**Better Rubber Footwear at the Regular Price**

If Ames Holden Rubber Footwear wasn't better—if it didn't wear longer—we would not support the iron-clad guarantee that goes with every pair.

These facts hold good with Ames Holden Leather Tops. The finest chrome leather upper is sewn over, not inside the pure rubber bottom, sheds water and dirt and gives longer wear with greater comfort.

There's an Ames Holden Rubber Shoe or Boot exactly suited to the work you do, backed by the unusual guarantee and sold by us.

The People's Mills DURHAM

The concert on Friday evening in the Agricultural Hall under the auspices of the W. M. S. of the Methodist church, was a decided success. The two artists, Mrs Ethel J. Grainger and Miss Pearl Newton, Toronto, are both of a very high order as entertainers. Mrs Grainger has a contralto voice of exceptional power and delicacy of expression. Her pleasant manner and ease in singing, along with the sweetness and distinctness of voice and words, made it a delightful listen. Her selections were well chosen and each number was encored with was generously responded to. Her rendition of 'My sin folk' was exceptionally fine.

Miss Newton is a gifted elocutionist and has a charming personality. Her pleasing qualities include simplicity and naturalness. Many of her selections were humorous, one - cheering the invalid, giving the audience a good deal of merriment. A very sympathetic piece was 'Mother knows I'm coming home'. Another extra good was the 'Son of Jupiter', a racing story of the Bluegrass region of Kentucky. The audience was kept at tension throughout the evening. Not one number given by either but what was appreciated and we bespeak a crowded house should they ever again come to Holstein. Miss Sharp was pianist for the evening and in her usual style performed with exceptional ability.
