Ward Koch, Eddie McQueen and Donnie Graham three Durham youths, footed it to Toronto on Sunday last, leaving about 5 p. m. Of course the feet were on the pedals of their bicycles and after a few stops they reached the city towards evening. Rather a venture some trip, but the lure of the city and the big "Exhibition" proved strong.

Toronto Show is in full swing this week and Saturday last when the new Governor General, Lord Byng formally opened the Exhibition, things went with a bang to such an extent that the first day's attendance surpassed other first days by some thousands. Tuesday, School Children's Day, broke all records for attendance when 230,000 people were on the grounds. All children from Toronto or the Province were admitted free and there were nearly 200,000 there, the greatest gathering of children ever within one space in the history of Canada.

SOLD OUT IN HAMILTON—After only a few weeks in the grocery business in Hamilton, Mr. George Stinson last week sold out and realized a handsome profit on the deal. Geo. and Mrs Stinson spent the winter with her parents Mr. and Mrs. Chas. Brown here, and took possession in Hamilton July 1st. George after a number of years in business in Manitoba, couldn't swallow the custom of many customers in Ontario cities of living hand to mouth, purchasing only 5 or 10 cts worth of foodstuffs at one time. He accordingly disposed of his business and property when a favorable opportunity presented itself, and is now with Mrs. Stinson and Jean, en route to Indian Head, Sask., where he has secured a bakery business and store.

I have for sale one of the best farms in the Township of Proton, which is likely to be sold quick. Anyone interested and desirous of buying a thoroughly good place, should apply at once to John Mills, Hanover.

Mr George Shier has sold half of his lot in Upper Town to Mr Hugh Innes, who has recently moved to Durham. This property was formerly owned by Mr Robt Scott, the well known horseman, who now lives in Toronto and it is one of the oldest, if not the oldest, house in Durham. It is the intention of Mr Innes to make it habitable and will later occupy it.

TO WRITE AT DUNDALK—All pupils of this district who wrote on Normal Entrance or Matriculation this past summer, and who failed in some of the prescribed subjects, and wish to re-write them, are requested to get in touch as soon as possible with Principal E. A. Ruttle of Dundalk High School, as that village will be a writing centre for same to begin on Sept. 6th.

High Cost of Publishing Forces Chatsworth News to Quit

Another weekly paper has ceased publication. The Chatsworth News, owing to the fact that present high publishing costs have made it impossible to "carry on" farther. It will be amalgamated with the Owen Sound Sun Times, the Fleming Publishing Co. of that city owning both papers. The Sun Times will publish a Chatsworth page of news in each of its Thursday issues. In its farewell announcement, the News states: "This is the last issue of the Chatsworth News. After serving the village and surrounding district for over 36 years, it has been found necessary to discontinue publication. The increasing cost of printing together with the restricted field covered by the News, has brought about a situation that makes it impossible to publish a paper in Chatsworth at a profit."

The News had some prominent editors in its time, notably its founder the late G. J. Blyth, who published it for 25 years, and Mr. T. Hugh B. McCullough who was publisher from 1915 to 1920, when he disposed of it to the present owners.

Durham Tied in Orillia, 3-3 First 2nd round Semi-final

Deciding Game in Durham at 3 p. m. Monday, Labor Day.

In the stiffest battle they have engaged in this season, at Orillia Wednesday, Durham intermediates gave the home team the surprise of their lives when they held them to a 3-3 tie. Orillia has championship visions ahead, and wanted the first game at home, because they anticipated that had the opening game been in Durham, they would have won handily and spoiled the gate for their home match. Instead they just managed in the last period to stave off defeat on their own ground.

Orillia has a fast, husky team, who are inclined to rough it, and referees Jack and Harcourt were rather lax in curbing this. It was fast lacrosse from the face-off, with the ball swiftly passing up and down the field, and so tight was the defence that no score was made in 1st period. Durham threw a bomb in the 2nd period into the home team and crowd by scoring 3 straight, but Orillia next scored 2, giving Durham a 1 goal lead at the half. In the 3rd quarter there was again no score and Orillia evened it with 1 in the last. Both goal tenders started, Mercer in the nets for Durham never playing a better game.

Whoever wins the second game in Durham next Monday at 3 p. m. wins round, and on the home grounds Durham looks to have the "edge". However Orillia are coming to win right here, and it will be the hottest contest ever staged in this part of the province. The biggest crowd ever at a game in Durham may be looked for.

Only six teams are now left in the intermediate series—Durham, Orillia, Sudbury, St. Marys, Oshawa and Campbellford. If Durham can take the round here, as they will strenuously endeavor to do, they will be right up to the finals, and possibly into them.

Stratford 2, Durham 1, in First N. W. B. L. Final

In the first game of the Junior finals of North Wellington baseball League, played in Stratford Saturday, Durham held the crack Stratford team down to a 1 run lead, 2 to 1. The second game will be played here, Thursday afternoon and Durham must win to have a chance. If so, then each team has won their home game, and the tie will be played off and championship decided in Palmerston.

Stratford has swept through everything this summer, recently beating Kincardine 28 to 1 in the semi-final. Durham's strength surprised them, and our lads gave them the tightest game they had seen this season. Durham secured their only run in the second inning when Corbett got a base on balls and Harold Mountain slammed a three bagger, while Stratford scored a run each in third and fifth. Durham boys counted only two hits off Johnston, Stratford's star pitcher and he gave three walks.

In the box for Durham was Vandeleur's winning pitcher, Buchanan, and he came out with flying colors. He was hit a little harder than Johnston, but proved strong in the pinches. The Durham boys were: Buchanan, pitcher; Muir, catcher; Yank Young, 1st b.; Harold Mountain, 2nd b.; Dow, s. s.; McLeod, 3rd b.; Corbett, Moorhead, McGirr, outfield.

The town is just awakening to the fact that it has a team that is for the first time putting Durham on the baseball map, and is nearer a championship than any Durham team has yet reached—right in the finals. Here's hoping they hand Stratford their first taste of defeat Thursday.

POWER FARMING. Not only will the Fordson do every farm power job on draw bar or belt work with the greatest economy, but it will bring you more kinds and greater volume of service than any other tractor can produce. It will give you the extra service that comes of big power in small compass. You will appreciate its ability to go from job to job with ease. It is a service to you to be able to use your tractor not only on the big jobs like plowing—but to use it with real economy on the lighter tasks such as running the grinder, cream separator, straw baler, cutting wood and pumping water. The Fordson plows 6 to 8 acres per 10 hour day on 1 1/2 to 2 gallons of kerosene per acre plowed. No fuel waste pulling around extra weight. It is light enough not to pack the earth (2700 lbs) and heavy enough to hold the ground. Efficient performance and low up-keep cost go hand in hand—you enjoy maximum service at lowest cost. Seven hundred Fordson dealers carry full stocks of repair parts and keep skillful mechanics ready to render Ford service so that your Fordson will be subject to minimum interruption if repairs are required. Every day in the year the Fordson can be of practical use to you. Get the power farming vision. Buy now. As Fordson dealers we welcome your inquiries and a chance to demonstrate on your own fields.
