but Lacks Necessary

Capital.

One of the newest born of Canadian

industries, but one which has achieved

no shadow of doubt as to its future

importance to the Dominion, is the

motion picture industry. Not only is

Canada coming to use motion pictures

to an ever increasing extent in every

phase of her national existence, but

her home manufactured films, dis-

tributed broadcast, are widely adver-

tising the Dominon in the most effec-

live manner, her beauties, her oppor-

tunities, her industries, and her agri-

cultural progress. The fact that Cana-

dian produced and manufactured films

have been so favorably accepted and

commented upon in all parts of the

world is proof of the high standard

of Canadian production, a bright augur

thousands of tourists and sightseers

every year, whereas the motion pic-
