PRICEVILLE VILLAGE

Any snow that has fallen this winter seems to be repeatedly blown off the centre of the roadway and people are using the sides and ditches in moving about.

Rev. C. S. Jones who has been troubled for a couple of weeks with an affection of the throat causing hoarseness, has been advised by a specialist to refrain from public speaking for a few weeks. The services in the Presbyterian church for the past couple of Sundays have been conducted by outside help.

Chas McLean has been repairing the swing doors and other fixtures in the Public School rooms.

Lately the banking hours here are from 6 to 12 a. m. and it generally makes quite a rush to get business transacted before 12 o'clock noon.

The black foxes over on the ranch are looking fine this winter.

Some important discussions will take place in connection with the Agricultural Society here at the annual meeting on Saturday p m next, Jan. 21. There will likely be a good attendance.

SOUTH LINE, G. & A.

The severe storm on Sunday last caused the majority of church goers to stay at the residence. However the sleighing is not much better as the high wind blew the snow clear off the centre of the road and drifted in the ditches.

Mrs Alex McMillan went to Fergus on Saturday to see her brother Malcolm who is yet in the hospital there, but latest reports is improving and hopes he will be able to be home soon.

Thos McDougall and Jno. McEachern are busy cutting wood on Geo. Hargray's place. Wm McLeod and son are busy taking out logs for the furniture factory from the Sullivan bush. Hard winter on the teamsters on account of bad sleighing.

Arch McLean, we understand, has the contract of drawing the logs on D. McDonald's place for the furniture factory, but did not get any out yet on account of poor sleighing.

We thank Arch McDonald of Oregon (our nephew) for the good words for the Review and Priceville correspondence.

Archie spent his boyhood days here, part of his time going to Top Cliff school and if he undertook to tell his experiences while on his way going to the Klondike and after arriving, it would make interesting reading to know the hard time he had while digging the gold dust of which he was successful in getting enough to keep him in comfortable circumstances during his lifetime with his good partner in life.

Quite a number of people are complaining from the effects of colds. We were pleased to meet Mr Chas. Arnett of Alberta. Mr Arnett was a resident of Glenelg in early times and is staying a while at his son Wesley's at McWilliams.

It is hard to get news, especially to a person who generally never goes further away than Topcliffe. But down at the foot of the hill the old schoolhouse caused quite an excitement before the baptism of the new schoolhouse took place. Those considering themselves experts were none the wiser than the rest.

Charlie McKinnon is a right again after a severe attack of quinsy. The U. F. O. Club had a carload of flour delivered at Priceville a few days ago.

A number are taking advantage of taking out wood as it is good weather for bush work.

Reeve Arch. McCusg's of Glenelg, will be going to Owen Sound next week. Those who made an attempt to disqualify him failed to accomplish their object in view to unseat him.

Cattle buyers shipped a carload of stock from Priceville last week. Some that bought cattle a year ago on speculation are selling now from \$15 to \$20 less than they paid for them one year ago. The profit is going the wrong way for the buyer and seller.

Death and Burial of Mrs Pat. Fogarty

On Saturday evening Jan. 7th, death attended the home of Mr Patrick Fogarty, by claiming as its victim his beloved wife, after an illness extending practically over 2 years. About a year ago she underwent a serious operation and apparently was regaining her usual health when a relapse came from which she never recovered.

Her long illness was borne with Christian patience and resignation and she was hopeful of recovery till near the last, always having a sunny smile and cheerful greeting for every one.

During her 13 years of wedded life she proved herself a real helpmate and loving companion, making a host of friends by her kind and cheerful manner.

Deceased was the fourth daughter of the late Dan and Mrs McCarthy, of the 12th con, Glenelg, and leaves

to mourn her death besides her husband, three sisters, Mrs Joe. Haley of the 6th con, Glenelg; Mrs Christopher and Mrs Wilson of Toronto and four brothers, Wm and Dan on the homestead and Jas. and John on the 10th con, Glenelg.

Those attending the funeral from a distance were Mr and Mrs Jno. Meagher from Windsor, Mr and Mrs Christopher, daughter Maimie and son John, Mrs Malcolm Wilson and Mrs Fred O'Hara, all of Toronto.

The pall bearers were John and Jas Christopher, Alfred and John O'Neill, John Meagher and Michael Quinlan.

That the sympathy of the entire community goes out to Mr Fogarty in his great trial was shown by the large funeral which took place on Tuesday to St. John's church and cemetery, when Rev Father McGoey officiated.

BUNESSAN

Sweet clover hulling is the order of the day. Mr Cameron Smellie is busy at present in this vicinity, and is doing splendid work.

Mr Silas Edwards left Monday for Guelph, to take the short course of grain and Stock Judging.

We are sorry to report that Mrs George Stuart is laid up with an attack of quinsy.

Miss Ruby Campbell of Durham spent a few days recently with Miss Marie McArthur.

Mrs Henry Beaton is home from a visit with Toronto friends.

Mr and Mrs A. B. McArthur went to Toronto last week for a few days.

Hockey News of the Week

Hanover Made it Close

As a result of their win over Hanover last Thursday night by 7 to 5, Durham Junior hockeyists are now on top of the heap, with two games in the "won" column and no losses. Hanover to win them must win in Harrison, besides their two home games, so Durham's stock is now away above par in the league race.

Though they had to take the small end of the score here, Hanover has no easy team to conquer, and Durham had never had a safe lead till the last period when time thwarted their chances to pull even. Our boys had only a slight margin on the play and had Hanover any margin of luck, they might have won out. The first period ended 2-0 for Durham, 2nd was 4-2, and the last 7-5. Great work by Durham's two wing men, Irvine Elvidge and Willet Snell, kept the team on top, the former scoring 3, and the latter the other 4 goals with accurate lifts from the wing. Moorhead, Durham's goalie, let in two easy ones, but more than redeemed for them by blocking some speedy shots while the visitors were pressing hard. Buschlen and McTavish were strong individually on the defence, and Sherwood Rowe and Hamilton who took turns at centre were both active but they all seemed to lack the effective team play of which they are capable. Here's hoping they find it when they face Harrison here next Tuesday, Jan. 24th.

Boettger and Armstrong, on defence were the strongest of the visitors, though Brunt at centre was often dangerous. Lamont in goal, Blumh at left wing, Wise right wing and Messner, sub., were the other on Hanover's line up. Stan. Burns of Hanover was a satisfactory referee.

High School Beat Mt. Forest

In a good snappy game, Durham high school lads took the second of the double scheduled series with Mt. Forest here on Wednesday night, by a 11-6 score. It was interesting hockey to witness, as the Durhams ran up an early lead of 5-1 the first period, and showed what team work could do combined with good goal tending by Harold Mountain. The rest of Durham line-up was; defence—Harry Kress and Willie Vollet, centre—Martin Lauder, left wing—Willet Snell, right—Irving Elvidge, sub—Royden Burnett, Erben Schutz. The third game is in Mt. Forest on Jan. 28.

Durham 10, Markdale 6

Durham Juniors played an exhibition hockey game in Markdale Monday, which they won by 10-6. The game is reported as quite fast throughout, with a whirlwind finish by the Durhams. At end of second period it was 5 to 4 for Markdale, but the blues ran in 6 to 1 the last frame, and skated the home team off their feet.

School Teacher's Life Is Saved

"School teacher—parents dead. Brought here on a stretcher. Good progress; hope for full recovery." Such was the meagre record of a patient at the Muskoka Hospital for Consumptives; Meagre, but how full of deep significance!

"I was so frightened," confessed the girl, her blue eyes reflecting the sky overhead, as she lay beneath the pines up there in Muskoka. "I didn't know what to do. I had no money; and, oh, I was so horribly alone."

"Think of it," and she shivered, "I would be dead—now—if it weren't for this hospital. But I'm not," and there was a ring of victory in her voice. "I'm getting well. Oh! I can hardly believe it."

Just a lonely, motherless girl, but how sweet that life given back to her!
