DURHAM THURSDAY APRIL 6, 1922

Published weekly at \$2.00 in advance. To United States, \$2.50 in advance.

TOWN TOPICS

Western Feed oats 62c per bus. at Rob Roy Mills.

A car of No. 2 W. Oats for sale at the Varney Mills.

A car load of wire fence just arrived. Cross & Sutherland.

Custom chopping every day at McKeechie's Mills, Durham. Satisfaction guaranteed. Corn, mixed chops, oats, and all kinds of feed for sale at current prices.

BEST RETURN IT.—Will the party who removed the line from the horse in Varney sheds on a recent Sunday evening return it to Geo. Lewis or to Noble's blacksmith shop and save exposure. The party is known.

The Epworth League of the Methodist church purpose holding a banquet in the basement of the church, on Wednesday, April 12th. Dinner served from 6 to 8, followed by a good program. Admission 50 cents.

PUBLIC NOTICE.—A public meeting of the ratepayers of Durham is requested in the Town Hall on Monday evening, April 10th, at 8 o'clock to consider whether the Council shall proceed this year with the permanent construction of a portion of Garafraza St. in Lower Town. A large attendance of ratepayers is respectfully requested.

THOS ALLAN, Mayor.

ANOTHER SLEET STORM.—The ice and sleet storm of last week did not get to danger length here but at London, Hamilton and places between as much or more damage was done than at the storm a few weeks before. Cities and towns have been plunged into darkness, industries depending on electric power have had to close, and it will take a week to restore all services. Fruit and other trees have also suffered much. Nature now and then shows her teeth.

Police Magistrate Laidlaw has been called upon lately to soothe and settle disturbances of one kind or another more frequently than usual. He has also in a number of cases stayed developments by fatherly counsel that might have led to bitter ending. This we happen to know and are pleased to know it. Our P. M. when occasion requires, can deal sternly, but he also has the faculty of smoothing differences before they become acute, and this is commendable.

THEY OMITTED DURHAM.—Mount Forest held an enthusiastic lacrosse meeting Saturday night, when they decided to place an intermediate team in the field. Lorne Smith, a Durham boy is Secy. Treas. of the club. They'd best to steer clear of the O. A. L. A. and form a new 4 club league of Wellington and Bruce villages and towns. Durham and Hanover, two of the best lacrosse towns of the province and close neighbors however are omitted from their list. Why the partiality? They must not be over-anxious to cross sticks with these two old rivals.

LADIES' AID ACTIVE.—On Thursday last the members of the Ladies' Aid of the Presbyterian Church met in conjunction with Mr G. S. Warner of Toronto, the man behind the stained glass project for the church windows. The decision of the meeting was to replace eighteen of the twenty windows in the auditorium of the church, for those of stained glass of which the amber shade will predominate to harmonize with the interior decorative scheme of the church. The remaining two windows will eventually be also replaced for memorial windows for the boys of the church who sacrificed their lives in the Great War, and to the former pastors of the church. Mr Warner has had thirty year's experience in the work and secures his material direct from England. The work is to be completed by June 1st, in time for the anniversary of the church. It is expected the cost will run close on to \$300.00. The ladies are to be commended on their enterprise and desire to further improve the Lord's sanctuary.

Your Seed Grain

TO obtain maximum yields you need to sow Test-require Seed Grain. To purchase good seed you may require financial assistance. Extending accommodation for such purposes is an important phase of Standard Service. Consult our local Manager.

THE STANDARD BANK OF CANADA

TOTAL ASSETS OVER EIGHTY-THREE MILLIONS

Durham Branch, John Kelly, Manager. Branches also at Pricerville and Williamsford.

The revised Anglican Prayer Books now on sale at Macfarlane's Drug Store. Livery business; car for hire. Apply to Rob Campbell, Upper Town. When you put up a wire fence, put up the best. We have it. Cross & Sutherland.

Leave your order for cement and save money by taking it off our. Cross & Sutherland.

Procure one of the quilt pens given free with a box of Symphony Lawn at Macfarlane's Drug Store.

Ground corn \$35.00 per ton, sacks included. Whole corn \$32.00 per ton without sacks.

Rob Roy Mills, Durham.

"Tanlac did what everything else failed to do." Thousands have said it. So will you. Sold at Macfarlane's Drug Store.

The Ladies' Aid of Varney church will hold their annual Easter banquet on Monday, April 17th. There is to be an extra fine supper in the Orange Hall, followed by a good program of outside and local talent. Admission 40c and 30c.

The Presbyterian Ladies Aid Society will hold a sale of homemade baking and afternoon tea in the basement of the Presbyterian Church on Saturday April 8th, commencing at 3 p. m.

ROB ROY GRAIN PRICES.—We are paying 55 to 62c for Oats, 90c to 95c for Barley, 95c to 1.00 for Buckwheat and \$1.75 to \$2.00 for Peas at our Elevator this week.

Rob Roy Mills Limited.

On Tuesday near St John's Roman Catholic Church, Glenelg, Mrs. Alf C. Neil received a bad break at her left elbow, caused by a kick from the horse which she was driving. She was attended to by Dr. D. B. Jamieson who had her taken to Mt Forest hospital where the X-ray was put in use, to detect the extent of the break.

OSPREY WANTS THE C. P. R.—The township of Osprey wants a branch line of the C. P. R. extended from Sauguen Junction to some point in Collingwood or Osprey township, to serve a large strip of country now without a railroad. The Council are placing the situation before C. P. R. officials, the proposed line running north-easterly some 25 miles. In these days of motor trucks and cars however, we doubt if the C. P. R. will take up the proposition.

A sad telegram reached Mrs. James Kerr, Varney and Mr. And. Derby, Hanover, on Tuesday morning, which announced the death of their youngest sister Helen, a graduate nurse of Pittsburgh. She suffered only five day illness and succumbed to pneumonia. Her remains will be brought to Hanover and from there the funeral will proceed to Hampden cemetery on Friday, April 7th, where the funeral service will be conducted at 3 p. m. by the Rev. Mr. Lane. Many South Grey friends will sympathize with the bereaved relatives. We expect a fuller obituary next week.

May Lay Paved Streets This Summer

At Monday's meeting Reeve Caiden laid before the Town Council the proposition of paving two blocks of Main St. this summer from foot of hill to the Ford Garage. He had consulted with Hon. Mr. Biggs, Minister, and Mr. McLean, Dep. Minister of Highways and ascertained that the Province would pay 40 per cent of the cost of laying a concrete road, 20 feet wide on Main St. and a grant perhaps might be secured from the County also. The road would be macadamized each side of the concrete, he favored laying storm sewers at same time and estimated the cost of the work would be about \$5000. The Reeve desired a motion to proceed with the work for which debentures with payment spread over 20 years would be issued. Coun. Saunders suggested calling a public meeting of the ratepayers to get their opinion next Monday night, to which all agreed and the notice calling this meeting appears in another column.

Oscar Hahn was given permission to erect a verandah above the Lambton St. door of the hotel.

A fixed assessment of \$30,000 was given the Durham Furniture Co. on the whole rate for a five year period, the exemption having expired last year. Accounts totalling \$296.87 were passed.

Second Banquet a Success

Pro. Reynolds of the O. A. C. Gives a Thought-Compelling Lecture

A fine representative gathering of citizens assembled on Tuesday evening in the Presbyterian Church to enjoy the second banquet and lecture under the auspices of the Men's Class committee. Rev. W. H. Smith, leader and teacher, presided as usual and was happy in his remarks.

The sumptuous "spread" would have done credit to a professional chef and was much enjoyed. The waiters were obliging and efficient and altogether the function was a success. Near the close, Mr. S. D. Croft arose and in a representative capacity took the ear of the audience. He spoke of the appreciation of the class for Mr. Smith's efforts on their behalf. He commended the speaker, and the trouble and expense he took for their profit, and ended by presenting him with a purse, the gift of the pupils.

Mr. Smith in reply, thanked them for the unexpected gift which he would always value. His aims he said, were that he wanted to impress on the class that religion was necessary to solve all economic, social and other problems of every day life. That service for others was the key-note of success. He enjoyed the work and was delighted to have had the co-operation of other ministers.

After a pleasing instrumental from Mr. Rainsford, an expert on piano and organ and an acquisition to the musical circles of the town, a rendering of "Men of the North" by a quartette, Messrs. Grant, McComb, Thos. Bell, Jack McKeechie, and Peter Ramage, which received hearty applause, the lecturer of the evening was introduced. Mr. Smith said that as President of the great O. A. C., he might be called the first farmer of the Province as well as an educationist and a fluent public speaker and it was a pleasure to have him with us.

(Continued on Page 4)

Radio-Receiving Outfit in Town

Few people in Durham realize what great strides have been made in wireless telephony during the past year or two. That for the cost of a moderate priced phonograph, a wireless receiving set can be installed by which the owner can hear concerts, market reports, lectures, &c. given in Toronto, Detroit and other centres, while sitting in a chair in his own room in the evening. This form of entertainment is becoming very popular in Canada and the States and thousands of outfits are being built or purchased. A small receiving set which will carry the sound from 15 or 20 miles, can be made for \$4, while good ones can carry the sound 150, 200 or up to 1000 or 2000 miles.

Successful sets are in operation in Mt. Forest and O. Sound, a man in the latter city picking up a wireless message from Wales. Wm. Browning in Detroit is the first Durham boy we've heard of who has a set in operation, but Albert Kress of town, son of Mr and Mrs Ed. Kress, has just completed building a wireless set, and is waiting only on some silicon to arrive to get it in operation, so his will be the first in Durham. Mr. Breen, the Hydro electrician, has a good set ordered, but so great is the demand, he cannot get it for some weeks with \$6000 orders ahead. Durham will soon hear over hundreds of miles of space. "The world do move."

I. O. D. E. Plan for Improvement of Town Hall

It will doubtless be never known what Ralph Waldo Emerson had in mind when he penned that old adage "Hitch your wagon to a Star" but the conclusion from it is drawn that it is worth an effort to work for some high motive. And this is what Canadian Greys' I. O. D. E. purpose or at least are striving to do.

At their monthly meeting Tuesday evening, it was thought feasible to have an objective ahead to work for, that would not only benefit themselves but the town and local rural districts equally well.

The constitution suggests (after paying the Provincial and National Fees of the Order) many good deeds for the benefit of our country, and while primarily it is a patriotic organization, it is sufficiently broad in its scope to work for municipal improvements. Accordingly the town hall scheme was introduced and discussed, and by a practically unanimous vote, felt to be the most immediate and urgent matter to be considered. The Chapter feel that in this movement they are striking the sympathy and co-operation of the country as well as towns people, and while yet only in its embryo stage as to the extent of the improvement scheme, would be glad to have as much encouragement given them as possible.

The Review will open its columns for brief letters as to suggestions for this improvement on any matter they feel would pave the way to make Durham's public hall a more ornamental structure than it is at present.

Three cars of American corn just arrived at Rob Roy Mills. Get your supply now.

St. Peter's R. church will hold a sale of home-made baking at 3 o'clock p. m., on Saturday, April 7th, in Lockie's store. Refreshments served.

Two tea-poonfuls of tanlac in a little water taken three times a day just before meals will make you eat better sleep better and work better. Sold at Macfarlane's Drug Store.

The Presbyterian Choir is holding a splendid Easter Cantata, "Redemption's Song" in the church on Tuesday, April 18th. Miss Maud Buchlen of Toronto, Canada's greatest violinist, will assist in the program. No music-lovers should miss this treat. Admission 50c and 25c.

Don't use small Easter Envelopes.—The Post Office Dept. urges the public this Easter to refrain from the use of small cards and envelopes in the mails as the postmark frequently partially obliterates the address, there is greater delay in sorting and they are apt to fall out of tied bundles.

TO ORGANIZE TUXIS SQUARES.—As an outcome of the Boy's Conference in Walkerton, a public meeting is being held in the Baptist Church Friday, April 7th at 7:30 p. m., to organize the Durham boys into Tuxis squares. Rev. R. B. Ferris Toronto, Secy of the Ont. Boys Work Board, will be the main speaker. It is expected between 20 and 30 boys will join up in this worthy organization for their four fold development. All men as well as the boys are invited and requested to attend, and assist the boys.

The B. Y. P. U. of the Baptist Church put on a social in the schoolroom last Friday evening when games and contests were arranged in which all took part. The program was short but interesting and was as follows: Community singing; recitation, D. McGregor; chairman's address, Rev. Mr. McEwen; song, Roy Wiggins; address, Jno. A. Graham; duet, Misses Adeline Graham and Elsie Boyce. Lunch was served at close of program. The Society cleared \$10 from the social.

PERSONAL MENTION

Mr. E. Limin went to Toronto on Saturday to attend the funeral of his sister, Mrs. J. M. Sumner.

Mr. Alex Bell of Medical College, Toronto spent over the week end at home.

Mr. Harold Sharp started a course of study in Mt Forest Business College on Monday.

Mrs. D. McKeivley of New Liskeard, is visiting her brother, Wm Moore, Elgin Street.

Mrs. Sanford of Toronto, came up to see her brother, the late Jas. Hopkins previous to his death.

Miss Myrtle Yiirs was successful in passing her examination at Mt. Forest Business College securing her Diploma in Stenography. She also succeeded in winning the bronze medal, donated by the United Typewriter Company, for attaining a speed of 46 net words a minute for fifteen minutes. She has accepted a position at the Ford garage here.

Mrs. J. S. McIlraith is in Toronto this week attending the graduation exercises of her daughter Miss Mary, from the Presbyterian Deaconess school.

Mrs. Willis and daughter Violet, of Dauphin, Man., are visiting Mrs. W's daughter, Mrs. C. Elvidge.

Mrs. J. S. Smith and sister Miss Belle Mackenzie are spending a week or two in Toronto.

The marriage took place in Mount Forest, on Friday, March the 31st by Rev. A. P. Latter, of Irene Isabella Hind of Durham and Francis Benson Stewart of Mount Forest. After the marriage a reception was given at the home of Mr and Mrs Padfield's where a number of the bride and groom's friends were invited to spend a pleasant evening. The staff of R. Scott's Store, of which the groom is one, gave the young couple a handsome gift in cash. The bride had many friends in Mt. Forest having spent six months at Business College there. They will take no housekeeping in Mt. Forest where the groom has a good position. The best wishes of all are for a happy wedded life.

The collection for the Russian Famine Fund in Pres. Church on Sunday amounted to \$116.25. The chance to still further aid will be given on Sunday next. The need is great.

Tanlac is the result of years of study, experimentation and research by some of the world's greatest chemists. Hence its merit. Sold at Macfarlane's Drug Store.

Service in the Methodist church last Sunday evening was of a special character: a re-opening after a few weeks absence during internal renovations to the auditorium. The changes made are now becoming and taking effect. The window in the end and the perspective effect have been removed and there is now perfect uniformity in all the walls in shading and bordering. The ceiling of Georgia pine, is laid out in squares, boards running diagonally and not one joint to be seen in the whole work. Everything seems done in first class style and the contractors and the church are to be congratulated.

The church was packed and seating accommodation had to be eked out with chairs in the aisles. The choir was in force and special music for the occasion of a high class. The lady soloists in the solo parts being most effective. The rendering of "Pilgrims of the night" could not have been excelled. The quartette, Messrs McCrae, Glass, Saunders and Benson gave a fine number, and but for church decorum would have had an encore, sure.

Rev. Mr. Cole made fitting reference to the improvements and thought it was well when people thought of the House of God as of their homes. His text was from Revelation 22: 4: "His name shall be in their foreheads" coupled with the clause preceding "They shall see his face." He drew a fine contrast on the mark of the beast and the mark of His name as he outlined what the name stood for. The "mark" he impressed would be in us as well as on us, not branded, but indelibly impressed and revealed in our walk and conversation.

The offerings of the day exceeded their objective. To clear the debt \$300 was required, but was substantially exceeded.

Reopening Services

"Houses" will be discussed next Sunday afternoon and houses seem to be an important matter for Durham and other places. A house and how to own it is one of the real problems of life if life is to be healthy and safe. From the standpoint of municipal prosperity, economic and political stability and public morality, the question of a home and its ownership is vital. This is likely to be the last meeting of the class until the fall and a full attendance is desired to decide one or two items of business and plans for the future.
