The oldest girl and baby are with a neighbor while the other three children are down with the fever, two nurses being in attendance. The deceased was only 34 years, 8 months of age and the immediate family and parents, three sisters and one brother all in Bentinck, mourn her untimely demise. They are Mrs. Caswell (Elizabeth) Mrs. Edmund Noble (Mary), John and Carrie Grierson at home. The funeral took place privately on Monday afternoon. The bereaved relatives have the deep sympathy of all in the loss of a loving mother, wife and daughter.

Bentinck Young Man Took His Own Life
The community was startled on Monday last to learn that Thos. McGauchie of the town line, Bentinck and Normanby, south-west of Allan Park, had taken his own life, being found hanging in the barn. The deceased was a young man of nearly thirty and it is believed his mind had become deranged, as he had been in the asylum two or three years ago, but was supposed to have recovered. He was an only son, and is survived by his father, step-mother and one sister. Interment took place Wednesday.

Tuxis Boys Organized
The organization of a Tuxis square, (interdenominational) for the mid-week session was held in the High School Thursday evening. About thirty five boys were present and also the members of Boys' Work Board. Mr. Danard acted as chairman and Ward Koch as Secretary for meeting. Rev. Mr. Smith opened meeting with prayer which was followed by a short address by Rev. Mr. Cole. Shortly after the election of officers took place. This was done by voting by ballot, since four and five were nominated for each office. The returns showed following officers elected:
Grand Praetor—Harry Kress
Grand Deputy Praetor—Willett Snell
Grand Scriptor—Reany Snell
Grand Comptor—Cecil McLean.
Mr. Danard initiated the officers by calling on them for a speech! After this was over the Praetors took charge of the meeting. It was decided to hold meetings every Tuesday night at 7 p. m., and if possible in the High School. A program committee of the following boys was formed to help the other officers: Melvin Ryan, Ward Koch, Donald Graham and Albert Kress.

The Roll Call

EDWARD HARTFORD

The last call came to above gentleman on Monday last, May 1st, the cause of death being pernicious anaemia, which for some weeks past became pneumatic in character, baffling medical skill and loving home care.

Deceased was born in Dundas, Ont., over 68 years ago and came with his parents to Lot 20, con 2, S. D. R. Glenelg, when about three years of age. Here he grew to manhood acquiring a fair common school education. At the age of 17 he took to lumbering and timbering. Quite early in life he began taking contracts himself and we think surpassed any other one man in the amount of timber "taken out" and shipped.

At his death he had a contract under way nearly completed and he had told his friends, he was going to make that his last. Alas! it was, and his busy active life found him at last in harness.

He married Miss Calvert, a daughter of the late John Calvert of Orchara, and the union was blessed with a family of sons and daughters, six of whom survive. They are Barney of Detroit (who with wife and family motored here Tuesday); Sam of Kitchener; Maggie, Mrs. John Playford O. Sound; Mary, Mrs. Robt. Playford, —; Sadie and James at home. These, with the mother mourn sincerely, as will his brother Christy of Owen Sound, and sisters Lizzie, Mrs. Brennan, Benton Harber, Mich. (Mary Ann, Mrs. Hogan, Ft. William).

"Ned" was popular among the men in the gangs he worked. He was a devoted Roman Catholic and a lover of home and family in a marked degree. Interment takes place this Wednesday forenoon to St. John's cemetery, Glenelg.

MRS ADAM ROBSON
The above lady, an old and respected resident of Glenelg, passed away on Tuesday last at the age of 77 years. She took to bed about 4 months ago, suffering from heart and kidney trouble, which has proved fatal. During her illness her sister, Miss Farr was a faithful nurse.

She was born in Co. Armagh, Ireland and came with her parents at age 14 to America, settling in New Jersey for a few years when they came to Glenelg married Adam Robson who predeceased and she has been there since. Here she had seven children: Agnes, Mrs. Clark, Edmond; Margaret, Mrs. Flynn, Toronto; Annie, Mrs. May, Saskatoon; Miss May, Toronto; John on the homestead; Charlie in Edmonton. As died a few Ottawa Normal.

Deceased was a much-loved sister of C. L. Grant of town and to Miss M. and Rev. Thos. Farr of Kincaid, Ont. Interment takes place to-day to Zion cemetery, Rev. Mr. Cole conducting mortuary services.

WILLIAM MARSHALL
Wednesday of last week the above well known resident of Egrement died after several years of poor health, during which he suffered much from asthma and other complications. He leaves as chief mourners his wife and four children surviving: James on the Varney side-road, Agnes, Willie and Jessie at home. Deceased was a son of the late James Marshall, one of the pioneers of Normanby and was born there about 62 years ago. He spent many years in Normanby but about a dozen years ago moved to Egrement. James and John Marshall of Normanby are brothers; a sister Mrs. Chas. Ebenezer is in the west. Mrs. Schrieber, another sister, formerly lived near Mt. Forest, and Misses Maggie and Annie in Normanby.

Interment took place to Maplewood cemetery, on Friday last, Rev. L. E. West of Holstein conducting appropriate services.

Rev. W. H. Smith, Chairman Library Board, asked the Council to sanction the sale of the old Library building and part of lot which on motion Calder—McQueen was done.

A delegation from the I. O. D. E. spokesman Mrs. G. McKechie, intimated to the Council their desire to be useful in renovating, perhaps enlarging the present Town Hall. A suggestion that it be turned over to them to make the improvements was not favorably received by Council. However a committee consisting of Dr. Smith, Mayor Allan and Reeve Calder was appointed to confer with them on Tuesday night.

Smith—McDonald—That Council ratifies the action of Collector in making seizure for arrears of taxes Carried
Adams—McDonald—That were insure the machinery in the Jackson property to the amount of \$3000. Carried.
Assessor McLirath was voted \$80 on

account of salary. His report is a light some one. The population of the town he finds 1622, much higher than the census figures, which figures unfortunately will be padded for 10 years. The assessment figures are also good up, though reductions have been made as encouragement to industries.

Reeve Calder introduced the question of site for the Memorial Monument. A site was selected some time ago on ground near Old Market grounds, donated by the town. Some have objections to this site however and he bespoke the interest of the council in the matter.

A New Town Hall for Durham?
On Tuesday evening by pre-arrangement, two members of Durham Town Council were present at the monthly meeting of Canadian Greys I. O. D. E. and in conjunction with this Chapter, discussed the pros and cons of the advisability of a new Town Hall versus renovating the present structure. It was felt the limitations of space on the present site prevented any extensive alterations as to building a wing, &c., and to extend it in length would be somewhat foolish, as the hall was already deep enough for its width. Then after it was all said and done, it would still be a renovated Town Hall, and in many instances the word conveys little.

Mayor Allan and Dr. Smith, the two representatives, spoke appreciatively of the I. O. D. E. in their efforts to wish to do something in this line and felt that with the co-operation of this Chapter, the Council would eventually seriously consider the project of floating a loan and issuing debentures for a new resolution building. Accordingly a resolution was drawn up by the I. O. D. E. to be read to the Council at their next meeting and reads thus:

"Moved by Miss Weir and seconded by Mrs. R. Burnett, that the Daughters of the Empire co-operate with the Town Council in purchasing a lot that the town would choose and approve of in building a new Town Hall. Also that the Daughters have representation on Committee for managing the Hall."

This venture requires a large vision, stout heart and long purse, but with harmony and good will to back them up from the people of Durham, it should surmount any obstacles that may appear. In future all I. O. D. E. receipts with the exception of necessary Chapter fees which are small, will be devoted to this object, so the citizens can feel in contributing to any function this Chapter may put on, they are adding a brick or two to Durham's new Opera House. Only Town in Ontario With Two Intermediate Teams
Lacrosse Will Boom In Durham this Summer

Besides the near Championship Intermediate team of last year, a second Durham line-up, all "home brews" will enter the field this season. At an organization meeting last Friday night in Kress's store, this second Durham team (the line-up of which will be mainly players eligible for junior and juvenile ranks) elected the following officers:

President—Wm. Calder
Vice Pres.—Dr. J. F. Grant
Secy.—Treasurer—Geo. S. Burnett
Manager—J. H. Harding
Playing Mgr.—R. L. Saunders
Committee—Roy Mitchell, Bert McDonald, S. LeVine.

This second team will be called the "Bluebirds" and they are given district grouping with Harriston, Listowel, Mt. Forest and Arthur as No. 8, District Int., O. A. L. A. Lorne Smith of Mt. Forest is convener, and R. L. Saunders of Durham is delegate to Mt. Forest, Thursday evening to draw up the schedule.

Durham's first team has been grouped with Wingham as No. 5 district, to play a double schedule. J. H. Harding is convener. As neither convener or Walker have entered teams, Durham can draw players from these towns if desired. Wingham has set up a wall against this grouping and threatens to withdraw unless placed in the other-Durham district. They claim it is over 60 miles to Durham, in fact it is only 42 and they would have to come just as far from home to meet the 2nd Durham team, and further still to go to Arthur. Wingham is mainly a baseball town, and their lacrosse team's real reason for kicking is that No. 8 district looks easier picking to them. If our No. 1 team could be yet grouped with Ferris, Orangeville and Shelburne, it would give the team much faster games and produce greater interest.
