**DURHAM
HIGH
SCHOOL**

The School is thoroughly equipped to take up the following courses:

1. Junior Matriculation
2. Entrance to the Normal Schools
3. Senior Matriculation

Each member of the staff is a University graduate and an experienced teacher.

Intending pupils should prepare to enter at the beginning of the fall term. Information as to courses may be obtained from the Principal.

The School has a creditable record in the past which it hopes to maintain in the future.

Durham is an attractive and healthy town and good accommodation can be obtained at reasonable rates.

H. R. KOCH, Chairman
C. H. DANARD, B. A. Principal

PRICEVILLE AND VICINITY

PRICEVILLE VILLAGE

We understand that about \$400 has been subscribed toward fencing and otherwise improving the old Presbyterian cemetery on Kincardine and Queen Streets.

W. G. Watson, harness maker and funeral director, spent last week in Toronto.

Wm. Frook has sold his house and lot in town and will likely build again. Miss Violet Watson took the train for London on Wednesday of last week where she will take charge of a public school near that city.

Miss Margaret Tryon, teacher, went to Toronto at the beginning of this week.

Miss Louise Watson returned again to take charge of her school in Beeton. Rev. R. J. and Mrs. McCarter returned on Saturday of last week after camping during two weeks' holidays at Wasago Beach.

Mr. McAllister of Collingwood, has been visiting his daughter, Mrs. T. Nichol and other friends.

Geo. A. Watson of the Priceville Mills, will spend a few days in Toronto this week.

The Presbyterian Sunday School picnicked on the east bank of the Saugeen during Saturday afternoon of last week.

Sacramental services were held in the Presbyterian church on Sunday morning last.

The Methodist congregation had their own pastor back with them

PRICEVILLE AND LIMITS

Forty years ago on this Monday Sept. 5, 1921, on the 5th of Sept. 1881, darkness came over Ontario about 3:30 in the afternoon from the effects of smoke from fire in State of Michigan. Many thought the end of the world was coming and probably some that never thought of setting up a prayer were found on their knees that evening. However the end has not come yet.

Raining this Monday morning and in a manner it is a welcome visitor as the ground is getting dry and roots will be benefited by its coming.

Last Sunday Sacrament was observed in the Presbyterian Ch. here and a large crowd was out on the occasion. The pastor, Rev. Mr. Jones, preached an appropriate sermon and conducted the service in an orderly manner. On Sunday, 18th Sept. Rev. Mr. Jones and Mr. Barnett of Dromore will exchange pulpits in the morning. So we promise a crowded church to hear Mr. Barnett and we are assured that the good people of Dromore will reciprocate by having a full church also.

A few from here took advantage of the cheap rates to attend the Exhibition in Toronto.

Rev. Mr. Jones is spending a few days in Toronto this week on business. Mr. John McLean of Priceville is away to Toronto where he will spend some time with Mr. Jones Sr. in attending to work required by him to do. Mr. F. McKinson is taking Mr. McLean's place as caretaker till such time as he comes back.

If those having cows running at large in town, would have some other place for them to shelter than the Presbyterian church sheds, it would cause more cleanliness for those occupying it on Sundays when putting their horses there.

We congratulate Mr and Mrs Robt Conkey on their recent change in life, wishing them long life and prosperity.

A shoemaker is needed here or a cobbler of some kind. Also a barber as our barber has closed up for some time.

The Furniture Factory Co. Durham are busy hauling their logs from Wm McLeod's, S. Line, Glenelg, during the past week.

Threshers report grain turning out fairly well. In many places the grain is light but some will go 34 lbs to the bushel of oats. Pans are not much, some claiming that the blackbirds took the most of them. Sweet clover is doing fairly well but we cannot vouch for its sweetness while applying the contents therefrom while buying a bag of sugar.

Schools opened in general this Tuesday, 6th Sept. Miss Floyd of No 10,

Glenelg, came back Saturday last. Reports come from friends in parts of the West, that crops in places are poor, some as low as three bushels to the acre while others have ten and fifteen to twenty.

We read Mr. McKelvie's letter in the last issue of the Review and it's a good one. Mr. McKelvie taught school in S. Grey for some time and is a cousin of Angus Hooper, S. Line, Glenelg.

Mr. Shortreed of Galt is visiting at Mr. Robt. Shortreed's at present.

Labor Day was kept in general here the same as any other day.

The monument for the late soldiers who fell during the war has arrived and will be put up shortly. The old cemetery is to have a new wire fence around it soon as we see the corner posts put in shape to be filled with cement.

The Priceville cor. had some latin but we have some Am bheil e tugs an ga de the e grain.

McWILLIAMS

Mrs Cameron of Boothville spent a few days last week with her sister, Mrs. Jas. Brown.

Mr and Mrs Chas. MacDonald visited with her mother on Sunday. Mr. John Moore and son Gordon visited with Mr. Tom and Will Moore recently.

Mr and Mrs Cecil Alton and family and Mr and Mrs Jas. Staples of Markdale visited Sunday with Mrs. Jas. Whitmore.

Mrs Chas. MacDonald Sr. returned to her home in Egremont after visiting for some weeks with her daughter here.

Mr Tom Moore and family and Mr John Moore spent Sunday with Mr and Mrs Will Hartgrave.

Mr and Mrs Jas Brown visited with Mr and Mrs Will Leith on Sunday.

Miss Ella McFadden leaves Thursday for Toronto.

Miss Kate Allan of Winnipeg visited with her sister Mrs. Ed. Lindsay.

DIED

ADDITIONAL LOCALS

All the new High and Public school books at Macfarlane's Drug Store.
For Sale—At Priceville new bungalow 7 rooms, verandah, electric wiring throughout, two parlors.
C. A. Jones, Priceville.

Murrell brothers, two alleged murderers awaiting trial, saved their way out of London jail last week and are still free. Just how their hacksaw was secured, or how that ladder was so convenient to scale the walls and a few other things, is to be looked into, but connivance by someone around the place seems certain. A reward of \$3000 is offered for their capture. Meanwhile Ontario gets a bad reputation as a place to escape justice.

GREY CO. DEBENTURES SOLD WELL—The tenders for the purchase of \$200,000 straight 6%, 20 year debentures of the County of Grey, were opened at O. Sound on Thursday afternoon by Co. Treasurer John Parker, in the presence of Wm Calder and Wm Weir. The highest bid was that of McLeod, Young, Weir and Co. and Bell, Gowenlock and Co. of \$96 637 per \$100 and the bonds were allotted to them. There were a dozen tenders in all and amongst the first ten there was a difference of less than one per cent.

The habit of reading advertisements is a good one to form. They should be read not only for their excellence, not only because of the pleasure one takes in seeing a thing well done, but because of their value to the reader. Most of us of the present day owe a lot of the information we possess about many things, automobiles, for instance, more than to any other source of information. The modern advertisement not only entertains, it informs. And one of the characteristics of modern advertising is reliability. The information we get from an advertisement is just as trustworthy in every respect, as a rule, as the information we get from any other article in newspaper or in magazine. Read the advertisements. They are a valuable and important part of this paper and will worth every reader's time.

AN EXPENSIVE LEAK—After tunnelling for several days under the new cement roadway on the main street, Walkerton, in an effort to locate the source of the leak in the water main that was sending a stream oozing from the earth in front of McBurney's dry goods store, the diggers discovered on Saturday that the moisture was emanating from a puncture in the old drain across the road near the doorway of Cunio's barber shop. The extra weight of the concrete foundation and new bitulithic pavement is thought to have been too great a pressure on the old drain, which caved in at this point, and which, it is feared may not long be able to stand up long under the strain in many other spots as well. Last week's breakage was an expensive affair in itself besides weakening the new roadway by tunnelling about underneath it, and if many such operations are necessitated by further outbreaks, the town will certainly rue the day that it decided to retain the old drain instead of digging it up and putting a more substantial system in before the new pavement was laid.—Walkerton Herald Times.

A Serious Accident

A serious accident occurred Friday, Aug. 28th, on the farm of Robt. Herd, Allan Park, when his son Robert, aged 8 years, was caught in a large wheel of the gasoline engine which was pumping water at the time. He was whirled around with great speed, striking the ground with his clothing off. When found by his brother, the young fellow was unconscious and on examination by a doctor, it was found that his left arm was broken, the left side of his head badly crushed, the right side of body and right leg badly bruised and cut, and a deep cut in his right side, requiring 12 stitches to close. He remained unconscious for about 20 hours but is now slowly gaining every day.—Hanover Post.

Durham Won ; Orillia 1

Locals Capture 2nd Round by 7 Goals

By 8 goals to 1 Durham vanquished Orillia's championship hopes in the second semi-final here Labor Day, and as the Orillia game resulted a 3-2 tie, Durham wins their second round by 7 goals. It was a great exhibition of lacrosse and was witnessed by the greatest crowd—nearly 1400 people—that ever attended a game here. By actual count there were 203 cars on the grounds, almost encircling the playing area and lining the hill top. There were also two buggies! The gate was about \$580.00.

Orillia has a stalwart line-up, several of them hockey stars as well. They beat four other teams to win their district and had lost only one game until meeting Durham. They, like Durham, are a hard checking team, and with one or two exceptions, played a clean game throughout. Their roughest play was in the 2nd period when Macnab deliberately swung his stick across Hilt's forehead after the latter had passed the ball and only the peak of his cap saved Hilt a severe gash and layout. Macnab received a 10 min. penalty which was costly as Durham scored thrice in his absence. About four other penalties were imposed by Referees Jack and Harcourt on both teams for minor offences.

The Durham team showed improved system of team play which has been partially effected by their coach Bert Booth of Orangeville. The defence were steady as a rock, practically impregnable, as only 1 goal testifies. Mercer in goal was getting everything that passed them and his work in the two games earned the admiration of Orillia and Durham fans. Hugill at centre is the speedster of the team and has developed into a star, while the home is the smoothest-working scoring machine outside of senior lacrosse. They took all chances and retained possession of the ball at their end for about two thirds of the game. The team was on their mettle and it would be difficult to pick stars, in fact things went so smoothly that none of the three good subs in readiness were called upon.

Orillia never was in the lead on the ground. They tied it in the last period in Orillia, and Durham forged ahead and broke the suspense here when in 4 min. play Hilt netted Durham's first. The visitors were also working smoothly, and tied game and round in 2 min. more with a close in shot. Then it was all Durham as far as goals were concerned. The prettiest score of the day was the only tally in 3rd period, when in speedy passes, Hugill to Nick Burnside to McLachlan, the latter lobbed in a nice shot before getting time to turn. The following table shows goals scored by periods:

1. Durham	4 min.	scored by Hilt
2. Orillia	2 min.	Hilt
3. Durham	5 min.	quarter time
4. Durham	half time	McLachlan
5. Durham	Burnside	M. Saunders
6. Durham	three quarter time	McLachlan
7. Durham	McLachlan	M. Saunders
8. Durham	1 min.	M. Saunders
9. Durham	McLachlan	McLachlan

The Line up was;
J. C. Mercer goal
H. McDonald point
E. Hinds cover
B. Farrell defence
M. Mercer defence
K. MacNab defence
H. Parlett centre
A. Tudhope centre
N. Burnside home
J. Hinds home
F. Hinds home
M. Saunders outside home
E. Jupp inside home
R. Burnside subs
R. Miller subs
Leah subs
W. Brennan

Voters' List 1921
