PRICEVILLE AND VICINITY

PRICEVILLE AND LIMITS

Mrs McLachlan from near Ottawa, is visiting her friends here and at Durham at Mr John Graham's and at her sister-in-law's, Mrs Graham of Priceville and her niece, Mrs McLeod S. Lise, Glensig. Mrs McLachlan was Agnes Graham and left here 52 years ago, when she became Mrs McLachlan very young. She finds many changes during that time.

Mr Legate of Buffalo, is visiting his brother-in-law's, the Nichol's, at present.

Mrs Murray of Toronto is with her sister, Miss McLean for a while.

We are sorry for the accident that happened Mrs. Malcom McInnes a week ago by having a bone broken in the ankle while simply slipping on the grass. Dr McFarlane set the bone and she is doing as well as can be expected.

Mrs John Burnett of the 5. Line, underwent an operation lately and we are pleased to hear she is getting along well also.

Mr Norman McMillan from the States visited his old friends on the N. line lately at the late Jno A. McMillan's. Mr McMillan's last visit was upwards of 20 years ago and he found many changes around the old home stead.

Mr John Graham attended service at the Presbyterian Church Sunday last. Mr. Jones preached a good sermon on "Remember the Sabbath day to keep it holy." In general it is kept as a day of pleasure by a great many. Now in the days of swift conveyances it affords to many who enjoy the day as a day of enjoyment, to go to some distant place or some object of curiosity. Perhaps we are intruding too much on the Editor's space by contributing too often. Agus aguirish mi an tras.

SWINTON PARK

Miss Hazel Ferguson and Miss M. Aldcorn have returned home having spent the summer months in New Ontario.

Mr R. Campbell of Cedarville was a visitor here over the week end.

Miss R. Stewart has returned to her school at Leamington on Saturday.

On account of the night being wet last Friday there was a poor attendance at the beef ring meeting.

Mr Wm. McNulty and family have moved to their home at Dawson.

Mr Alex Richardson and son Henry who is going to attend University in Toronto left for the city on Friday.

BOOTHVILLE

Threshing is the order of the day around Boothville.

A number of the youth and beauty attended the Anniversary Services at Amos Church followed by a concert on Monday evening.

Congratulations to Miss Agnes C. McPhail who had the honor of being elected to run as a united farmer candidate.

Messrs Archie Clark and Jack McCannell have taken a trip to Barrie to visit the latter's friends.

Comments of our Exchanges on Miss McPhail's Nomination

Chesley Enterprise "After all the Enterprise man has written and spoken in favor of the franchise for women the least that can be expected of us in this mortal combat is to act as esquire for the fair lady unless a South Grey bachelor has already spoken for the honor. There will be a certain amount of prejudice among the electors of the riding against a woman candidate, but we can't see any force in an argument against the candidature of a woman who is well qualified for the position and won the nomination in a fair field. We look to Miss McPhail to be the next Federal member for South Grey."

Mt. Forest Confed. & Rep. There was a very large attendance at the convention, too large for the town hall to accommodate. A labor delegate was present from Hanover. There were few women delegates, if any, for which oversight Miss McPhail scored the men severely in her fine speech. They had come out for a good time and left their wives and daughters at home to do the work. We understand, too, that a lot of the men went there voting that they would vote for no woman candidate, but the lady got there just the same. Many think it will be the same at the election—Miss McPhail can beat all comers.

Owen Sound Sun Times A former school teacher in north York at Sharon, Miss McPhail enlivened the proceedings of the tariff commission in Toronto last December when she announced herself as a plain farmer's daughter and told Sir Henry Drayton, the chairman of the commission, that never before had she stood in the presence of a real Knight. She then proceeded to expound the tariff system and all its works in a spirit of mingled railery and indignation, declaring that the exactness of the present tariff make matrimony with farmers an unalluring adventure which she herself declined to embark upon. She thinks the farmers of Ontario under the protective tariff system are like the old Indians under the Hudson Bay Company they take what is handed out to them.

Farmer's Sun Miss Agnes Campbell MacPhail, who has been nominated by the United Farmers for the constituency of South Grey, is the only woman nominated so far for the Federal House. Miss MacPhail says she is Scotch, but the Campbell MacPhail part suggests Irish origin, or possibly Dutch. However, she is Scotch in her tenacity and in her innate determination to improve the economic status of the country women, and Irish in her witty reports and in her use of rapier-like epigrams. Miss MacPhail is a native of Grey County, but taught school for a number of years in North York, where she did splendid service in advancing the cause of the Farmers' Party. She is a member of the U. F. W. O. executive for the province, and has long been an active worker and speaker. The South Grey electors should send Miss MacPhail to Ottawa.

The Grey Regiment has received many compliments. The latest is a despatch to head quarters, Owen Sound, from Militia headquarters, Toronto:

"With reference to the Report of the Annual Inspection 1921 of the Grey Regiment.

The Ministers and the Members of Militia Council have noted with satisfaction that the Regiment made good progress during the annual training and I am to place on record their appreciation of the results obtained."

The G. O. C. M. D. No. 2 directs me to convey to you his congratulations on the above, and to assure you that he appreciates to the full the many difficulties and discouragements that had to be overcome before you were able to place your unit in a position to merit the above quoted letter of appreciation.

To Test His Will

Two men were arguing in their club. One a fellow of high conceit, was boring everybody with boasting of his will, maintaining with much violence that his will was stronger than that of anybody's present. "You are wrong here," said one of the gentlemen, "and I will prove it. Go and stand in that corner and I will have you out of it before I have commanded you the second time." The smart one stood in the corner and the quiet one said: "Come out of that corner." The other grinned and shook his head.

The quiet man sat down and looked at him steadily. Five minutes passed and the smart man said with a sneer: "Don't you think you had better give it up? It don't feel any influence at all and I can't stay here all evening." "Oh as to that," replied the quiet man, "there's no hurry I am perfectly comfortable. You recollect that there's no time limit: you are simply to come out before I ask you twice. And as I don't intend to ask you again until a week from to-day in order to give your strong will a fair and vigorous trial, we might as well take it easily." The man with the iron resolution sneaked out of the corner and the incident was declared closed.

Banks to Carry Cattle Raisers

Canadian cattle raisers will be carried over the period of abnormally low prices by advance from the banks secured by this announcement. This advance was made by the Hon. F. S. Tolmie, Minister of Agriculture. By arrangement between the Government and the Canadian Bankers' Association, any cattle raiser who asks for a loan and has security in cattle will be given an advance to obtain fodder. Cattle raisers will thus be enabled to carry their stock over the period of getting rid of it at sacrifice prices. Mr. Tolmie stated that the banks will loan that the cattle are worth, and that every effort will be made to carry the raisers through. Special consideration will be given to the period of the loans in order to assist the cattle men to weather the storm. It is understood that there is no specific limit placed on the total amount which the banks may advance under the arrangement with the government.

PRICEVILLE AND VICINITY SOLDIERS' MONUMENT Unveiled Tuesday, October 4th by Dr. Thurlow Fraser

Priceville's Memorial Unveiled Amid Appropriate Services

Tuesday, 4th October, will long be remembered by people of Priceville and vicinity for the patriotism that enabled them to fittingly commemorate their boys who fell in the Great War and all those who served. The memorial is of granite, a chaste design, surmounted by the figure of a soldier placing, with bowed head a wreath upon a cross. The features and expression are pleasing. The site is an admirable one, directly in front of the Presbyterian Church and looking down the main street. On one face are the names of the fourteen boys who died, placed in order in which they fell as follows:

1. Goldwin Patterson 8. Isaac A. (Pinkerton)
2. Jno H McDonald 9. Irvine McArthur
3. Robt McMeekin 10. Alex McVicar
4. Dan McNalty 11. Arch A McKinnon
5. James Whyte 12. Neil J McMillan
6. Don L McKinnon 13. Robt E McLean
7. Thos L Mather 14. Henry McIntosh

On the other face is inscribed: In Honor of all who Served and in

Loving Memory of those who died for the cause of Freedom and Justice in the Great War 1914—1918. On the lowest base are the words "Ypres" "Comrades in Arms."

The order of service included "Placing of Flowers," and this was responded to by a wonderful wealth of floral offerings surrounding the monument. A striking emblem was a large floral maple leaf, the gift of returned soldiers in the neighborhood, a ribboned inscription being "Comrades in Arms."

The ceremonies were opened by the school children marching in procession from school to monument, singing "O'ward Christian Soldiers" by the way, and lining up in front sang "O Canada." This was followed by a platoon of returned local men, all in khaki, Lieut Cargo of Fisherton commanding, led by Swinton Park Pipe Band.

Rev R. J. McCarten was the presiding officer in the afternoon and opened with appropriate introductory remarks. Suitable hymns were printed in the memorial pamphlet prepared for the occasion. The unveiling was done by Mayor (Rev.) Thurlow Fraser of Owen Sound, the flag used being the large city flag of Owen Sound, who after the sounding of the "Last Post" made an address suited to the occasion. Major T. J. Rutherford

and Alderman Willoughby of O. Sound, also made addresses. The prayer of Dedication was made by Rev J. A. Leese a former pastor.

The "Roll of the Fallen" was read by Rev J. A. Matheson, a former pastor for over 20 years. He knew most of the boys, and made touching personal allusions to them in the address that followed. There was also Scripture reading from Old and New Testaments. The "Honor Roll of Service Men," 89 in number, as printed in the booklet, was spoken to by Rev. C. S. Jones and Rev. J. A. Leese. The "Prayer of Thanksgiving" was made by Mr Jones. God Save the King was sung, the benediction pronounced by Major Fraser and the function was over.

The weather was not propitious chilly and lowering, yet a large number men, women and children saw the ceremony through. The cost of the monument was over \$2200.00 and its erection and subsequent proceedings are most creditable to the community.

A lunch was provided in the church basement and a social hour or two was spent around the village until about 8 o'clock.

THE CONCERT

Held in the church was well patronized. Rev Mr Jones presided. After some come congratulatory remarks, prayer and a fine instrumental, Rev. Thurlow Fraser was given precedence as he had to catch the train. His address consisted of vivid war reminiscences in which he shared, and which brought out the devotion and bravery of the boys.

Rev J. A. Morley of Toronto, a graduate of the Owen Smiley School of Education, was the chief figure on the program. He certainly has wonderful dramatic power and his numbers were amusing and much enjoyed. He is more than an elocutionist however and gave an excellent address as well. Rev. W. H. Smith, B. A., Durham, also gave an able address dealing with the patriotic issue and atmosphere of the day and musical numbers much appreciated were rendered by Mrs W. H. Smith, Miss W. Blyth Varney, Dr Murray, Flesherston and Mrs H. B. McLean, Priceville.
