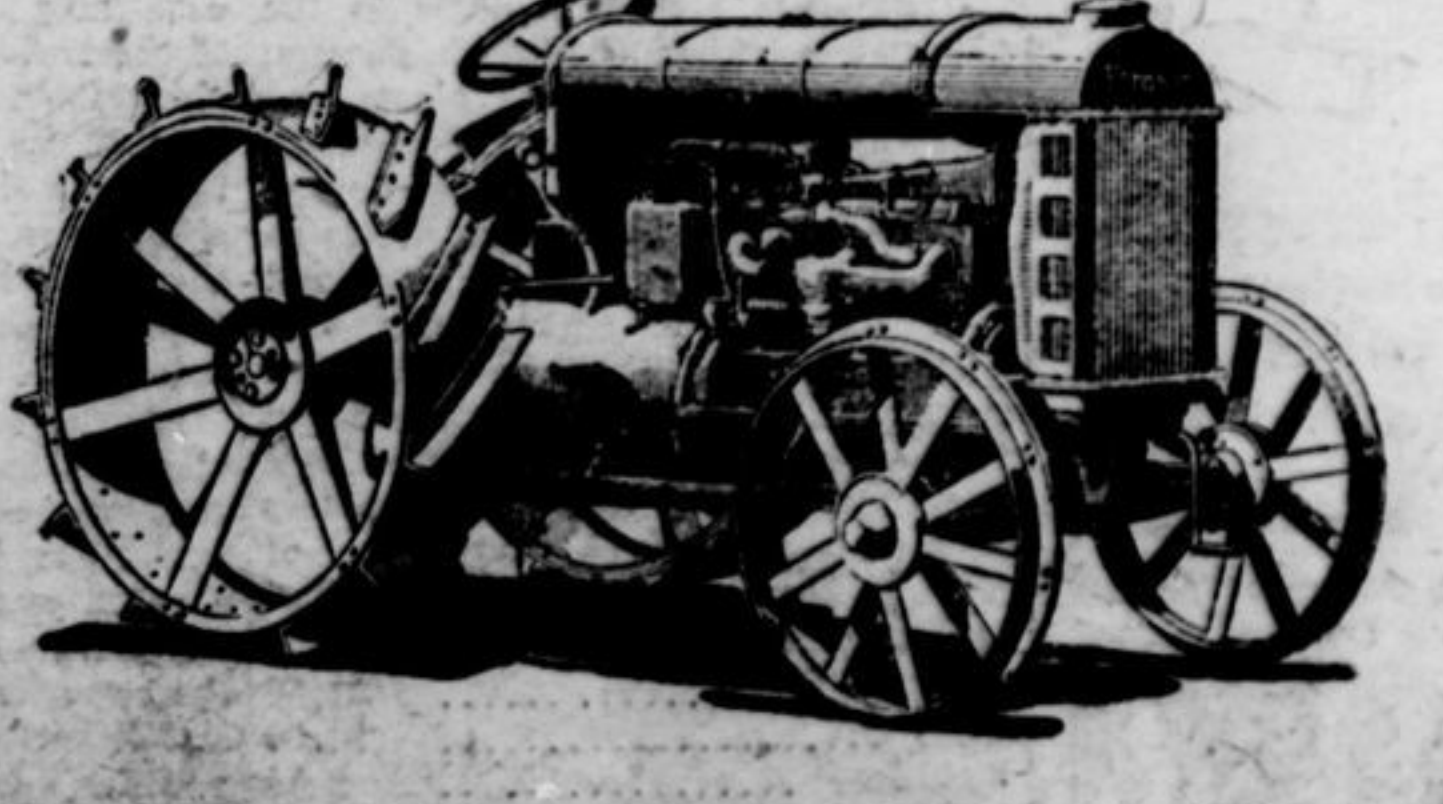

Heavy, cumbersome tractors are not adaptable to this unit system of getting many jobs done quickly, at the same time, at different parts of the farm. The ambitious farmer who expects his farm to grow to large proportions demands a Fordson. It is sturdy and powerful and overcomes with ease the biggest of all tests—ploughing the stiffest ground.

The Fordson plows 6 to 8 acres in a 10 hour day using only 1 1/2 to 2 gallons of cheap kerosene to the acre plowed. Though sturdy built it weighs only 2700 pounds. No expense pulling around useless weight. It grips the ground but does not pack it.

The unequalled Fordson Service means parts and repairs always available. We pride ourselves on keeping up the perfect Ford service and will be as near you as your telephone for any information you may need regarding your tractor or any equipment you may purchase from us.

Start power farming with the Fordson now. Your between-season belt work jobs alone will keep it busy earning money for you. It will handle your threshing, pumping, grain hauling, road work and run your electric lighting plant. Now is the time to try out the Fordson with this fleet idea in mind. It is the ideal tractor to fit in with the unbounded future of power farming.

Fordson dealers will be glad of the chance to visit your fields and give you Fordson tests stiffer than any you are likely to have in your regular work. Have a tractor chat.
