**FIFTEEN PHOTOGRAPHS**—Given with each dozen, until after Christmas.—A the Kelsey Studio. No gifts would be more appreciated than photos of yourself and family.

Two teaspoonful of Tanlac in a little water taken three times a day just before meals will make you at better, feel better, sleep better and work better. At Macfarlane's Drug Store.

**ROB ROY GRAIN PRICES**—We are paying 38 to 40c for Oats, 50c to 55c for Barley, 60c to 65c for Buckwheat and \$1.60 to \$1.75 for Peas at our Elevator this week.

Rob Roy Mills, Limited

Reeve Calder brought home from County Council a nice little check for \$1800 to re-imburse the town for outlay on good streets and roads. This makes about \$2300 in all received from government sources and the end is not yet.

Among six young men coming forward as candidates for the Ministry at Orangeville Presbyterian, we notice the names of Douglas Kendall son of Rev G. Kendall, Dundalk and R. W. Paton, a nephew of Mrs Robt. Isaac, Durham. The latter is at present supplying at Kirkland Lake.

**NON-CONSERVATIVE BUT**—We had the pleasure of a call last week from Mrs. John Cooper, Normanby who has been visiting her daughter, Mrs. And. Derby in town for a few days. Although 95 years of age she is still active on her feet and has a good grasp of things present as well as past. May she round out the 100 and then some!

A recent issue of the Grenfell, Sask. Sun contains a notice of the marriage of Kathleen M. Baird, daughter of Mr. James Baird, formerly of Normanby, to Clifford G. Argue, a young man, who served over 3 years in the war and was wounded at Loos. Among many gifts was a substantial cheque from the bride's father and a case of community silver from the groom's parents. The bride's going away gown was a smart suit dress of navy serge with hat to match and sable stole. Their home after wedding trip, will be Parkdale Farm near Grenfell.

The congregation at Priceville, Ont., of which Rev. Mr. Jones is pastor recently purchased a new Canada lantern, the famous "Educo Portable Projector" with 600 watt Mazda nitrogen lamp. With the help of this lantern an illustrated lecture on "Robert Burns" was given which delighted the audience. Testimony comes from many quarters to the good service rendered by the lantern in Church and Sunday School. Particularly in the Sunday school are the results gratifying. Lessons are better understood and singing is heartier and more spontaneous.

**The Farmer's Partner**  
A Bank, like an individual, is known by the company it keeps—in other words, every bank has a distinct character. This Bank has been so closely associated with rural development in the past half century that it is now characterized as the Farmer's Partner. If you are looking for practical banking co-operation, let our local Manager demonstrate "Standard" service.

The P. Patterson brick residence, west of the town Hall has been sold to Misses Alethea and Edith Grant of Toronto. Their parents will occupy the home next summer when the daughters will also return to their new home.

The Red Cross Society will hold a bazaar and sale of home-made baking, also home made candy on Saturday, Dec. 3rd, in the store lately vacated by the Misses Caldwell. Any donation thankfully received. Doors open at 3 o'clock. Proceeds in aid of the Memorial Hospital fund.

The Anglican Young People Association (A. Y. P. A.) reorganized for the coming season with the following officers: President—Miss Ottilie Limin Vice-Pres.—Mr Stedman. Secretary—Miss Angevine. Treas.—Miss E. Schultz. They will meet every Monday night.

**HELD BAZAAR**—The Ladies' Aid of Durham Presbyterian Church held a successful bazaar in the schoolroom of the church on Saturday afternoon last, and business was for most of the afternoon quite brisk. The young ladies Auxiliary and Junior Mission Band of the church, each had booths of candy and fancy work for their respective Societies and these also were well patronized. The schoolroom was tastefully decorated with bunting and flags, and the whole scene created a delightful atmosphere. Tea was also served by youthful attendants and the piano was kept busy throughout the afternoon. A few articles only are left and the gross receipts of the bazaar amount to \$300.

The Ladies' Aid of Durham Methodist Church arranged for a successful concert in the Town Hall on Thursday night last. The artists were Miss Pearl Newton, elocutionist and graduate of the Owen A. Smiley studios, Toronto, and Miss Ethel Grainger, contralto, also of Toronto. Miss Rita Irwin was the accompanist for the singer and also rendered a pleasing instrumental solo. Miss Newton has a large repertoire to choose from and her selections of both grave and gay nature were well received. Her horse race number was perhaps the most realistic. Miss Grainger is the possessor of a beautiful resonant contralto voice and she was also fortunate in her selection. The old favorites, "Carry me back to old Virginia" and "Annie Laurie" carried a heart appeal that few singers have given to them. Miss Grainger would be welcomed back to Durham again. After expenses are deducted the Ladies' Aid will have a fair balance to the good.

**DURHAM CLUB IN TORONTO**—An organization that is growing popular in Toronto has been formed in the city by a number of former Durham lady residents and is known as the "Durham Club." Among the principal members are Misses A. Blackburn, A. Grant, M. McClocklin and Mrs. Ed. Lauder, while the immediate work being undertaken is sewing for the Red Cross hospital proposed for their old home town. Meetings are held monthly at the homes of the ladies, the last two being at Mrs. Lauder's and Mrs. Latimer's and the membership totals about 40. Plans for a big social event in January are said to be underway, and it is expected that tickets will be sold to fully 200 ex-Durhamites now living in the city. This gathering promises to be an old boys and girls reunion and is bound to prove exceedingly popular to those who have kind remembrances of Durham and vicinity.

## MacKenzie King in Chesley

**Miss MacPhail Same Night**  
The double attraction drew a crowd to Chesley on Friday last, estimated at over 4000. The Maid of Ceylon had the rink and a crowd of over 2000 we were assured assembled to hear her and Mr Findlay, the Progressive candidate in South Bruce. Chesley is a mile or more from Grey County so the meetings served a proportion of Grey votes as well as Bruce.

At 7 o'clock the Town Hall, where Mr. King was to speak, was besieged by a crowd which, when the doors were opened was filled in five minutes. The overflow was directed to the Bijou theatre which also was filled, and later a third meeting was convened to hear the brilliant leader, who spoke at all three meetings, but of course his main address was given in the Hall, where for over an hour he held the audience spell bound as he pointed out the inconsistencies, the weaknesses, and worse, of the present usurping government.—The fallaciousness of the campaign cry of the Conservatives that it was necessary to support the government to keep factories open and workmen employed while thousands were now idle under the same protection policy they propose, was well brought out.

They have, Mr King said, refused the challenge to tell whether their proposed tariff revision is to be up or down. They dare not tell, for if down, their masters, the big interests, would denounce them, and if up, the people would protest so loudly that even their lingering hope of a remnant would be destroyed. He believed if they could be returned to power the revision would go up.

Mr King made clear that Free Trade was impossible for many years owing to the enormous debt and financial obligations piled up by the present administration, even apart from war necessities. He deplored the division of the progressive forces in this election, as it tended to allow their common opponent a chance to slip in between. He is confident of winning his own election in North York, expects all Nova Scotia except one seat, all Prince Edward Island and all New Brunswick but perhaps three. This with a majority in B. C. A fair proportion in the prairie provinces and Ontario, and an almost solid Quebec makes him sure of heading the largest group. He closed with an eloquent peroration an effective speech.

Mr Klein, lawyer of Walkerton a one time Conservative, but convinced during the last three or four years of the incapacity and blundering of the Conservatives, made a telling speech. He pointed out that it was this blundering that gave rise to the Grangers and Patrons of Industry under Tory administrations in the 90's of last century. Under Laurier from 1896 to 1911, there was no farmer movement again but shortly after the return of the Conservatives in 1911 the farmer movement, became an issue all this proving that the Liberal policy gave full justice to the farmer.

Mr Truax, Liberal candidate in South Bruce also spoke. He is not an orator, but gave an interesting account of his service to the riding in past years.

Leader King travels in his own car and has been campaigning for 10 weeks, quite often speaking twice a day and some times three times.

**Men's Bible Class**  
Next Sunday the discussion will be on "The influence of the mind upon the health of the body." There is no doubt a great influence. The relations of mind and body are most intimate. The causation and cure of many ailments and troubles are in the mind.

These Sunday afternoon topics are related to each other and a regular attendance will increase your interest and help you to understand better.

**WAR CURIOS AT LIBRARY**—At its meeting on Friday night, the Library Board took steps to preserve for the coming generations mementos of the at war and other curios of interest, and place them on exhibition in the reading room where they could be seen by the general public with the names of the donors and the circumstances under which they were obtained, attached. A show case will be provided by the Board and donations for it solicited from all parties in town who have mementos of the war and who would be willing to donate them to the Board. These will be placed under lock and key but be visible to all who frequent the library. (The foregoing we regret to state, does not refer to Durham Library but to one in Teeswater. We think the idea a splendid one, and hope we may be able to go and do likewise before long.

Mr. Jas. Eden has sold his corner farm in Egremont on the Garafraxa (formerly the Mountain farm) to Mr Nelson McGuire of the 18th con, Egremont, getting possession March 1st. Mr Jno Queen who now is on the place, is considering going West.

The Macphail meeting at Varney last night, we hear came off successfully, which must have been a disappointment to the five Conservative lads who it is alleged attended with the purpose of giving her a warm welcome and break up the meeting.

Mr Matt. Beckett the ever-vigilant License Inspector of Owen Sound has received an important promotion. He has been appointed District Inspector of district No. 3, which includes the counties of Bruce, Grey, Huron, Perth, Wellington, Waterloo and Dufferin with headquarters at Kitchener. During the past year the provincial treasury was enriched over \$1000000 by fines collected through him.

**TABLET PLACED**—In position between the two desks on the south wall of the Royal Bank, a handsome bronze tablet was last week placed in memory of the late Gunner Esdon Wolfe, son of Dr. and Mrs. Wolfe here. The inscription reads "In memory of Esdon M. Wolfe a member of the staff of this bank, who gave his life in the Great War, 1914-1918. It is to the credit of the Royal Bank that they make this fitting recognition of departed heroes.

After holding the Treasurership of Glenelg Township for 20 years, Mr Dan Edge, handed in his resignation at last Council meeting. He has been a worthy successor to his uncle, the late James Edge in this capacity. Since moving to Durham, Mr Edge has not the room for the safe and township books and decided to relinquish the office. An advt. appears in this issue for applications for the vacancy, though Mr Edge will carry on over the busy period until March next.

## Election Returns

The Reeve has made complete arrangements to have both the upper and lower portions of the Town Hall properly lighted, heated and seated so as to accommodate all who may come out to hear the election results on Tuesday evening next. The Hall will be opened at 7 o'clock and it is expected that shortly after that hour, a full report from all the sub-divisions will be available. Telegraphic reports from all over the Dominion has been arranged for and will be given out every ten or fifteen minutes during the evening. A small fee will be taken at the door to cover expenses and should any funds be left over it will be given to a charitable purpose. Ladies, Gentlemen, Tory, Gris and U. F. O. are equally welcome.
