#### Majority of Centenarians Are Women

A despatch from Paris says:-Wemen no longer are the weaker sax, according to the vital statistics of the city of Paris, just published, which show that of the seventeen centenarians in the French capital, eleven are women. Of the more than fifty who are more than 90 years old 80 per cent, are women. These records probably will be exceeded in other areas, as the Seine Valley; in which Paris is situated, was never considered particularly favorable to aged persons, as it is subject to quick changes in temperature.

#### Strong Sentiment in England Against Mormons

A despatch from London says:-The savage agitation against the Mormons here has resulted in several attacks on members of the creed. A A despatch from London says: usual at his laboratory in Orange, N.J. a Mormon elder, knocked off his hat, and tore up his tracts. One night four large stained glass windows of the Mormon headquarters were smashed sioner in Egypt and the Sudan, have led to a complete agreement on the policy to be pursued in Egypt, and the policy to be pursued in Egypt, and the conditions, including a British pledge led to the conditions, including a British pledge led to the conditions, including a British pledge led to the conditions of least Saturday, but the side of the conditions of least Saturday, but the sudan, have calls that even the moderate Egypt.
