After a two years term as Reeve, A C

We had about 4 inches of snow furniture factory, Durbam. during the past week that made nice winter roads, especially for light work. Numerous cars were in use also, but rain commenced to fall on Friday night and continued for 24 hours and early on Sunday morning. Brilliant Commencesnow flurries driven by high wind,

made it very unpleasant all day. Some of our local readers say we know all about the weather without reading it in our local paper. Yes, you do but many readers of this paper from Manitoba to the Pacific coast and down to California, line to compare weather notes with Ontario. both summer and winter.

Beautify Your Homes

Recently we have made some plans of Home Ground. The Horticultural McPhail Majority over Ball, 2598 Department, O. A. C Guelph, where the Landscape Gardener, Mr Tomlinson will make a blue print indicating where various trees, shrubs and vines should be planted for most effective results in beautifying their grounds. The work is done tree of all charge and any farmer may have the berefit of this by application to T. S:ewart Cooper, De partment of Agriculture, Markdale.

Ontario's landscapes could be greatly improved if more thought and effort were spent planting trees. shrubs and vines along our roads or about the farm buildings. When planting plans can be had for nothing every farmer should avail themselves of the opportunity.
