HOLSTEIN LEADER

LOCAL AND PERSONAL

The first football match of the season will be played between Dromore and Holstein at Holstein in the field east of the park on Tuesday eve May 10.

Mr. Bruce after spending the winter in Nebraska returned home on Friday evening looking as though Uncle Sam had been good to her.

Mr. Petrie of Hamilton is visiting friends in the village.

Bert Beaver is moving into the house he purchased from James Reid Mr. Reid moving into the Shields house which he bought a year ago.

Mr. Lovegrove was obliged to leave his Henry in Danville and came home by train Saturday owing to the condition of the roads in that part of the province.

Percy Ross came home from Toronto Dental College on Thursday last.

Mr. Fenton is improving the appearance of his store by giving it a good painting.

Mr. Arnill is erecting a garage.

Rev. Mr. Scott conducted a funeral in Aytton on Monday.

The Directors of the Public Library have decided to shorten the hours of service for at least the next four months. Namely from 10 to 11 a. m. to 2 to 5 p. m. and 6 to 8 Tuesday Thursday and Saturday evening. Please govern yourself accordingly.

Miss Florence Halliday visited her friend Miss Thorne the beginning of the week.

Mr. and Mrs. Jas. Mark Mt. Forest visited their daughter Mrs. Thos. McMillan this week.

Mrs. Durant Sr. has returned after spending the winter with her daughter in Toronto. Mrs. Mason, Detroit, will reside with her.

The S. School of the Meth. Church held their Annual meeting Monday evening. After a very successful year. The following officers were elected: Super't. Mr. Geo. Hunt, Assis't. Mr. Geo. Bye; Bible Class teacher, Mr. W. J. Sharp; Organist Miss E. Sharp.

Several were out fishing bright and early Monday morning. Mr. D. P. Coleridge caught the big one it measured 14 inches.

Mr. D. P. Coleridge after thirteen years as manager of the Bell Telephone here has retired, Miss E. M. Dingwall succeeding him. Miss Dingwall has had over four years experience as an operator and her courtesy and experience will make her an efficient manager. She commenced her duties on May 2nd.

W. F. A. Schedule

More interest will be added to the race in District No. 10 of the Western Football Assn. through the fact that Dromore has also entered a team for its first season in big company along with Holstein and Mt. Forest. The schedule was drawn up at Mt. Forest last week with Principal Speirs as Conventor:—
May 10—Dromore at Holstein
May 18—Mt. Forest at Dromore
May 24—Holstein at Mt. Forest
May 31—Holstein at Dromore
June 8—Mt. Forest at Holstein
June 15—Dromore at Mt. Forest
There is one change in the officers of Holstein team as published last week, Mr. George Bye being on the Committee in place of Reeve McArthur.

Tenders Wanted

Tenders will be received by the Municipal Council of the township of Egremont up till May 27th, 1921, for the cleaning out and deepening of Municipal Drain No. 1, in the township of Egremont and Proton 1030 yards of excavation. Plans, Profile and specifications may be seen at the Clerk's office, Holstein. A marked cheque of \$50.00 must accompany each tender. The lowest or any tender not necessarily accepted.
David Allan, Clerk
Holstein Ontario

Hon. Manning Doherty

After being lied about as to his expensive office furniture which by the misplacing of a period was made \$195.00 instead of \$19.00, he is again in the limelight. He has just refused an offer of \$12,500 by the Niagara Fruit Growers' Association, preferring to stay with the government of which he is an efficient member. As Minister of Agriculture he gets \$6000 and indemnity besides, so he is making no light sacrifice.

VARNEY

Glad to see Mr Richard Bryans out again and looking fairly well.
Mrs Lesson of Mt. Forest, has been visiting her son, G. M. here for a week or two. Although nearing fourscore, the old lady is bright and active and old neighbors are always glad to see her.
The Varney shed has been moving towards completion this spring. All it requires now is shingling when it will be a boon to the whole community—the church, U. F. O., the Orange Lodge and others who come here to do business.

Since last writing Mr and Mrs Julius Keller and family have left the farm and established themselves in Varney. Mr Keller has been an industrious farmer but will now take life easier. We notice that already he has become an active disciple of Isaac Walton.

Our worthy M. L. A.—G. M. Lesson has again donned the overalls after his strenuous winter in the city, and may be seen at any time from early morning until dewy eve hopping around the farm.

Mr Robt. Hopkins and family of Bentinck, Sundayed with Palmer Patterson and took in service at Knox.

Notwithstanding our early spring, seeding is progressing very slowly. The average farmer about here is not more than half through and others have very little done.

Mr J. W. Blyth as President of the South Grey Temperance Association, was in Dundalk Wednesday receiving the official referendum figures.

Matilda, the young daughter of Mr. and Mrs James Bryan had a close call Monday. With her father in the field, she found and ate some wild carrots, which proved to be poisonous. After suffering agony for a time medical aid was procured, and she was brought around again.

Tribute to an ex-Member

The Alumnae Record, a quarterly magazine and published by the Alumnae Association of Buffalo General Hospital, has the following kind words to say of one of their ex-members, who passed away the past winter:—
"A deep shadow was cast over the members of the Association upon the morning of Jan. 16, 1921, when the message reached them that Isabelle Calder-Klein had died after an illness of only five days.

Mrs Klein was born at Holstein, Ont. Nov. 1885. She spent the greater part of her early life there and in Toronto and came to Buffalo in 1911 to enter the Training School of the Buffalo General Hospital."

Soon after graduation she married Dethlofs E. Klein of Buffalo, where she afterwards resided. To them was born one son Calder, and one daughter Louise who died shortly after birth.

Mrs Klein was one of our most loyal and active members and had endeared herself to us all by her gentleness, her unselfishness and her charity. She will be inexpressibly missed and to her family we, as an association offer our profound sympathy."

(Deceased was a sister to Mr Neil Calder, Egremont and to Mrs John Marshall, Normsby.)

That Grand Trunk Again

Another step has been taken in Grand Trunk arbitration. The time for the award to be made expired with out the hearing being finished, and the Government applied the screws to the company directors by refusing to allow any extension or meet any further Grand Trunk payments, on less the control of the road was handed over to the Government. Matters stood at that stage until the Government introduced a bill giving it power to extend the time of the award if necessary, on agreement with the company. The bill came before the house for third reading after midnight one night. It has become a sort of Governmental habit to introduce important measures at any time between midnight and dawn, when there is a small House and a tired one.

Hon. MacKenzie King protested against the railroad of important legislation and pointed out to the Government it had been necessary during the last two or three sessions for the Government to come back to the house time and again to have corrected errors which it has made in ill-considered legislation that was being rushed through just as the Grand Trunk Bill was being rushed through. The protest of course, was unavailing, but it was followed by protests from J. A. Robt (Huntingdon) and Hon. R. Lemieux (Maisonneuve) both of whom recorded themselves as opposed to public ownership of the roads. For a time it looked as though the House would be kept going for hours but the protests were all recorded and the bill carried on division in half an hour.

"All work and no play makes Jack a dull boy" is still true. But "all play and no work makes him a useless one" is just as true. And of the two the dull boy is worth vastly more to the world.

Special Carload Prices on SEED CORN

This Store made an excellent purchase in High-grade Selected Seed Corn. Careful tests show a Germination test of 95 per cent or better. It is Canadian grown and we offer the following varieties.

MACDONALD'S CUT BRIER

MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities—Macdonald's has always been recognized as the smoke.

MACDONALD'S CUT "BRIER"—the same tobacco but in new form—maintains every Macdonald tradition since 1858, and gives to smokers—more tobacco for the money.

The Tobacco with a heart
